 - (3) The total amount of sparkling wine or still wine purchased in 1 calendar year by the resident may not exceed 60 750-milliliter bottles per calendar year;
 - (4) The total amount of beer purchased in 1 calendar year by the resident may not exceed 6 cases of 12 ounce bottles or the equivalent;
 - (5) The manufacturer or retailer engaging in such direct sales holds a valid manufacturer's or retailer's license issued by the state of its domicile;
 - (6) The package in which the sparkling wine, still wine or beer is shipped is prominently labeled as containing alcoholic beverages;
 - (7) The package in which such sparkling wine, still wine or beer is shipped is received by a person 21 years of age or older;
 - (8) The package in which such sparkling wine, still wine or beer is shipped contains an invoice indicating the date of the shipment, providing a full and complete description of all items included in the shipment, and stating the price thereof.
- (b) A person who is licensed in its state of domicile as an alcoholic beverage manufacturer, importer, wholesaler or licensee and who may legally ship alcoholic beverages out of state may apply to the Commissioner for a direct shipper license. Only a person holding a direct shipper license may accept an order for the purchase of sparkling wine, still wine and/or beer from a natural person who is a Delaware resident. The license fee for a direct shipper shall be determined by the Commissioner. The amount of the fee must approximate

and reasonably reflect the costs necessary to defray the expenses of the Commissioner's service and activities in connection with this section.

(c) All persons licensed under this section to ship wine and beer shall pay a tax on all wine and beer sold to residents in this State at the rates set forth in § 581(d) of this title. Taxes levied by § 581(d) of this title shall be collected, as far as practical, from the direct shipper in the manner set forth by the Commissioner. If for any reason the direct shipper who first handles the taxable beer and wine to be shipped to Delaware has escaped payment of taxes, those taxes shall be collected from any person in whose hands the taxable beer and wine is found. In no case, however, shall there be a duplication.

(d) Direct shippers shall file invoices for each shipment with the Commissioner showing the retail price of the product, the quantity shipped, the customer's name and address and the tax collected and paid to the State. Such filings shall be quarterly and arrive at the Commissioner no later than the 10th of March, June, September and December. Direct shippers shall maintain the records for at least 3 years.

(e) Under no circumstance may the wine or beer be shipped directly to the resident. Direct shippers must deliver the wine and beer by common carrier to a Delaware wholesaler, who will in turn deliver the shipment to a holder of a Delaware off-premises retail license. The retail licensee must then deliver the wine or beer to the resident in a manner consistent with this title and as set forth by Commissioner rules. The direct shipper shall pay a handling fee in the amount of \$4 dollars per case or partial case of wine and \$2 dollars per case or partial case of beer to the wholesaler who receives the shipment on behalf of the Delaware resident. The wholesaler shall then remit to the retail licensee one-half of the total handling fee.

Determination of Applications

§ 541 Procedural requirements governing Commissioner's action; hearing; appeal.

(a) The Commissioner shall distribute and receive all of the applications for licensure under this chapter, and shall refer the application to the Division for investigation, and if it appears that any application should not be granted, the Commissioner shall so notify the applicant stating the cause for denial.

(b) If 10 or more persons who reside or own property within 1 mile of the premises where the license is to operate or in any incorporated areas located within 1 mile of the premises where the license is to operate file a protest against the issuance of the license with the Commissioner within 30 days from the filing of the application, then a hearing must be held to consider the application and protest and, specifically, the concerns of the members of the community within which the license is to operate. The Commissioner may hold a hearing in the absence of a protest. The Commissioner shall cause notice of the time and location of the hearing to be published in 2 consecutive issues of the same newspapers within which the applicant published notice of the applicant's application for the license. The Commissioner shall send notice of the time and location of the hearing to the applicant and to each of the persons who signed the protest and provided a legible name and address; provided, however, that it is sufficient for the Commissioner to send notice to the attorney of a person who is represented by legal counsel. The Commissioner shall conduct the hearing and shall make and keep a record of the hearing. The record must include the evidence, the Commissioner's findings of fact, the Commissioner's decision and a brief statement of the reasons therefor. The Commissioner's decision must show the manner in which the Commissioner construed the law and applied it to the facts, must recite any objections presented by the community, and must show how and the extent to which the Commissioner took community concerns into account and gave them due consideration when making the decision.

(c) The Commissioner's decision must be in writing and shall be final and conclusive unless, within 30 days from the date of the postmark on the Commissioner's decision, a party to the hearing files a written appeal in the office of the Commissioner. Upon receipt of the appeal, the Commissioner shall cause the Chairperson of the Appeals Commission to be advised of the pending appeal and the Chairperson shall cause the Appeals Commission to be convened with at least 20 days' notice to all parties. The Appeals Commission's review of an appeal from the Commissioner's final decision shall be on the record and in accordance with the Administrative Procedures Act, subchapter III of Chapter 101 of Title 29. A decision of the Commissioner shall be reversed only upon a finding of abuse of discretion.

(d) A party who is aggrieved by a final decision of the Appeals Commission may file a written appeal with the Superior Court within 30 days of the date that the Appeals Commission's decision was mailed. The Superior Court's review of an appeal shall be on the record and in accordance with the Administrative Procedures Act, subchapter V of Chapter 101 of Title 29. The Superior Court's review shall take into account the experience and specialized competence of the agency and the purpose under which the agency acted. Further, the Superior Court's review, in the absence of fraud, shall be limited to whether the agency's decision is supported by substantial evidence on the record and is free from legal error.

§ 543 Grounds for refusal of license; transfer or extension of premises.

(a) The Commissioner shall refuse to grant a license to be used in any county or subdivision thereof, if contrary to any prohibitory law then in force, in such county or subdivision thereof.

(b) The Commissioner may refuse to license an applicant if the Commissioner has substantial evidence that would reasonably support a belief that:

(1) Except for restaurants, there are sufficient licensed premises in the locality; or the granting of a license in the locality stated in the application is not otherwise demanded by public interest or convenience;

(2) The applicant is an importer of alcoholic liquors and has not furnished an acceptable bond for the purpose of assuring tax payments;

(3) The applicant appears to be financially irresponsible;

(4) The applicant has been provided with funds by, or has any forbidden connection with, a manufacturer, supplier or importer of alcoholic liquors;

(5) The applicant has made false statements to the Commissioner;

(6) The applicant has been convicted of violating any of the liquor laws of this State, or has been convicted and imprisoned for a crime;

(7) The applicant or any of the applicant's directors or officers, or any of the applicant's shareholders who hold more than 10% of the outstanding issued shares has been convicted of violating any of the prohibited acts defined in Chapter 47 of Title 16, the Uniform Controlled Substances Act, or its functional equivalent under the laws of the United States, any state or territory or any other country, including, but not limited to, the illegal manufacture, delivery, trafficking, possession or consumption of any controlled or noncontrolled substance, or the delivery or possession of illegal drug paraphernalia or illegal hypodermic syringes or needles, or the conspiracy, solicitation or other attempt to engage in such illegal activities;

(8) As to a restaurant applicant, the applicant has failed to designate a substantial portion of the premises' floor space, as determined by the Commissioner, to be used for the storage, preparation, service and consumption of complete meals;

(9) As to a restaurant applicant, the applicant's projected or actual receipts from the sale of complete meals fails to represent a substantial portion of the establishment's total gross receipts as determined by the Commissioner, provided that gross receipts received as payments from the State Lottery Office shall not be included by the Commissioner in the Commissioner's determination;

(10) As to a restaurant applicant, the applicant's proposed premises or any proposed extension of the premises of an existing licensed restaurant is protested in accordance with the provisions contained in § 541(b) of this title or any applicable Commissioner rule, and the Commissioner finds that substantial evidence exists to conclude that the establishment's primary purpose will be the serving of alcoholic liquor to patrons. In reaching its decision, the Commissioner shall consider factors including, but not limited to, the number and sizes of bars in the establishment, the establishment's floor plan, an approximate percentage of the projected revenue to be derived from the sale of alcoholic liquor as compared to the percentage of revenue to be derived from the sale of complete meals, the establishment's seating capacity, storage and preparation area for food service, and the number of service employees employed, or to be employed, in the establishment and their functions.

(11) A substantial objection to the granting of the license has been presented by the community within which the license is to operate, or that the granting of such license is otherwise not in the public interest. For the purposes of this subsection, the term "substantial objection" shall include:

a. Any objection, or group of objections, presented to the Commissioner either individually or as a group, by persons who reside within the election district where the license is to operate and all contiguous election districts, sufficient to give the Commissioner reason to believe that a majority of the residents of the community within which the license is to operate oppose the issuance of the license; or

b. Any objection, or group of objections, presented to the Commissioner either individually or as a group, the content of which gives the Commissioner reason to believe the quality of life of the community within which the license is to operate will be adversely affected by the granting of the license.

(c) The Commissioner may refuse to grant a license to sell alcoholic liquor to any new establishment to be located in the vicinity of a church, school or college. The Commissioner may issue a license to any establishment located in the vicinity of a church, school or college when such establishment has been located in a place prior to the time any church, school or college may thereafter be located in the vicinity of such establishment.

(d) The Commissioner shall refuse to grant a license for the sale of alcoholic liquor by any store, or establishment for consumption off the premises, when there is an existing licensed establishment of similar type within a ½ mile by accessible public road or street in any incorporated city or town, or within 3 miles by accessible public road or street in any unincorporated or rural area measured in driving distance both ways between the existing and proposed establishments. This subsection does not apply to any of the following:

- (2) A club licensed to sell off the premises where sold, farm winery, brewery-pub, microbrewery, or craft distillery.
- (3) A licensee who desires to move the location of the license to a location within 500 feet thereof by accessible public road or street. However, a licensee located in a shopping center or shopping mall may move the location of the license any distance within the same shopping center or shopping mall, whether such center or mall consist of 1 or more than 1 separate buildings.
- (4) [Repealed.]

(e) The Commissioner may grant a new license to a licensee who desires to move the location of the license due to the destruction of the building, loss of lease, diversion of highway traffic pattern, or similar reason beyond the control of the licensee, if the application meets all of the following:

- (1) The requirements under subsection (d) of this section and all other requirements under this title.
- (2) The location to which the licensee proposes to move meets either of the following:
 - a. If in an incorporated city or town, is within 500 feet of the existing location of the licensee.

(f) (1) The Commissioner shall refuse to grant a license to sell alcoholic liquor to any restaurant or eating place located on or a part of the Delaware Turnpike.

(2) The Commissioner shall refuse to grant a license to sell alcoholic liquor to any new store located in an unincorporated area on or along any state highway listed in § 701(d) of Title 21 within 1½ miles of a Department of Motor Vehicles' facility on or along the same state highway.

(g) [Repealed.]

(h) Any existing restaurant which was licensed by the State to permit the sale of alcoholic beverages and which was in compliance with applicable state, county or municipal laws and regulations as of June 14, 1991 shall be permitted to continue to operate in the same manner as it was operating on said date so long as said license is in effect, notwithstanding any ordinance or other restriction subsequently enacted by a municipal corporation.

(i) The Commissioner shall refuse to grant a license for the sale of alcoholic liquor by any beer garden, taproom, or tavern establishment when there is an existing licensed establishment of any of these types within 1200 feet by accessible public road or street in any incorporated city or town, or within 9/10 of a mile by accessible public road or street in any unincorporated or rural area measured in driving distance both ways between the existing and proposed establishments. (j) The Commissioner shall not grant a new license of any type and shall not grant an extension of premises of an existing license of any type unless the application for said new license or for said extension is accompanied by a Certificate of Compliance from the appropriate political subdivision showing:

- (1) That the premises where the license is to be used are properly zoned for the applicant's intended use; and
- (2) That all necessary permits have been approved; and
- (3) That the applicant has complied with all other applicable licensing requirements of the appropriate political subdivision.

This subsection shall not apply to any application for a temporary extension of premises as authorized by Commissioner rule; provided, that any such application has not been objected to by the appropriate political subdivision which shall be provided with notice of the application by the applicant within 7 days of the date the application is filed with the Commissioner.

This subsection shall not apply to any extension of premises of an existing license granted by the Commissioner pursuant to § 524(i) of this title even if the State of Emergency is no longer in effect.

§ 544 Finality of Commissioner's decision refusing license.

If an application is not timely protested, but the Commissioner determines that the application should nevertheless be denied, the Commissioner shall render the decision promptly in writing. § 545 Improvements to premises.

The Commissioner may not require an applicant to make improvements to the premises before the issuance of a license; however, the Commissioner may issue a license to sell alcoholic liquor upon the condition that certain improvements shall be made to the premises.

(4 Del. C. 1953, § 545; 55 Del. Laws, c. 291; 59 Del. Laws, c. 107, § 39; 72 Del. Laws, c. 486, § 9.)

§ 546 Limit on number of retail licenses.

(a) The General Assembly finds that, in order for the Delaware Alcoholic Beverage Control Commissioner to maintain effective control of the importation, distribution and sale of alcoholic liquor into and within this State, and in order to prevent geographical price fixing of alcoholic liquor at the retail level, there shall be a limitation placed on the number of retail licenses issued, held, controlled or acquired directly or indirectly by 1 person. The General Assembly further finds that a limitation on the number of retail licenses held by 1 person is necessary to ensure a stable system for the lawful distribution of alcoholic liquor, serve the public need and convenience and prevent the public harm associated with a monopoly of the retail alcoholic liquor trade by any person or group of persons, whether such licenses are held by a corporation, partnership, association, proprietorship, individual or other entity. The General Assembly further finds that a reasonable restriction on the number of retail licenses held by 1 person will further the State's interest in maintaining a 3-tier system for the importation, distribution and sale of alcoholic liquor by minimizing or limiting absentee ownership and the domination of retail establishments by suppliers, manufacturers, importers or other economically powerful interests.

Therefore, it is declared to be the public policy of this State that limitations, as hereinafter specified, be placed on the number of retail licenses that any person may at 1 time hold, directly or indirectly, and that the Commissioner shall actively supervise and enforce these limitations.

(b) The Commissioner shall refuse to grant a license for the sale of alcoholic liquor by any restaurant, taproom, hotel, store or other establishment for consumption off the premises where sold if the Commissioner has substantial evidence that would reasonably support a belief that the applicant, or any of the applicant's directors, officers or shareholders, or any of the applicant's partners, corporations, proprietorships or other legal entities engaged in any undertaking, industry or business is singularly, or in combination with the applicant, the holder of 2 or more retail licenses, or has any financial, pecuniary, beneficial, management, supervisory or other interest whatsoever, direct or indirect, and however small, in 2 or more retail licenses; provided, however, that nothing herein shall require any person who, prior to April 1, 1992, acquired an interest in more than 2 retail licenses to surrender, dispose of, or release their interest in any such license; nor shall anything herein affect such person's right to continue to hold, use and renew any such license.

(c) For the purposes of this section, a person shall be deemed to acquire a financial, pecuniary, beneficial, management, supervisory or other interest in a retail license to purchase and re-sell or dispense alcoholic liquor if such person or person's spouse or child under 21 years of age has either (i) any interest whatsoever, direct or indirect, and however small, as a director, officer, shareholder, partner, associate, employee or member in any corporation, partnership, association, proprietorship or other entity engaged in any undertaking, industry or business which holds a retail license pursuant to this chapter, or (ii) any authority whatsoever to supervise, manage, control or direct the operation of the licensee's business, or to hire, terminate or discipline its employees, or to issue any orders, policies or directives concerning its business; provided, however, that any person whose relationship with the licensee is, as determined by the Commissioner, merely that of a bona fide lender, lending institution, secured party or lienholder, or merely that of a bona fide landlord or lessor of real or personal property, shall not, for the purposes of this section, be deemed to acquire a financial, pecuniary, beneficial, management, supervisory or other interest in such license.

(d) The Commissioner may promulgate such rules and regulations with respect to the enforcement and furtherance of the objectives and provisions of this section as it may deem necessary, and all such rules and regulations that are not inconsistent with provisions of this title and the Delaware Code shall have the force and effect of law.

(68 Del. Laws, c. 376, § 1; 72 Del. Laws, c. 486, § 9.)

§ 724 Retaliatory beer tax and regulations; violations by out-of-state manufacturers of beer; hearing, penalties and appeal.

(a) In addition to compliance with all other provisions of this title, the Commissioner shall require each person, not a licensee of this State, who desires to sell beer manufactured outside this State to licensees of this State, to pay to the Commissioner the same fee or fees as are required to be paid in the State, territory or country of origin of such beer by a person, not a licensee thereof, who desires to sell beer manufactured in this State to licensees of such state, territory or country of origin, and to observe and comply with the same regulations, prohibitions and restrictions as are required of or enforced against a person who desires to sell beer manufactured in this State to licensees in the said state, territory or country of origin. In all cases where the Commissioner has issued any reciprocal regulations or orders concerning beer manufactured in any state, territory or country other than this State no licensee of this State shall purchase any such beer if its importation has been prohibited or if not entirely prohibited, unless such regulations or orders have been observed and complied with by the licensee of this State and by the person from or through whom the licensee of this State desires to purchase. Any beer manufactured outside of this State which is sold, transported or possessed in this State contrary to any such regulations or orders of the Commissioner or without the payment of the fees required by this title shall be considered contraband and shall be confiscated by the Commissioner and disposed of in the same manner as any other illegal alcoholic liquors.

(b) Upon learning of the Commissioner by a manufacturer of beer whose principal place of business is outside this State or by any servant, agent, employee or representative of such manufacturer within or partly within and partly outside this State of any violation of this title or any laws of this State relating to alcoholic liquors, or of any regulation of the Commissioner adopted pursuant thereto, or of any violation of any laws of this State or of the United States of America relating to the tax payment of alcoholic liquors, the Commissioner shall cite such manufacturer to appear before it not less than 10 nor more than 15 days from the date of mailing to such manufacturer at such manufacturer's principal place of business wherever located by registered mail a notice to show cause why the further importation into this State of beer manufactured by such manufacturer should not be prohibited. Upon such hearing, whether or not an appearance was made by such outside manufacturer, if satisfied that any such violation has occurred, the Commissioner shall immediately issue an order prohibiting the importation of beer manufactured by such manufacturer into this State for a period of not less than 6 months nor more than 3 years. Notice of such action of the Commissioner shall be given immediately to such manufacturer and to all persons licensed to import beer within this State by mailing a copy of such order to such manufacturer at its principal place of business wherever located and to such licensees at their licensed premises. Thereafter no person licensed to import beer within this State shall purchase or sell any beer manufactured by such outside manufacturer during the term of the prohibition. Any violation of the prohibitory order is a misdemeanor and also constitutes grounds for revocation or suspension of a license to import beer. In all such cases the Commissioner shall file of record at least a brief statement in the form of an opinion of the reasons for the ruling or order. Any outside manufacturer aggrieved by the action of the Commissioner may appeal to the Superior Court in the same manner as provided in § 541 of this title for appeals from refusals to grant licenses.

§ 725 Preparations containing alcoholic liquors but not intended for use as a beverage.

(a) No provision of this title shall, by reason only of the fact that the product contains alcoholic liquor, prevent any of the following:

(1) The sale of any perfume, lotion, tincture, varnish, dressing, fluid extract or essence, vinegar, cream, ointment, salve, distillate, cooking wine, or decoction.

(2) The sale of any preparation (official, medicinal, or pharmaceutical) or of any patent or proprietary medicine, intended solely for medicinal purposes, if the product does not contain alcohol in any greater quantity than the amount required as a solvent or preservative, or if the product be so compounded as to render it unsuitable for use as a beverage.

(b) If the Division of Alcohol and Tobacco Enforcement (DATE) is of the opinion that one of the products enumerated in this section contains alcoholic liquor and is used for beverage purposes, it may notify the manufacturer or seller to that effect and from and after the

date of such notice this title shall apply to such product unless the manufacturer or seller requests a hearing before the Commissioner within 20 days of receipt of the notice. If the manufacturer or seller does not request a hearing within 20 days of the notice, or the Commissioner determines after the hearing that the product is used for beverage purposes, the manufacturer or seller so notified commits an offense under this title if he or she sells the product after such notice or determination, and is liable to the penalties provided in § 902 of this title.

(c) (1) In order to determine whether any particular preparation, proprietary or patented, contains alcohol in excess of the amount required as a solvent or preservative, or whether it is so compounded as to render it unsuitable for use as a beverage, DATE may purchase a sample of such preparation from any person and may have it analyzed by any individual DATE selects.

(2) If it appears from the analysis of the sample that the preparation contains alcohol in excess of the amount required as a solvent or preservative, or that it is not so compounded as to render it unsuitable for use as a beverage, DATE may notify the manufacturer or the agent in this State of the manufacturer of the preparation or the person who has acquired the preparation for purpose of resale, that the preparation is not an exempt product within the meaning of this section, but is an alcoholic liquor to which this title applies. After the service of such notice, this title shall apply to such preparation and the manufacturer or the agent in this State of the manufacturer or the person who has acquired same to resell, who has been so notified, commits an offense under this title unless a hearing is requested before the Commissioner within 20 days of receipt of the notice. If a hearing is not requested within 20 days of the notice, or the Commissioner determines after the hearing that the preparation is used for beverage purposes, the manufacturer or the agent in this State of the manufacturer of the preparation or the person who has acquired the preparation for purpose of resale commits an offense under this title if that person sells the preparation after the date of the service upon him or her of the notice or determination.

(3) The notice required by this section shall consist of a letter from the Director of DATE stating that the preparation specified in the letter is not an exempt product in the sense of this section, but is an alcoholic liquor to which this title applies. The notice must be served by hand delivery or by sending a copy by certified mail to the manufacturer, or to the agent in this State of the manufacturer, or to the person who has acquired the preparation to resell.

(d) This section applies to every product which is included within the definition of the word "preparation" set forth in § 101 of this title and to every product which is defined or described in subsection (a) of this section, other than one which is prepared by a druggist at the time of the prescription of a physician and in accordance with its tenor or which is prepared by a physician for the use only of a patient actually under his or her care.

§ 726 Liability for price of illegal sale of alcoholic liquors.

No action to recover the price of any alcoholic liquor sold in contravention of this title may be maintained.

§ 727 Sale at last call/closing hour of an establishment.

No more than 1 alcoholic beverage may be sold to a person less than 15 minutes prior to closing each day that a license is open pursuant to this title. Any server who violates this section shall be guilty of a violation, and shall be fined \$100 for a first offense, and \$250 for a second or subsequent offense accruing within 1 year and shall be further required to take a course of instruction pursuant to Chapter 12 of this title (Delaware Responsible Alcoholic Beverage Server Training Program) within 90 days.

The plan shall be administered by the Executive Secretary or by such other persons as shall be designated by the Commissioner. The plan shall be published as a Commissioner rule.

§ 1101 Peddled or illegally transported liquor.

(a) Wherever alcoholic liquor is being peddled in this State, or whenever any alcoholic liquor is transported in this State, unaccompanied by a license to transport such alcoholic liquor, or unaccompanied by a waybill as provided in § 718(c) of this title, any police officer of the State or subdivision thereof or any inspector of the Division may seize such alcoholic liquor, as well as the receptacle or receptacles containing the same, and hand them over to the Division.

(b) This section shall not at any time or in any instance apply to an individual who is the holder of a license to purchase a stock of draft beer in half barrel or quarter barrel containers for personal use and is transporting for the individual's own personal use from the individual's home after delivery has been made thereto by an importer.

(c) This section does not apply to persons transporting alcoholic liquor under §§ 501 and 716 of this title.

(38 Del. Laws, c. 18, § 55; Code 1935, § 6182; 41 Del. Laws, c. 256, § 1; 42 Del. Laws, c. 191, § 6; 4 Del. C. 1953, § 1101; 55 Del. Laws, c. 82, § 11; 58 Del. Laws, c. 248, §§ 1, 2; 67 Del. Laws, c. 109, § 31; 70 Del. Laws, c. 186, § 1; 72 Del. Laws, c. 486, § 13.)

§ 1102 Shipments to unauthorized portions of State; other illegal sales or shipments.

(a) Any officer or inspector of the Division so authorized, may seize, without a warrant, any alcoholic liquor, as well as any receptacle containing it, shipped into a municipality or part of this State in which a prohibitory law is in force, or whose competent authority has decided, in the manner set forth in § 102 of this title, that any license or any certain kind of license shall not be granted, unless each parcel containing such alcoholic liquor is clearly and visibly addressed to the bona fide purchaser. The fact that such parcel is so addressed shall not, however, prevent the seizure of the alcoholic liquor and of the receptacle containing it if such alcoholic liquor is shipped or sold contrary to any provision of this title.

(b) The alcoholic liquor seized as well as the receptacles containing it shall be handed over to the Division.

(c) This section shall not apply to an individual, the holder of a license to purchase a stock of draft beer in half barrel or quarter barrel containers for personal use, who having said license then with him or her, is personally transporting for his or her own personal use such draft beer.

(38 Del. Laws, c. 18, § 56; Code 1935, § 6183; 42 Del. Laws, c. 191, § 7; 4 Del. C. 1953, § 1102; 55 Del. Laws, c. 82, § 12; 58 Del. Laws, c. 248, § 3; 70 Del. Laws, c. 186, § 1; 72 Del. Laws, c. 486, § 13.)

The officers finding the same may forthwith destroy any or all mash, wort or wash upon the premises, and any or all stills or other apparatus, tubs, barrels, containers and paraphernalia so found. The officer or officers destroying any property shall forthwith report the same to the Commissioner and in such report shall itemize all property destroyed and the estimated value thereof and shall state the names of the persons in whose presence such act or acts of destruction were performed. The report shall be witnessed by at least 2 responsible persons other than the officer or officers performing such act or acts of destruction. The Commissioner may sell any property of value so seized to any person or persons desiring to purchase same, who in the opinion of the Commissioner will not utilize same in connection with any violation of this chapter. The proceeds from such sale shall be deposited in the General Fund of the State.

(Code 1935, § 6174A; 45 Del. Laws, c. 261, § 1; 4 Del. C. 1953, § 1103; 50 Del. Laws, c. 427, § 1; 72 Del. Laws, c. 486, § 11.)

Every officer and inspector of the Commissioner and all other peace officers of this State, may, without a warrant, seize property, as hereinafter defined, kept, transported, possessed or sold in contravention of this title, when found in any disorderly house; and may also seize such property in like manner and for like violations when the said property is used in connection with any offense under this title to the knowledge of the Commissioner or any of its officers or inspectors or to the knowledge of any other peace officer of this State. Any dispute between the enforcement personnel of the Division and the person believed to be the rightful owner or the person from whom the property was seized, shall be resolved by a hearing before the Commissioner. The Commissioner's decision shall be final and conclusive unless any party, having appeared before the Commissioner, appeals to the Superior Court of the State within 10 days of the date of the written decision.

(2) Any property seized pursuant to this chapter which consists of alcoholic liquor and its container may, after the provisions of paragraph (1) of this section have been complied with, be offered for sale to the licensed Delaware importers of alcoholic liquor at the prevailing price paid by the importers for like brands and quality. If the alcoholic liquor is distributed in this State by more than 1 licensed importer, then the Commissioner shall offer said seized alcoholic liquor to all importers who engage in the sale of such brand of alcoholic liquor. If the seized alcoholic liquor is purchased by a licensed Delaware importer, the importer shall issue to the Commissioner a voucher showing at least the following facts:

3. The enforcement officers of the Division with the advice of other peace officers of this State and/or the Department of Justice may retain all or part of the alcoholic liquor and its containers seized for use as evidence for as long a period as they deem necessary. Thereafter it may be disposed of pursuant to this chapter.

4. All other such seized property shall be disposed of as is provided in this chapter.

§ 1106 Ascertainment of ownership and liens upon seized vehicles.

Before filing the report and petition required by § 1107 of this title, the Division shall examine or cause to be examined records of liens on motor vehicles at the titling department in Dover and records of conditional sales contracts recorded in the offices of the recorders of the counties to ascertain what liens, if any, had been entered against any motor vehicles seized under this chapter and all available information as to ownership of such vehicles and liens, if any, upon the same shall be incorporated in such report and petition.

§ 1108 Rule to show cause and service thereof; hearing and order of disposal.

(a) Upon the filing with the Court of the Division's report and petition in accordance with § 1107 of this title, the Court shall direct the issuance of a rule returnable on a day certain at the next succeeding term of the Court, directed to all known claimants, owners and lienors, and such rule shall be issued to and served by the sheriff of the county in which such claimant, owner or lienor shall reside or, if the Court shall so direct, may be mailed by the clerk of the peace to such claimants, owners or lienors at the addresses disclosed by the report and petition. In addition, the Court shall direct publication of a notice, in a form approved by the Court, in a newspaper of general circulation in the county or counties where the property or any part thereof was located at the time of seizure. The publication shall be made at least 1 time weekly during 2 successive weeks preceding the week during which the rule is returnable.

(b) Upon the return of the rule, the Court may order:

(1) The destruction of any of such property except legally distilled spirits with seals and containers so preserved and with labels and seals unbroken as to permit or be eligible for resale;

(2) The delivery of any thereof to any state department, agency or institution or to any hospital or other institution supported in whole or in part by state appropriations, for which such institution shall have use in the conduct of its authorized activities, which order and subsequent delivery shall vest title in and to all such property in the agency, department or institution receiving same;

(3) The sale of any thereof by the Division at public sale, except that such order may direct the Division in its discretion to offer privately for sale in regular trade channels to the licensed importers of alcoholic liquor such of the alcoholic liquor as are bottled for the trade and with labels and seals unbroken at the prevailing price paid by the importers for like brands and quality, and upon any other terms the Court decides should be imposed;

(4) In the case of order for sale of any motor vehicle seized in accordance with this chapter, the order shall also direct that after advertisement and public sale, the proceeds of such sale shall first be applied to the costs of the proceedings including storage, then to bona fide liens placed upon the vehicles prior to seizure, and then to the Division to be disposed of as otherwise provided in this chapter.

(c) The Division shall make return to the Court of its proceedings under the Court's order.

(38 Del. Laws, c. 18, § 57; Code 1935, § 6184; 45 Del. Laws, c. 264, § 1; 4 Del. C. 1953, § 1108; 72 Del. Laws, c. 486, § 13.)

§ 1109 Procedural provisions.

(a) The Superior Court may adopt rules to govern proceedings under this chapter.

(b) All proceedings under this chapter shall be in the nature of proceedings in rem for the forfeiture and disposition of property seized and not otherwise disposed of under this chapter.

(c) Nothing contained in this chapter shall be construed as depriving any owner or person holding a lien upon or conditional title to any property seized from pursuing any remedy otherwise available in any court for the recovery of said property, but no such other remedy shall be available and no other proceeding for the recovery of said property shall be brought after a petition, involving said property, has been filed in the Superior Court under the authority of § 1107 of this title, and in such case all remedies of persons claiming title to or liens upon such seized property shall be asserted and adjudicated in the cause presented by such petition in the Superior Court.

(d) In any action or proceeding brought by an alleged owner, lienor or claimant of the seized property, this State, acting on behalf of the Division, shall be permitted to intervene as a party defendant and justify the seizure under the authority of this chapter, and in such case, as well as in any case arising under this chapter, the Court may by order, judgment or decree require the payment to the Division of all proper costs and expenses of seizure, holding, storage or other acts or proceedings under the authority of this chapter.

(e) It shall be no objection to any report and petition filed by the Division under § 1107 of this title that it relates to and deals with the property of more than one person or property seized on more than one occasion, nor shall the Superior Court refuse to act upon any such petition because any criminal proceeding arising out of the seizure of such property remains undisposed of, has resulted in an acquittal or has been retired or nolle prossed by the Attorney General.

(38 Del. Laws, c. 18, § 57; Code 1935, § 6184; 45 Del. Laws, c. 264, § 1; 4 Del. C. 1953, § 1109; 72 Del. Laws, c. 486, § 13.)

Chapter 12

DELAWARE RESPONSIBLE ALCOHOLIC BEVERAGE SERVER TRAINING PROGRAM

§ 1201 Findings and declaration of policy.

It is determined and declared as a matter of legislative findings that:

- (1) The irresponsible service and consumption of alcoholic beverages has had a significant adverse impact on highway safety, personal health and individual welfare and is not in the best interests of the citizens of this State;
- (2) Commercial servers of alcoholic beverages who are licensed by the State have a responsibility to ensure that their customers are served alcoholic beverages in a responsible and appropriate manner;
- (3) Responsible server training programs have proven to be an effective means of addressing, in a positive and constructive manner, the irresponsible and inappropriate service of alcoholic beverages by commercial establishments;
- (4) The voluntary responsible alcoholic beverage server training program which has been conducted by the Delaware Division of Alcohol and Tobacco Enforcement staff has been well received by those licensed commercial servers of alcoholic beverages who have undergone the training;
- (5) A voluntary server training program cannot be as effective as a mandatory program which would reach all licensed commercial servers of alcoholic beverages;
- (6) Such a mandatory training program should be provided to licensees and their employees at a reasonable cost so as to encourage their full support and participation while creating an incentive for the employees to take the program seriously; and
- (7) The establishment of a mandatory responsible alcoholic beverage server training program will promote highway safety and the public health and welfare of the citizens of Delaware.

Therefore, it is declared to be the policy of this State to promote the safety, health and welfare of its citizens by the establishment and operation of a mandatory responsible alcoholic beverage server training program pursuant to the provisions of this chapter.

(2) The Commissioner may hold a hearing in the absence of a protest.

(3) The Commissioner shall cause notice of the time and location of the hearing to be published in 2 consecutive issues of the same newspapers within which the applicant published notice of the applicant's application for the license.

- (2) The applicant is financially irresponsible.
- (3) The applicant has made false statements to the Commissioner.
- (4) The applicant, including any of the applicant's directors or officers, or any of the applicant's shareholders who hold more than 10% of the outstanding issued shares, has been convicted of an offense that may impact the qualifications, functions, or duties of the business or profession for which the application is made, except that if the Commissioner determines that the applicant is otherwise suitable to be issued a license, and granting the license would not compromise public safety, the Commissioner shall conduct a thorough review of the nature of the crime, conviction, circumstances, and evidence of rehabilitation of the applicant, and shall evaluate the suitability of the applicant to be issued a license based on the evidence found through the review. In determining which offenses may impact the qualifications, functions, or duties of the business or profession for which the application is made, the Commissioner shall include the following:
 - a. A violent Title 11 or Title 31 felony conviction as defined in § 4201(c) of Title 11 or its functional equivalent under the laws of the United States, any state or territory of the United States, or any other country.

 - f. Any felony conviction as defined in Chapter 5 of Title 30 or its equivalent under the laws of the United States, any state or territory of the United States, or any other country.
- (5) A substantial objection to the granting of the license has been presented by the community within which the license is to operate, or that the granting of such license is otherwise not in the public interest. For the purposes of this subsection, the term "substantial objection" includes 1 or more of the following:
 - a. Any objection, or group of objections, presented to the Commissioner either individually or as a group, by persons who reside within 5 miles of where the licensee is to operate, sufficient to give the Commissioner reason to believe that a majority of the residents in that 5 mile radius within which the licensee is to operate oppose the issuance of the license.
 - b. Any objection, or group of objections, presented to the Commissioner either individually or as a group, the content of which gives the Commissioner reason to believe the quality of life of the community within which the licensee is to operate will be adversely affected by the granting of the license.
- (c) Except as set forth in subsection (b) of this section, a prior conviction, for possession of, possession for sale, sale, manufacture, transportation, or cultivation of a controlled substance may not be a ground for denial of a license.
- (d) The Commissioner may refuse to grant a license to sell marijuana, marijuana products, or marijuana accessories to any new establishment to be located in the vicinity of a church, school, college or substance abuse treatment facility as defined under § 2203 of Title 16. If there is an existing licensed establishment less than 1 mile but more than 9/10 of 1 mile by accessible public road or street in any unincorporated or rural area, the Commissioner may grant such license. This subsection does not apply to any of the following:
 - (1) Any existing license or to the sale, transfer of ownership, or renewal of an existing license.
 - (2) Any licensee who desires to move the location of the licensee's license to a location within 500 feet thereof by accessible public road or street or any licensee located in a shopping center or shopping mall who desires to move the location of the licensee's license any distance within the same shopping center or shopping mall, whether such center or mall consists of 1 or more than 1 separate buildings.
 - (f) Any holder of an existing license who desires to move the location of the existing license due to the destruction of the building, loss of lease, diversion of highway traffic pattern, or other reason beyond the control of the licensee, shall have preference in the issuance of a new license provided that the application satisfies this section and all other requirements under this chapter.
 - (g) The Commissioner may not grant a new license of any type and may not grant an extension of premises of an existing license of any

type unless the application for said new license or for said extension is accompanied by a certificate of compliance from the appropriate political subdivision showing all of the following:

- (1) That the premises where the license is to be used are properly zoned for the applicant's intended use.
- (2) That all necessary permits have been approved.
- (3) That the applicant has complied with all other applicable licensing requirements of the appropriate political subdivision.

(84 Del. Laws, c. 24, § 4.)

§ 1355 Finality of Commissioner's decision refusing license.

If an application is not timely protested, but the Commissioner determines that the application should nevertheless be denied, the Commissioner shall render the decision promptly in writing. The Commissioner's decision shall be final and conclusive unless, within 30 days after notice thereof has been mailed by the Commissioner's office, the applicant files an appeal in the office of the Commissioner. The appeal shall follow the procedure outlined in § 1362 of this title.

(84 Del. Laws, c. 24, § 4.)

§ 1356 Improvements to premises.

The Commissioner may not require an applicant to make improvements to the premises before the issuance of a license; however, the Commissioner may issue a license to sell marijuana, marijuana products, or marijuana accessories upon the condition that certain improvements shall be made to the premises.

(84 Del. Laws, c. 24, § 4.)

(e) The Commissioner may not cancel or suspend any license for the sale of marijuana products or impose any fine for an alleged

violation of § 1306 or § 1312 of this title where the licensee or its employee has made a reasonable effort to determine the age of a purchaser of the marijuana products. For purposes of this subsection, a licensee or its employee is deemed to have made a reasonable effort to determine the age of a purchaser if, prior to any sale of marijuana products, the licensee or its employee requires the purchaser to display identification, with a photograph of the purchaser thereon affixed, which sets forth information that would lead a reasonable person to believe the purchaser to be 21 years of age or older.

(f) The Commissioner may also suspend a license for any of the grounds for refusal of a license under § 1354 of this title.

(g) The Commissioner may cancel any retail license if it has reasonable grounds to believe that the license was granted in violation of this chapter, or any regulation enacted pursuant to § 1331 of this title.

(84 Del. Laws, c. 24, § 4.)

§ 1362 Public hearing and right of appeal.

(a) The Commissioner may not cancel or suspend a license, or fine a licensee, before both of the following occur:

(2) The ground for canceling or suspending a license is established by clear and convincing evidence.

(b) The Commissioner shall keep a full and complete record of all proceedings incident to a hearing under subsection (a) of this section. The Commissioner shall record all testimony at such hearing, but need not have it transcribed unless an order of the Commissioner is appealed to the Superior Court under subsection (c) of this section.

(c) An order of the Commissioner relative to suspension or cancellation of a license, or fining a licensee, becomes final 10 days after the licensee receives notice thereof, unless, within 10 days of the date of the postmark on the Commissioner's decision, a written appeal is filed in the Superior Court. No bond may be required for filing such appeal.

The Commissioner shall certify and file with the court all documents and papers and a transcript of all testimony taken in the matter, together with the Commissioner's findings therein as soon as practicable but in no event later than 20 calendar days from the date of service of the appeal. The Superior Court's review of an appeal shall be on the record and the Superior Court shall take into account the experience and specialized competence of the Commissioner and the purpose under which the Commissioner acted. Further, the Superior Court's review, in the absence of fraud, shall be limited to whether the Commissioner's decision is supported by substantial evidence on the record and is free from legal error.

(e) An appeal without bond may be taken from the decision of the Superior Court to the Supreme Court in the same manner as is provided in civil cases. Upon the final determination of judicial proceedings, the Commissioner shall enter an order in accordance with such determination, or shall take such further or other action as the Court may order. A petition for Supreme Court review shall act as a supersedeas.

(84 Del. Laws, c. 24, § 4.)

§ 1363 Effect of cancellation or surrender of license; notice.

(a) The cancellation or acceptance of a surrender of a license entails the loss of the privilege conferred by the license and entails the acceptance of or the seizure by the Commissioner of any marijuana or marijuana products found in the possession of the licensee, except those which occur solely by reason of the death of the licensee.

(b) Notice of the order of the cancellation or acceptance of the surrender of a license may be served by an officer designated by the Commissioner: by affixing a duplicate thereof to the outside of the entrance door of the licensed premises; by leaving a duplicate with the holder of the license, or with any member of the family of the holder over the age of 18 years at the residence of the holder; or otherwise as in the judgment of the Commissioner will give notice of such cancellation or acceptance of the surrender. All cancellations or acceptances of surrender of a license take effect as soon as the order is served.

(c) The cancellation or acceptance of surrender of a license does not prevent the filing of any criminal proceedings for any offense against the licensee while the license was in force. No conviction obtained for any offense prevents the Commissioner from cancelling a license or from making at the same time a seizure of marijuana or marijuana products as provided in this title.

(d) The Commissioner shall adopt regulations for seizure of marijuana and marijuana products that preserves and does not destroy the marijuana or marijuana products.

(84 Del. Laws, c. 24, § 4.)

In addition, the Commissioner shall remit to the former licensee the amount originally received by the Commissioner from the former licensee in payment for such marijuana or marijuana products accepted or seized as remains in packages sealed by the Commissioner, after paying or deducting therefrom all reasonable costs and expenses incurred by the Commissioner by reason of the acceptance or seizure of the marijuana or marijuana products of the former licensee. When other legally-acquired marijuana or marijuana products have been accepted or seized under this section, the fair market value thereof as determined by the Commissioner must be remitted by the Commissioner to the former licensee, after paying or

deducting therefrom all reasonable costs and expenses incurred by the Commissioner by reason of the acceptance or seizure of the marijuana or marijuana products of the former licensee. No payment may be made for illegally-acquired marijuana or marijuana products that have been seized under this section.

(84 Del. Laws, c. 24, § 4.)

Subchapter VI

Transfer of License; Death of Licensee

§ 1366 Transfer of license.

(a) The rights conferred by a license may be transferred by the Commissioner to any representative designated by the person to whom or on behalf of whom the license was originally granted, if such representative is a person approved by the Commissioner. In the case of death of a licensee, the Commissioner may transfer the license to a qualified person recommended by the executor or administrator of the estate of the deceased licensee.

(b) In instances where the Commissioner has approved the transfer of a license, all matters concerning marijuana inventories must be handled directly between the transferor and the transferee and all payments must be made directly and not through the Commissioner.

(c) A social equity or microbusiness license may not be transferred to a person who would not meet the criteria for the issuance of an original social equity or microbusiness license.

(84 Del. Laws, c. 24, § 4.)

§ 1367 Death of licensee; payments to licensee's estate.

If any licensee dies and no application is made for transfer of the license, or the Commissioner refuses to permit the transfer of the license to another person, the Commissioner shall return to the legal representative of such deceased licensee a share of the license fee received by the Department proportionate to the number of full calendar months of the unexpired term. If the marijuana or marijuana products in possession of the licensee at the time of the licensee's death are delivered to the Commissioner and the Commissioner ascertains that such marijuana or marijuana products have been received by the deceased licensee according to law, the Commissioner must pay to the legal representative the amount originally received by the Commissioner for such marijuana or marijuana products less 10% thereof, or the appraised value less 10% thereof.
