- (2) Violation of a law, rule or regulation relating to the supervision of such institution or company;
- (3) Violation of any written agreement entered into with the Commissioner;

the Commissioner shall have the power and authority to issue and serve an order upon such institution or company requiring the institution or company to cease and desist from such violation or practice.

(b) Where, in the opinion of the Commissioner, extraordinary circumstances make such action necessary and appropriate for the protection of depositors, shareholders or the public, the Commissioner may, by order, restrict the withdrawal of funds from 1 or more financial institutions or financial companies.

(c) Such order may require the officers or directors of the institution or company to take affirmative action to correct any violation or practice.

(d) A cease and desist order issued pursuant to this section shall include a statement of the facts upon which the order is based, and

specific activities which the financial institution or financial company must cease, the affirmative acts required of the financial institution or financial company and the effective date of the order. A cease and desist order may be served by any member of the State Bank Commissioner's office who is designated by the Commissioner. (f) Whenever, in the opinion of the Commissioner, the violation or practice set forth in subsection (a) of this section represents an immediate danger or substantial harm to the interests of depositors or shareholders or the public, or where such violation or practice, or the continuation thereof, is likely to cause insolvency or substantial dissipation of the assets or earnings of the institution, the Commissioner may issue a cease and desist order pursuant to subsection (a) of this section which shall become effective upon service thereof, without prior notice or hearing. Upon the application of an interested party, the Commissioner shall afford an opportunity for a hearing to consider rescission of any order issued pursuant to this subsection and any action taken promptly thereafter.

(g) As used in this section, "financial company" and "company" mean any person transacting, conducting or engaged in any business or activity that is subject to licensing, regulation or supervision under this title.

(61 Del. Laws, c. 544, § 2; 71 Del. Laws, c. 19, § 7; 73 Del. Laws, c. 247, § 1; 84 Del. Laws, c. 42, § 54.)

§ 137 Removal of officer or director.

The Commissioner shall have the power to remove any officer or director of a bank, trust company, building and loan association or building and industrial development corporation subject to supervision by the Commissioner and also to prohibit such person from further participation in any manner in the conduct of the affairs of any financial institution, in accordance with the procedures and subject to the conditions and limitations set forth in this section.

(1) The Commissioner may serve written notice of intent to remove an officer or director from office or to prohibit the officer's or director's further participation in any manner in the conduct of the affairs of any financial institution if, in the opinion of the Commissioner, such officer or director has:

- a. Violated a law, rule, regulation or cease and desist order which has become final;
- b. Engaged in or participated in any unsafe or unsound practice; or
- c. Committed or engaged in any act, omission or practice which constitutes a breach of the officer's or director's fiduciary duties as such officer or director;

and the Commissioner determines that as a result of such action by the officer or director the financial institution has suffered or probably will suffer substantial financial loss or other damage, or that the interests of depositors or shareholders could be seriously prejudiced by reason of such violation, practice or breach of fiduciary duty; provided, however, that such violation, practice or breach of fiduciary duty must be found by the Commissioner to be 1 involving personal dishonesty on the part of such officer or director. The Commissioner may serve written notice of intent to remove an officer or director from office or to prohibit the officer's or director's further participation in any manner in the conduct of the affairs of any financial institution if, in the opinion of the Commissioner, such officer or director has, by conduct with respect to any other business entity which resulted, or is likely to result, in substantial financial loss or other damage, evidenced such officer's or director's personal dishonesty and unfitness to continue as an officer or director.

(2) The written notice required by paragraph (1) of this section shall set forth the following:

- a. A statement of the facts upon which such removal or prohibition is based;
- b. The time and place at which a hearing shall be held thereon, which date shall be not less than 30 nor more than 60 days after the service of the notice, unless such officer or director shall request an earlier or later hearing for good cause. The Commissioner shall serve written notice, in accordance with Chapter 101 of Title 29, upon the officer or director involved and copies of such notice shall be served upon the financial institution of which such person is an officer or director or in the conduct of whose affairs such person has participated.

(3) If the Commissioner deems it necessary for the protection of the institution or the interests of its depositors or shareholders, such written notice may suspend the officer or director from office or prohibit such person from further participation in any manner in the conduct of the affairs of any financial institution.

(4) Any officer or director adversely affected by a suspension or prohibition contained in a written notice pursuant to paragraph (3) of this section may apply to the Court of Chancery in the county where the financial institution of which such person is an officer or director has its main office for a stay of such suspension or prohibition pending completion of administrative proceedings required under this section. Such court shall have jurisdiction to stay such suspension or prohibition.

(5) The Commissioner shall hold a hearing at the time and place specified by the notice required under paragraph (2) of this section. Unless the officer or director affected shall appear at such hearing, the officer or director shall be deemed to have consented to the issuance of an order for the officer's or director's removal or prohibition. In the event of consent, or if upon the record made at any such hearing the Commissioner shall find that any of the grounds specified in the notice have been established, the Commissioner may issue such orders of suspension or removal from office or prohibition from participation in the conduct of the affairs of any financial institution as the Commissioner may deem appropriate. Notwithstanding any provision to the contrary such orders shall be issued not later than 30 days after the close of the hearing, if any, held pursuant to this section.

(6) Any order issued pursuant to paragraph (5) of this section shall become effective at the expiration of 30 days after service upon the officer or director and the financial institution concerned; provided, however, that an order issued upon consent shall become effective within the time specified therein. In either event, such order shall remain effective and enforceable except to the extent it is stayed, modified, terminated or set aside by action of the Commissioner or a court of competent jurisdiction.

(7) The Commissioner may issue written notice of a suspension or prohibition pursuant to paragraphs (2) and (5) of this section to any officer or director charged in any information, complaint or indictment with commission of or participation in a felony involving dishonesty or breach of trust, pursuant to laws of the State or of the United States. Such suspension or prohibition shall remain in effect until terminated by the Commissioner or until final disposition of such information, complaint or indictment. When a judgment of conviction with respect to such offense is entered against an officer or director, and such judgment is not subject to further appellate review, the Commissioner may issue and serve upon such officer or director an order removing the officer or director from office or prohibiting that officer or director from further participation in the conduct of the affairs of any financial institution except with the written consent of the Commissioner. Such order shall become effective on service upon the officer or director and the financial institution. A finding of not guilty or other disposition of the charge in this subdivision shall not preclude the Commissioner from instituting proceedings pursuant to this section on the grounds set forth in paragraph (1) of this section.

(61 Del. Laws, c. 544, § 3; 70 Del. Laws, c. 186, § 1; 72 Del. Laws, c. 15, § 5; 73 Del. Laws, c. 247, § 2; 84 Del. Laws, c. 42, §§ 1, 55.)

A nonpublic hearing shall be identical in all respects to a public hearing; provided, however, that the notice of hearing, the transcript, the proposed findings and conclusions of the Commissioner, the findings and conclusions of the Commissioner and other papers which are filed in connection with any hearing shall not be made public.

(61 Del. Laws, c. 544, § 4; 68 Del. Laws, c. 303, § 7.)

(1) Any person aggrieved and directly affected by an order of the Commissioner issued pursuant to §§ 136 and 137 of this title may appeal to the Court of Chancery within 30 days after the issuance of such order;

(2) The filing of an appeal shall not stay the enforcement of an order, but the Court may order a stay on such terms as it deems proper;

(3) The Court may affirm, modify, terminate or set aside, in whole or in part, the order of the Commissioner if such order was issued pursuant to an invalid statute or regulation, in excess of statutory authority or if such order was not supported by substantial evidence in the record;

(4) The judgment and decrees of the Court shall be final, except that it shall be subject to review by the Supreme Court.

(b) No person shall be subjected to any civil or criminal liability for any act or omission to act in good faith in reliance upon a subsisting order, regulation or definition of the Commissioner, notwithstanding a subsequent decision by any court invalidating the order, regulation or definition.

(61 Del. Laws, c. 544, § 5.)

§ 140 Notice to federal authorities.

In connection with any proceeding under this chapter involving a financial institution under the concurrent supervision of a federal agency and the Commissioner, the Commissioner shall provide the appropriate federal agency with notice of any such proceedings and the grounds therefor. Such proceeding may then be continued jointly or by either the federal agency or the Commissioner. Failure of the Commissioner to give such notice shall not constitute a ground for attacking the validity of the order.

(61 Del. Laws, c. 544, § 6.)

§ 141 Retention of financial institution records.

(a) All records of financial institutions and of federally chartered financial institutions, insofar as this section does not contravene paramount federal law, shall be retained for such minimum periods as the Commissioner may prescribe.

(b) The Commissioner shall from time to time issue regulations classifying all records kept by these institutions and prescribing the minimum period for which these records shall be retained. The periods may be permanent or for a lesser term. Such regulations may be

amended or repealed from time to time. The regulations shall be promulgated as provided for in Chapter 101 of Title 29.

(c) In issuing the regulations required by subsection (b) of this section, the Commissioner shall consider:

- (2) State and federal statutes of limitation applicable to such proceedings;
- (3) Availability of information from other sources; and

(4) Such other matters as the Commissioner shall deem pertinent in order that the regulations will require retention of records for such reasonable period as is commensurate with the interests of customers, depositors, stockholders and the peoples of the State in having such records available.

(d) The Commissioner shall additionally prescribe the substitution of reproductions for the originals to cover the periods for which such records shall be retained.

(e) Institutions may at their option dispose of any record which has been retained for the minimum period prescribed by the Commissioner.

(61 Del. Laws, c. 360, § 1.)

§ 142 Subpoena powers.

The Commissioner's authority to subpoena witnesses and documents outside the State shall exist to the maximum extent permissible under federal constitutional law.

(68 Del. Laws, c. 303, § 8.)

- a. Issue a notice of violation; and
- b. Require the violator to take affirmative action to correct the violation.

(2) If a violator fails to take the affirmative action required under subparagraph (1)b. of this subsection, the Commissioner may impose a civil penalty in an amount that is appropriate in view of the facts and circumstances surrounding the violation for each violation from which the violator failed to cease and desist or for which the violator failed to take affirmative action to correct.

(b) In determining the amount of the financial penalty to be imposed under subsection (a) of this section, the Commissioner shall consider the following:

(c) In no event shall the penalty exceed \$50,000 per violation.

(d) Notice of a civil penalty imposed pursuant to this section shall include a statement of facts upon which the civil penalty is based. A notice of civil penalty may be served by any member of the Commissioner's office who is designated by the Commissioner. Service may be effected by hand delivering the notice of civil penalty to the financial institution or financial company at its principal place of business in this State during normal working hours or, with respect to a financial institution or financial company that does not maintain a place of business in this State, by hand delivering the notice of civil penalty to the registered agent in this State (or, if there is none, the Secretary of State, as provided in Title 8) and, within 7 days of such delivery, depositing in the United States mails, by registered mail, postage prepaid, a true and attested copy of the notice, together with a statement that service is being made pursuant to this section, addressed to such financial institution or financial company at its address as the same appears on the records in the Commissioner's office.

At the conclusion of such hearing, the Commissioner may affirm the civil penalty as originally issued, or the Commissioner may modify, amend or rescind such civil penalty.

§ 163 Disapproval of an application.

The Commissioner may disapprove any proposed acquisition if:

(2) The effect of the proposed acquisition of control in Delaware may be substantially to lessen competition or to tend to create a monopoly or the proposed acquisition of control would in any manner be in restraint of trade and the anticompetitive effects of the proposed acquisition of control are not clearly outweighed in the public interest by the probable effect of the transaction in meeting the convenience and needs of the community to be served;

(3) The financial condition of any acquiring person is such as might jeopardize the financial stability of the bank or prejudice the interest of the depositors of the bank;

(4) The competence, experience or integrity of any acquiring person or of any of the proposed management personnel indicates that it would not be in the interest of the depositors of the bank or in the interest of the public to permit such person to control the bank; or

The Commissioner shall have authority to assess such a civil penalty, after giving notice and an opportunity to the person to submit data, views and arguments, and after giving due consideration to the appropriateness, the penalty with respect to the size of the financial resources and good faith of the person charged, the gravity of the violation, and any data, views and arguments submitted. The Bank Commissioner may collect such civil penalty by agreement with the person or by bringing an action in the Court of Chancery, except that in any such action, the person against whom the penalty has been assessed shall have a right of trial de novo.

(66 Del. Laws, c. 24, § 1.)

For purposes of this subchapter, the following words and phrases shall have the meanings ascribed to them herein:

(1) "Control" means the power, directly or indirectly, to direct the management or policies of a Delaware chartered bank or trust company or to vote 25 percent or more of any class of voting securities of such bank or trust company. For purposes of this subchapter, the acquisition of 10 percent or more of the voting stock of a Delaware chartered bank or trust company shall be presumed to constitute control if such institution has any class of voting securities registered under § 12 of the Securities Exchange Act of 1934 [15 U.S.C. § 781] or if immediately after the transaction no other person will own an aggregate proportion of the class of voting securities.

(2) "Delaware chartered bank or trust company" includes any Delaware bank holding company or Delaware savings and loan holding company.

(66 Del. Laws, c. 24, § 1; 69 Del. Laws, c. 165, §§ 10, 11; 71 Del. Laws, c. 25, § 5.)

§ 168 Exceptions; authority for emergency acquisitions.

(a) This subchapter shall not apply to the formation of new banks and trust companies, the merger of existing banks or trust companies or to the formation of bank holding companies or savings and loan holding companies or the acquisition by bank holding companies or savings and loan holding companies of Delaware banks and trust companies which otherwise require application to and approval by the Commissioner.

(b) Notwithstanding any other provision of this title, the Commissioner may approve the change of control of any Delaware chartered bank or trust company upon determining that the Delaware chartered bank or trust company is in default or in danger of default; provided, however, that the Delaware chartered bank or trust company has not been caused to be in default or in danger of default for the specific purpose of engaging in a change of control transaction pursuant to this subsection. For purposes of this subsection, the term "in danger of default" with respect to a Delaware chartered bank or trust company means that in the opinion of the Commissioner, the Delaware chartered bank or trust company is not likely to be able to meet the demands of its depositors or pay its obligations in the normal course of business and there is no reasonable prospect that it will be able to meet such demands or pay such obligations without assistance, or the Delaware chartered bank or trust company has incurred or is likely to incur losses that will deplete all or substantially all of its capital and there is no reasonable prospect that its capital will be replenished without assistance.

The provisions of this title shall apply to such examinations.

(b) The Commissioner may require periodic reports regarding any out-of-state state bank that maintains a branch office in this State and from any bank holding company or savings and loan holding company that controls such out-of-state state bank, for the purpose of ensuring continuing compliance with the provisions of this title. Such reports shall be provided by such out-of-state state bank or by the regulatory authority having primary responsibility for such out-of-state state bank.

(c) The Commissioner may enter into cooperative agreements with the appropriate regulatory authorities for the periodic examination of any branch office in this State of an out-of-state state bank or of any branch office in another state of a Delaware state bank, and may accept reports of examination and other records from such authorities in lieu of conducting the Commissioner's own examination. The Commissioner may enter into joint actions with other regulatory authorities with respect to such branch offices or may take such actions independently to carry out the Commissioner's responsibilities to assure the safety and soundness of any bank or branch office in this State and to assure compliance with applicable Delaware banking laws.

(d) Each out-of-state state bank that maintains one or more branch offices in this State may be assessed and, if assessed, shall pay supervisory and examination fees in accordance with the laws of this State and regulations of the Commissioner.

§ 795K Enforcement.

If the Commissioner determines that a branch office maintained by an out-of-state state bank in this State is being operated in violation of any provision of the laws of this State, or that such branch office is being operated in an unsafe and unsound manner, the Commissioner shall have the authority to take all such enforcement actions as if the branch office were a Delaware state bank.

(70 Del. Laws, c. 112, § 15.)

§ 795L Regulations.

The Commissioner may promulgate regulations to carry out the Commissioner's responsibilities under this subchapter.

(70 Del. Laws, c. 112, § 15; 70 Del. Laws, c. 186, § 1.)

An out-of-state state bank that maintains a branch office in this State established pursuant to this subchapter shall give at least 30 days prior written notice (or, in the case of an emergency transaction, such shorter notice as is consistent with applicable state and federal law) to the Commissioner of any merger or other transaction that would cause a change of control with respect to such out-of-state state bank or any bank holding company that controls such bank, with the result that an application would be required to be filed pursuant to the Change in Bank Control Act of 1978, as amended, 12 U.S.C. § 1817(j), or the Bank Holding Company Act of 1956, as amended, 12 U.S.C. § 1841 et seq., or any successor statutes thereto.

(70 Del. Laws, c. 112, § 15.)

§ 795N Other mergers or consolidations with out-of-state banks not permitted.

Except as otherwise provided in this subchapter or by applicable law of the United States, no Delaware bank may merge with or into any out-of-state bank and retain any branch office in this State or otherwise continue to conduct a banking business in this State.

The Commissioner shall give appropriate notice to the public of each approval, by regulation or order, of any proposed service pursuant to this subsection (c).

(d) Any proposed service subject to subsection (c) shall be deemed approved if the Commissioner takes no action on the notice required by subsection (b) within the time limits specified in subsection (c).

(f) The Commissioner may order a bank or any other institution subject to the Commissioner’s enforcement powers to cease acting as an agent or principal under any agency agreement that the Commissioner finds to be inconsistent with safe and sound banking practices.

- b. Such equity interest together with any equity interest previously obtained and still held by the State aggregates not less than 25% of the voting rights of all holders of stock or other voting rights.

(2) “Bank” means a bank or trust company existing under the laws of the State, or a national banking association existing under the National Bank Act, as amended (12 U.S.C. § 21 et seq.), whose main office is in this State.

The General Assembly of the State hereby finds that it is in the interest of the State that the State have the ability to divest its interest in a state assisted bank to an out-of-state bank holding company, and that such ability does not exist unless legislation of the State, as presently required under § 3(d) of the federal Bank Holding Company Act of 1956, as amended (12 U.S.C. § 1842(d)), permits out-of-state bank holding companies or their subsidiaries to acquire a state assisted bank.

Such acquisition, retention and holding of voting shares of, interest in, or all or substantially all of the assets of a state assisted bank shall not be construed to limit in any manner the franchise powers or privileges of such bank to conduct its business; provided, however, that this section does not authorize: (1) The establishment in this State of branch offices of a banking subsidiary of an out-of-state bank holding company making an acquisition pursuant to this section if such banking subsidiary does not have its principal place of business in this State; or (2) the acquisition by a bank acquired pursuant to this section of a bank engaged in business in this State (other than one organized under subchapter I of this chapter) by merger, consolidation or purchase of all or substantially all of its assets, or more than 10% of its voting shares. Such application shall designate a resident of this State as applicant's agent for the service of any paper, notice or legal process upon the applicant in connection with matters arising out of this subchapter. The Commissioner may shorten or modify the normal application procedures required for any acquisition authorized by this subchapter where the circumstances involving the state assisted bank indicate that delay in approving the acquisition may be detrimental to such bank.

(c) In determining whether to approve an acquisition by an out-of-state bank holding company or any subsidiary thereof pursuant to this subchapter, the Commissioner shall consider:

- (1) The financial and managerial resources of the out-of-state bank holding company or its subsidiary;
 - (2) The future prospects of the out-of-state bank holding company and the state assisted bank or its subsidiary whose assets, interest in or shares it will acquire;
 - (3) The financial history of the out-of-state bank holding company or its subsidiary;
 - (4) Whether such acquisition or holding may result in undue concentration of resources or substantial lessening of competition in this State;
 - (5) The convenience and needs of the public of this State; and
 - (6) Whether such acquisition or holding will strengthen the financial condition of the state assisted bank.
- (63 Del. Laws, c. 186, § 6; 70 Del. Laws, c. 186, § 1.)

§ 825 Required reports.

An out-of-state bank holding company that directly or indirectly through any subsidiary acquires, retains and holds voting stock of a bank pursuant to this subchapter shall file with the Commissioner upon the Commissioner's request either: (1) Copies of all regular and periodic reports which such bank holding company is required to file under § 13 or § 15(d) of the Securities Exchange Act of 1934, as amended [15 U.S.C. § 78m or § 78o(d)], but excluding any portions not available to the public; or (2) In the case of a bank holding company which is not required to file such reports, such periodic reports as the Commissioner may require by regulation.

(63 Del. Laws, c. 186, § 6; 70 Del. Laws, c. 112, § 27.)

As part of such determination, but not by way of limitation, the Commissioner shall consider the following criteria:

(1) Whether the acquisition will, based upon the managerial and financial resources, financial history and business plan of the applicant, adversely affect the safe and sound operation of the bank or any other bank located in this State which is owned or controlled by the bank holding company;

(2) Whether the acquisition will adversely affect the quantity or quality of banking services available to 1 or more communities served by the bank prior to the acquisition;

(3) Whether, as a result of a prior or simultaneous acquisition of another bank, the acquisition of the bank will result in an undue concentration of resources or a substantial lessening of competition in this State; and

(4) Whether the acquisition will foster economic development and the financing of business enterprises to the end that employment opportunities will either be increased or, where there is a prospect for a reduction, retained.

(c) In conjunction with the approval of any application filed under this section, the Commissioner may require as a condition of such approval that the out-of-state bank holding company enter into a cooperative agreement binding it to such special terms and conditions regarding its operations and its maintenance and preservation of the capital and assets in Delaware of the bank as the Commissioner shall deem to be necessary to assure that the acquisition serves the public convenience and advantage.

(66 Del. Laws, c. 32, § 1; 68 Del. Laws, c. 303, § 18; 70 Del. Laws, c. 112, §§ 35-37.)

(4) Prior to approving the acquisition of the bank or bank holding company located in Delaware by an out-of-state bank holding company, the Commissioner may enter into cooperative agreements with the appropriate regulatory authorities for the periodic examination of any out-of-state bank holding company that has a bank subsidiary or bank holding company located in Delaware or any subsidiary of such holding company, and may accept reports of examination and other records from such authorities in lieu of conducting the Commissioner's own examination. The Commissioner may enter into joint actions with other regulatory authorities having concurrent jurisdiction over any out-of-state bank holding company that owns or controls a bank or bank holding company subsidiary or may take such actions independently to carry out the responsibilities under this subchapter to assure the safety and soundness of any bank and to assure compliance with this subchapter and applicable Delaware banking laws.

The procedure governing such divestiture, and the authority of the Commissioner to enforce an order directing the same, shall be the same as provided in § 807(b)—(d) of this title.

(2) Such reserves shall consist of cash in the possession of the bank or of net balances payable on demand with banking institutions within or without the State which have been approved in writing as reserve depositories by the State Bank Commissioner or 50% of such required reserves may be maintained in unencumbered obligations of or guaranteed by the United States or any agency or instrumentality thereof including, without limitation, obligations of the Federal National Mortgage Association, the Federal Home Loan Mortgage Corporation and public housing authorities, or obligations of the State or its municipalities, subdivisions, agencies or instrumentalities and having a like market value.

(c) Whenever the State Bank Commissioner determines that the maintenance of sound banking practices or the prevention of injurious credit expansion or contraction makes such action advisable, the Commissioner may, by general regulation, change, from time to time, the requirements as to reserves against demand or time deposits, or both, in banking institutions doing business in this State which are not members of the Federal Reserve System. The reserves so specified shall be not less than the statutory requirement, nor greater than those requirements of the Federal Reserve Bank in this district applicable to member banks in this State. Reserves maintained under federal statute by state chartered nonmember banks shall satisfy the reserve requirements of this section.

(d) No money held in a fiduciary capacity whether as executor, administrator, guardian, trustee or otherwise, which is on deposit with other banking institutions, shall be carried or counted as a part of the required reserves in any bank or trust company, exclusive of Federal Reserve Member Banks, unless it shall first set aside, earmarked for the trust department, obligations of or guaranteed by the United States or any agency or instrumentality thereof including, without limitation, obligations of the Federal National Mortgage Association, the Federal Home Loan Mortgage Corporation and public housing authorities or obligations of the State, its municipalities, subdivisions, agencies or instrumentalities having a maturity of not more than 5 years from the date of earmarking for the trust department and having a current market value of at least 110 percent of the amount on deposit.

(e) If the reserve of any corporation comprehended by this section shall be less than prescribed by general regulations issued by the State Bank Commissioner, the corporation shall not make any new loans or discounts, other than discounting bills of exchange payable on sight, nor shall the corporation declare or pay any dividends until the full amount of its reserve shall have been restored. Upon failure of any corporation to make good its reserve within 30 days after notice from the State Bank Commissioner, the Commissioner may treat such corporation as in an unsound condition and may proceed against it accordingly.

(f) For purposes of subsection (b) of this section, "deposits" as they relate to activities of international banking facilities shall not be included in the terms "demand deposits" or "time deposits" as such terms are defined in subsection (a) of this section.

(32 Del. Laws, c. 103, § 10; Code 1935, § 2298; 43 Del. Laws, c. 139, § 1; 44 Del. Laws, c. 130, § 1; 45 Del. Laws, c. 163, § 1; 5 Del. C. 1953, § 907; 61 Del. Laws, c. 96, §§ 1-3; 62 Del. Laws, c. 248, § 1; 64 Del. Laws, c. 43, § 3; 69 Del. Laws, c. 165, § 19; 84 Del. Laws, c. 42, § 60.)

The assets of any bank or trust company shall be liable for and applicable to the payment and satisfaction of the liabilities, obligations and expenses of such bank or trust company only, and not to those liabilities, obligations and expenses of any insurance department or division of such bank or trust company established pursuant to § 767(a) or § 1662(b)(1) of this title. The liabilities, obligations and expenses of any such bank or trust company shall be applied against and paid and satisfied out of the assets of such bank or trust company only, and not out of the assets of any insurance department or division of such bank or trust company established pursuant to § 767(a) or § 1662(b)(1) of this title.

(1) Fifteen percent, if the loan be without collateral security. Nothing herein contained shall prohibit the taking or receiving of any kind, character or amount of security whatsoever, either real or personal, for the protection of any loan made under this paragraph, but no such loan or any part thereof shall be considered or construed as a secured loan within the meaning of this paragraph unless the whole thereof has collateral security worth at least 15 percent more than the amount of such loan; or

(2) Ten percent (in addition to the amount that may be loaned under paragraph (1) of this subsection) upon collateral security worth at least 15 percent more than the amount of such loan so secured; provided, the aggregate amount which can be loaned under paragraph (1) of this subsection and this paragraph to any 1 person, firm, association or corporation shall not exceed 25 percent of the lender's total capital; and provided further that no loan which is without collateral security shall be combined or blended with a loan which has collateral security, but the 2 classes of loans shall be kept separate and independent and each shall be represented by a separate evidence of indebtedness; or

(3) Twenty-five percent upon collateral security worth at least 15 percent more than the amount of the loans so secured. When loans so secured are made to this amount, then no loans not so secured shall be permitted in addition to such secured loans, except as set forth in subsection (b) below.

(b) None of the limitations or restrictions contained in subsection (a) of this section shall apply to:

(1) Loans, discounts or other extensions of credit secured by bonds or other obligations of the United States (defined to include any Federal Reserve bank or any department, bureau, board, agency, instrumentality, commission or establishment of the United States including any corporation wholly owned directly or indirectly by the United States) or of this State (defined to include any department, bureau, board, agency, instrumentality, commission or establishment of this State, including any corporation wholly owned directly or indirectly by this State);

(9) Loans and extensions of credit secured by bills of lading, warehouse receipts or similar documents transferring or securing title to readily marketable staples which shall be subject to a limitation of 35 percent of such total capital, if the market value of the staples securing each additional loan or extension of credit at all times equals or exceeds 15 percent more than the outstanding amount of such loan or extension of credit;

(10) The acceptance of a draft eligible for discount by a Federal Reserve bank drawn on the bank or the issue or confirmation of time letters of credit calling for the creation of such acceptances, which shall be subject to a loan limitation of 10 percent of such total capital, unless, with respect to that part in excess of 10 percent of such total capital, the institution is secured either by attached documents or by some other actual security growing out of the same transaction as the acceptance; and

(11) Any provisional debit, loan or extension of credit made by the lending bank or trust company to the demand deposit account of a

customer of the lending bank or trust company in the course of settling overlimit checks drawn on such demand deposit account, provided that any such debit, loan or extension of credit is revocable at will by the lending bank or trust company as of the close of business the banking day next following the settlement of such checks, and provided further that any such debit, loan or extension of credit is funded by the customer within such time period.

(c) In computing loans to each of the following types of borrower, the loans shall be computed for such type of borrower only on the basis set forth in the applicable subparagraph below designated for such type of borrower and not with reference to either of the other subparagraphs:

(1) In computing loans to any individual person under this section, there shall be included all loans or extensions of credit by the lending corporation to:

(1) Except as otherwise provided by the respective banking organization’s agreements, rules or regulations, the trust can be revoked, terminated or modified in whole or in part by any depositor during the depositor’s lifetime by means of, and to the extent of, partial or total withdrawals from or charges against the trust account made or authorized by the depositor or by a writing, other than a will or other similar testamentary disposition, received by the banking organization wherein the account is maintained during the lifetime of the depositor.

(2) The trust account cannot be revoked, terminated or modified in whole or in part by any depositor by will or other similar testamentary disposition.

(a) Except as otherwise provided in this section, in the case of any extension of credit by the bank or trust company engaged directly or indirectly in activities first authorized under § 761(a)(14) or § 1661(a)(14) of this title to an individual borrower in connection with which insurance is obtained from such bank or trust company, or any subsidiary thereof engaged in activities first authorized under § 761(a)(14) or § 1661(a)(14) of this title, the individual borrower shall have the right to cancel the purchase of such insurance until midnight of the 30th calendar day following the consummation of the transaction or the delivery of the information and forms required under this section, whichever is later. Within the first 10 days, the individual borrower shall be entitled to an unconditional refund of the premium upon serving notice of cancellation as provided herein. The individual borrower shall effect such cancellation by notifying the bank or trust company or its subsidiary, in accordance with the regulations of the Commissioner, of an intention to do so. In accordance with the regulations of the Commissioner, the bank or trust company or its subsidiary shall:

(1) Clearly and conspicuously disclose to any individual borrower in a transaction subject to this section the rights of the individual borrower under this section; and

(2) Provide appropriate forms for the exercise by the individual borrower of this right to cancel any insurance subject to this section. Such forms shall contain a clear and specific statement setting forth:

(2) At the option of the individual borrower, refund the unearned portion of the premium to the borrower.

(c) When the insurance written in connection with an extension of credit is against loss of, or damage to, or against liability arising out of ownership or use of, property used as security for the extension of credit, the bank or trust company or its subsidiary may require evidence that the individual borrower has obtained other adequate insurance before exercising the right of cancellation set forth in this subsection. For reasonable cause, a bank or trust company on its subsidiary may refuse to accept an insurer offered by the individual borrower; provided, however, that a bank or trust company shall accept a policy of insurance issued by an authorized insurer offered by the individual borrower, so long as such insurer is not then impaired, insolvent, the subject of any rehabilitation or liquidation proceeding, or deemed by the Insurance Commissioner to be otherwise disqualified.

(d) Any individual borrower who has the right to cancel insurance under this section in connection with an obligation which has been assigned may cancel the insurance only by delivering to the assignee of the obligation the notice of cancellation required by this section. Delivery shall be considered made when mailed, or if sent by other means, when received by the assignee.

§ 930A Mandatory disclosure in bank insurance policies.

(a) Any bank or trust company issuing policies of insurance either directly or through a division or subsidiary, shall disclose or cause to be disclosed to all applicants for such policies and to all policyholders that such policies, if and when issued, are not direct liabilities of such bank or trust company, and that only the assets of the insurance division or subsidiary issuing such policy are applicable to the payment and satisfaction of such policies or claims made thereunder.

§ 931 Employee retirement pensions for savings banks and savings societies.

(a) Savings banks and savings societies, subject to the laws of this State, may, in the discretion of a majority of all the managers or governing board, retire any officer, clerk or other employee, who has served the savings bank or savings society for a period of 30 years or more, or who has served the savings bank or savings society for a period of 10 years or more and shall have become incapacitated, or who has served the savings bank or savings society for a period of 20 years or more and has attained the age of 60 years. Any person retired from service pursuant to this section may be paid an annual pension, in equal monthly installments. The maximum pension paid shall in no case exceed 60% of the average annual salary for the 3 years preceding retirement. The discretion of the managers or governing board as to the time of payments, the amount of payments, and the duration of payments, within the maximum amounts allowed under this section, shall at all times be absolute and final.

(b) For the purpose of establishing and maintaining a pension plan or a plan for carrying life insurance or providing other after death benefits for any of its officers, clerks or employees, or their estates or beneficiaries, or a plan combining these types of benefits, any such savings bank or savings society may, in the discretion of a majority of its board of managers or governing board, segregate or allocate funds from its income or other assets and pay the same into a trust fund. Any such institution establishing such trust fund may itself act as trustee or may have an independent trustee. Even though the ultimate benefits of the plan are paid out of such trust fund, or even though premiums for the coverage are paid out of such trust fund, rather than directly out of the savings institution's operating funds, unless the terms of the said trust are approved by the State Bank Commissioner as provided in this section, the limitations of years and percentage specified in the preceding paragraph shall remain applicable, and the only benefits payable shall be such as are authorized by the said paragraph. If the State Bank Commissioner shall determine that the said plan is not injurious to the institution or the security of its deposits, then such benefits as may be provided by said plan may be paid to officers, clerks or employees, or their estates or beneficiaries, in accordance with the terms of the plan, even though these terms may not be within the limitations of the preceding paragraph. If the plan has once been approved but is thereafter amended, the amendment shall be approved before any benefits are paid out under the amended plan.

If the persons, or their legal or natural guardians in the case of minor children or incompetents, to whom such notice was sent do not make written objections to the fiduciary of the account within 30 days of the date such notice was mailed, then the fiduciary may complete the transfer of the account.

(e) If a fiduciary completes a transfer as described in the preceding subsections, the banking organization or trust company to which such fiduciary accounts have been transferred shall automatically be substituted as a fiduciary of all the accounts so transferred without further action and without any order or decree of any court or public officer, and such transferee banking organization or trust company shall have all the rights, duties, responsibilities, obligations and liabilities, financial or otherwise, of such transferring fiduciary with respect to such accounts. Likewise, a fiduciary which completes a transfer of 1 or more accounts as described in the preceding subsections shall be removed as fiduciary of all such accounts without an accounting and without any order or decree of any court or public officer, and prospectively such fiduciary shall have no continuing duties, responsibilities, obligations or liabilities, financial or otherwise, with respect to the accounts so transferred. Such transfer shall not relieve a fiduciary of any liability it may have incurred for its action or inaction prior to the transfer.

(65 Del. Laws, c. 422, § 1; 80 Del. Laws, c. 90.)

b. The amounts of such purchases and loans are charged to the borrower's account under the revolving credit plan;

d. Interest may be charged and collected by the bank from time to time on the outstanding unpaid indebtedness under such plan.

(5) "Purchases" mean payments for property of whatever nature, real or personal, tangible or intangible, and payments for services, licenses, taxes, official fees, fines, private or governmental obligations, or any other thing of value.

(63 Del. Laws, c. 2, § 4; 65 Del. Laws, c. 444, § 3; 66 Del. Laws, c. 283, § 2; 71 Del. Laws, c. 19, § 44; 72 Del. Laws, c. 15, § 10.)

§ 942 Extension of credit.

Any bank may, subject to any limitations on lending authorities contained in its charter or otherwise imposed by law and subject to the other provisions of this subchapter, offer and extend credit under a revolving credit plan to a borrower and in connection therewith may charge and collect periodic interest, interest charges and other charges permitted by this subchapter and may take such security as collateral in connection therewith as may be acceptable to the bank. Without limitation of the foregoing, credit may be extended under a revolving credit plan by a bank's acquisition of obligations arising out of the honoring by a merchant, a bank or other financial institution (whether chartered or organized under the laws of this or any other state, the District of Columbia, the United States or any district, territory or possession of the United States, or any foreign country), or a government or governmental subdivision or agency of a credit device made available to a borrower under a plan, whether directly or indirectly by means of telephone, point of sale terminal, automated teller machine or other electronic or similar device or through the mails.

(63 Del. Laws, c. 2, § 4; 66 Del. Laws, c. 283, § 3.)

§ 943 Periodic interest.

A bank may charge and collect periodic interest under a revolving credit plan on outstanding unpaid indebtedness in the borrower's account under the plan at such daily, weekly, monthly, annual or other periodic percentage rate or rates as the agreement governing the plan provides or as established in the manner provided in the agreement governing the plan. Periodic interest may be calculated using an average daily balance, 2-cycle average daily balance, adjusted balance or previous balance method or using any other balance computation method provided for in the agreement governing the plan. Periodic billing cycles may be established in such manner and shall have such duration as may be specified in the agreement governing the plan.

(63 Del. Laws, c. 2, § 4; 66 Del. Laws, c. 283, §§ 4, 5; 71 Del. Laws, c. 19, § 45.)

§ 944 Variable rates.

If the agreement governing the revolving credit plan so provides, the periodic percentage rate or rates of interest under such plan may vary in accordance with a schedule or formula. Such periodic percentage rate or rates may vary from time to time as the rate determined in accordance with such schedule or formula varies and such periodic percentage rate or rates, as so varied, may be made applicable to all or any part of outstanding unpaid indebtedness under the plan on or after the first day of the billing cycle that contains the effective date of such variation including any such indebtedness arising out of purchases made or loans obtained prior to such variation in the periodic percentage rate or rates. Without limitation, a permissible schedule or formula hereunder may include provision in the agreement governing the plan for a change in the periodic percentage rate or rates of interest applicable to all or any part of outstanding unpaid indebtedness, whether by variation of the then applicable periodic percentage rate or rates of interest, variation of an index or margin or otherwise, contingent upon the happening of any event or circumstance specified in the plan, which event or circumstance may include the failure of the borrower to perform in accordance with the terms of the plan. Nothing herein precludes a bank from charging or reserving a right to charge, by discretion or otherwise, a rate lower than any maximum rate provided for in any schedule or formula.

(63 Del. Laws, c. 2, § 4; 68 Del. Laws, c. 303, § 21; 71 Del. Laws, c. 19, § 46; 77 Del. Laws, c. 279, § 1.)

§ 945 Interest charges.

(a) In addition to or in lieu of interest at a periodic percentage rate or rates as provided in §§ 943 and 944 of this title, a bank may, if the agreement governing the revolving credit plan so provides, charge and collect, as interest, in such manner or form as the plan may provide, 1 or more of the following:

(1) A daily, weekly, monthly, annual or other periodic charge in such amount or amounts as the agreement may provide for the privileges made available to the borrower under the plan;

(2) A transaction charge or charges in such amount or amounts as the agreement may provide for each separate purchase or loan under the plan;

(3) A minimum charge for each daily, weekly, monthly, annual or other scheduled billing period under the plan during any portion of which there is an outstanding unpaid indebtedness under the plan;

(4) Reasonable fees for services rendered or for reimbursement of expenses incurred in good faith by the bank or its agents in connection with the plan, or other reasonable fees incident to the application for and the opening, administration and termination of a plan including, without limitation, commitment, application and processing fees, official fees and taxes, costs incurred by reason of examination of title, inspection, appraisal, recording, mortgage satisfaction or other formal acts necessary or appropriate to the security for the plan, and filing fees;

(5) Returned payment charges or charges imposed for the return of a draft drawn on a revolving credit plan evidencing an extension of credit under such plan;

(6) Documentary evidence charges;

(7) Stop payment fees;

(8) Overlimit charges;

(9) Automated teller machine charges or similar electronic or interchange fees or charges;

(10) Prepayment charges authorized under subsection (b) of this section; and

(11) Subject to any limitations contained in this subchapter, such other fees and charges as are set forth in the agreement governing the plan.

(b) An individual borrower may pay the outstanding unpaid indebtedness charged to the borrower's account under a plan in full at any time. Except for a charge imposed to terminate a plan if the agreement governing the plan so provides, a bank may not impose any prepayment charge in connection with the payment of outstanding unpaid indebtedness in full by an individual borrower. A bank may charge and collect any prepayment penalty or charge specified in the agreement governing the plan in connection with the payoff and termination of a plan that is secured by a real estate mortgage. The terms of prepayment of the outstanding unpaid indebtedness relating to a revolving credit plan involving a borrower other than an individual borrower shall be as the bank and the borrower may agree.

(c) No charges assessed by a bank in accordance with this section shall be deemed void as a penalty or otherwise unenforceable under any statute or the common law.

(63 Del. Laws, c. 2, § 4; 66 Del. Laws, c. 283, §§ 6-8; 70 Del. Laws, c. 327, §§ 25, 26; 71 Del. Laws, c. 19, §§ 47, 48.)

§ 946 Terms for indebtedness.

A bank may, if the agreement governing a revolving credit plan so provides, impose different terms (including, without limitation, the terms governing the periodic percentage rate or rates used to calculate interest, the method of computing the outstanding unpaid indebtedness to which such rate or rates are applied, the amounts of other charges and the applicable installment repayment schedule) in respect to indebtedness arising out of purchases and indebtedness arising out of loans made under the plan.

(63 Del. Laws, c. 2, § 4.)

§ 947 Overdraft accounts.

If credit under a revolving credit plan is offered and extended in connection with a demand deposit account or other transaction account maintained by the borrower with the bank pursuant to an agreement or arrangement whereby the bank agrees to honor checks, drafts or other debits to such account, which if paid would create or increase a negative balance in such account, by making extensions of credit to such borrower under such revolving credit plan, any charges customarily imposed by the bank under the terms governing such demand deposit or other transaction account in the absence of any associated revolving credit plan (including, without limitation, check charges, monthly maintenance charges, checkbook charges, charges for checks drawn on funds in excess of an available line of credit and other similar charges) may continue to be imposed on such account without specific reference thereto or incorporation thereof by reference in the agreement governing the revolving credit plan and the amount of any such charge, to the extent the balance in such demand deposit or other transaction account is insufficient to pay such a charge, may be charged to the borrower's account under the plan as a loan thereunder and may be included in outstanding unpaid indebtedness in accordance with the terms of the agreement governing such revolving credit plan.

(63 Del. Laws, c. 2, § 4.)

§ 948 Omitted installments.

A bank may at any time and from time to time unilaterally extend to a borrower under a revolving credit plan the option of omitting monthly installments.

(63 Del. Laws, c. 2, § 4.)

§ 949 Insurance.

(a) A bank may request but not require an individual borrower to be insured in respect of a revolving credit plan under a life, health,

accident, health and accident or other credit or other permissible insurance policy, whether group or individual, and in the event that an individual borrower's outstanding unpaid indebtedness under the plan is secured by an interest in real or personal property, a bank may require the borrower to obtain insurance, from an insurer acceptable to the bank, against loss of or damage to such property, or against the liability arising out of the ownership or use of the property and may finance the premiums for such insurance.

(b) In the case of a borrower borrowing under a revolving credit plan for other than personal, household or family purposes, a bank may require the borrower to obtain insurance, from an insurer acceptable to the bank, under a life, health, accident, health and accident or other credit or other permissible insurance policy, whether group or individual, and in the event that the borrower's outstanding unpaid indebtedness under the plan is secured by an interest in real or personal property, the bank may require the borrower to obtain insurance, from an insurer acceptable to the bank, against loss of or damage to such property, or against the liability arising out of the ownership or use of the property and may finance the premiums for such insurance.

(c) The offer and placement of insurance under this section shall be subject in all respects to the applicable provisions of Title 18.

(63 Del. Laws, c. 2, § 4.)

§ 950 Delinquent installments.

(a) If the agreement governing a revolving credit plan so provides, a bank may impose, as interest, a late or delinquency charge upon any outstanding unpaid installment payments or portions thereof under the plan which are in default; provided however, that no more than 1 such late or delinquency charge may be imposed in respect of any single such installment payment or portion thereof, regardless of the period during which it remains in default; and provided further, however, that for the purpose only of the preceding proviso all payments by the borrower shall be deemed to be applied to satisfaction of installment payments in the order in which they become due. Nothing contained in this section shall limit, restrict or otherwise affect the right of a bank under and pursuant to §§ 943 and 944 of this title to change the periodic percentage rate or rates of interest applicable to the revolving credit plan between the bank and a borrower upon the occurrence of a delinquency or default or other failure of the borrower to perform in accordance with the terms of the plan.

(b) No charges assessed by a bank in accordance with this section shall be deemed void as a penalty or otherwise unenforceable under any statute or the common law.

(63 Del. Laws, c. 2, § 4; 66 Del. Laws, c. 283, § 9; 68 Del. Laws, c. 303, § 22; 70 Del. Laws, c. 327, § 27; 71 Del. Laws, c. 19, § 49.)

§ 951 Attorney's fees; costs.

In the event a borrower defaults under the terms of a plan, the bank may, if the borrower's account is referred to an attorney (not a regularly salaried employee of the bank) or to a third party for collection and if the agreement governing the revolving credit plan so provides, charge and collect from the borrower a reasonable attorney's fee. In addition, following a borrower's default, the bank may, if the agreement governing the plan so provides, recover from the borrower all court, alternative dispute resolution or other collection costs (including, without limitation, fees and charges of collection agencies) actually incurred by the bank.

(63 Del. Laws, c. 2, § 4; 66 Del. Laws, c. 283, § 10; 72 Del. Laws, c. 15, § 11.)

§ 952 Amendment of agreement.

(a) Unless the agreement governing a revolving credit plan otherwise provides, a bank may at any time and from time to time amend such agreement in any respect, whether or not the amendment or the subject of the amendment was originally contemplated or addressed by the parties or is integral to the relationship between the parties. Without limiting the foregoing, such amendment may change terms by the addition of new terms or by the deletion or modification of existing terms, whether relating to plan benefits or features, the rate or rates of periodic interest, the manner of calculating periodic interest or outstanding unpaid indebtedness, variable schedules or formulas, interest charges, fees, collateral requirements, methods for obtaining or repaying extensions of credit, attorney's fees, plan termination, the manner for amending the terms of the agreement, arbitration or other alternative dispute resolution mechanisms, or other matters of any kind whatsoever. Unless the agreement governing a revolving credit plan otherwise expressly provides, any amendment may, on and after the date upon which it becomes effective as to a particular borrower, apply to all then outstanding unpaid indebtedness in the borrower's account under the plan, including any such indebtedness that arose prior to the effective date of the amendment. An agreement governing a revolving credit plan may be amended pursuant to this section regardless of whether the plan is active or inactive or whether additional borrowings are available thereunder. Any amendment that does not increase the rate or rates of periodic interest charged by a bank to a borrower under § 943 or § 944 of this title may become effective as determined by the bank, subject to compliance by the bank with any applicable notice requirements under the Truth in Lending Act (15 U.S.C. §§ 1601 et seq.), and the regulations promulgated thereunder, as in effect from time to time. Any notice of an amendment sent by the bank may be included in the same envelope with a periodic statement or as part of the periodic statement or in other materials sent to the borrower.

(b) (1) If an amendment increases the rate or rates of periodic interest charged by a bank to a borrower under § 943 or § 944 of this title, the bank shall mail or deliver to the borrower, at least 15 days before the effective date of the amendment, a clear and conspicuous written notice that shall describe the amendment and shall also set forth the effective date thereof and any applicable information required to be disclosed pursuant to the following provisions of this section.

(2) Any amendment that increases the rate or rates of periodic interest charged by a bank to a borrower under § 943 or § 944 of this title may become effective as to a particular borrower if the borrower does not, within 15 days of the earlier of the mailing or delivery of the written notice of the amendment (or such longer period as may be established by the bank), furnish written notice to the bank that the

borrower does not agree to accept such amendment. The notice from the bank shall set forth the address to which a borrower may send notice of the borrower's election not to accept the amendment and shall include a statement that, absent the furnishing of notice to the bank of nonacceptance within the referenced 15 day (or longer) time period, the amendment will become effective and apply to such borrower. As a condition to the effectiveness of any notice that a borrower does not accept such amendment, the bank may require the borrower to return to it all credit devices. If, after 15 days from the mailing or delivery by the bank of a notice of an amendment (or such longer period as may have been established by the bank as referenced above), a borrower uses a plan by making a purchase or obtaining a loan, notwithstanding that the borrower has prior to such use furnished the bank notice that the borrower does not accept an amendment, the amendment may be deemed by the bank to have been accepted and may become effective as to the borrower as of the date that such amendment would have become effective but for the furnishing of notice by the borrower (or as of any later date selected by the bank).

(3) Any amendment that increases the rate or rates of periodic interest charged by a bank to a borrower under § 943 or § 944 of this title may, in lieu of the procedure referenced in paragraph (2) of this subsection, become effective as to a particular borrower if the borrower uses the plan after a date specified in the written notice of the amendment that is at least 15 days after the mailing or delivery of the notice (but that need not be the date the amendment becomes effective) by making a purchase or obtaining a loan; provided, that the notice from the bank includes a statement that the described usage after the referenced date will constitute the borrower's acceptance of the amendment.

(4) Any borrower who furnishes timely notice electing not to accept an amendment in accordance with the procedures referenced in paragraph (2) of this subsection and who does not subsequently use the plan, or who fails to use such borrower's plan as referenced in paragraph (3) of this subsection, shall be permitted to pay the outstanding unpaid indebtedness in such borrower's account under the plan in accordance with the rate or rates of periodic interest charged by a bank to a borrower under § 943 or § 944 of this title without giving effect to the amendment; provided however, that the bank may convert the borrower's account to a closed end credit account as governed by subchapter III of this chapter, on credit terms substantially similar to those set forth in the then-existing agreement governing the borrower's plan.

(5) Notwithstanding the other provisions of this subsection, no notice required by this subsection of an amendment of an agreement governing a revolving credit plan shall be required, and any amendment may become effective as of any date agreed upon between a bank and a borrower, with respect to any amendment that is agreed upon between the bank and the borrower, either orally or in writing.

(c) For purposes of this section, the following are examples of amendments that shall not be deemed to increase the rate or rates of periodic interest charged by a bank to a borrower under § 943 or § 944 of this title:

(1) A decrease or increase in the required number or amount of periodic installment payments;

(2) Any change to a plan that increases the rate or rates in effect immediately prior to the change by less than $\frac{1}{4}$ of 1 percentage point per annum; provided that a bank may not make more than one such change in reliance on this paragraph with respect to a plan within any 12-month period;

(3) a. A change in the schedule or formula used under a variable rate plan under § 944 of this title that varies the determination date of the applicable rate, the time period for which the applicable rate will apply or the effective date of any variation of the rate, or any other similar change, or

b. Any other change in the schedule or formula used under a variable rate plan under § 944 of this title; provided, that the initial interest rate that would result from any such change under this paragraph (3), as determined on the effective date of the change or, if notice of the change is mailed or delivered to the borrower prior to the effective date, as of any date within 60 days before mailing or delivery of such notice, will not be an increase from the rate in effect on such date under the existing schedule or formula;

(4) A change from a variable rate plan to a fixed rate, or from a fixed rate to a variable rate plan so long as the initial rate that would result from such a change, as determined on the effective date of the change, or if the notice of the change is mailed or delivered to the borrower prior to the effective date, as of any date within 60 days before mailing or delivery of such notice, will not be an increase from the rate in effect on such date under the existing plan;

(5) A change from a daily periodic rate to a periodic rate other than daily or from a periodic rate other than daily to a daily periodic rate; and

(6) A change in the method of determining the outstanding unpaid indebtedness upon which periodic interest is calculated (including, without limitation, a change with respect to the date by which or the time period within which a new balance or any portion thereof must be paid to avoid additional periodic interest).

(d) The procedures for amendment by a bank of the terms of a plan to which a borrower other than an individual borrower is a party may, in lieu of the foregoing provisions of this section, be as the agreement governing the plan may otherwise provide.

§ 953 Application of other state laws.

Any other law of this State limiting the rate or amount of interest, discount, points, finance charges, service charges or other charges which may be charged, taken, collected, received or reserved shall not apply to extensions of credit under a revolving credit plan operated in accordance with this subchapter.

(63 Del. Laws, c. 2, § 4.)

§ 954 Nonexclusivity; captions.

(a) The provisions of this subchapter are not exclusive and a bank may at its option elect to extend credit either pursuant to this subchapter or as otherwise permitted by applicable law.

(b) Section headings and captions contained in this subchapter are inserted only as a matter of convenience and for reference and do not, and shall not be construed to, define, limit, extend or describe the scope of this subchapter or the meaning or intent of any section hereof.

(63 Del. Laws, c. 2, § 4.)

§ 955 Materiality of terms.

All terms, conditions and other provisions of and relating to a plan as contained in this subchapter or in the agreement governing the plan (other than those which are interest under this subchapter), including, without limitation, provisions relating to the method of determining the outstanding unpaid indebtedness on which interest is applied, time periods within which interest charges may be avoided, reasons for default and the right to cure any default, rights to accelerate, account cancellation, choice of law, change in terms requirements, rights to charge and collect attorney's fees, court and collection costs and the compounding of periodic interest or interest charges, shall be and hereby are deemed to be material to the determination of interest applicable to a plan under Delaware law, under the most favored lender doctrine, and under § 85 of the National Bank Act (12 U.S.C. § 85) or § 521 of the Depository Institutions Deregulation and Monetary Control Act of 1980 (12 U.S.C. § 1831d).

(66 Del. Laws, c. 283, § 21.)

§ 956 Governing law.

A revolving credit plan between a bank and an individual borrower shall be governed by the laws of this State.

(66 Del. Laws, c. 283, § 22.)

Subchapter III

Bank Closed End Credit

§ 961 Definitions.

As used in this subchapter:

(1) "Bank," "borrower" and "individual borrower" have the meanings given in subchapter II of this chapter.

(2) "Business day" means, with respect to rescission under § 976 of this title, all calendar days except Sundays and legal public holidays.

(3) "Closed end credit" means the extension of credit by a bank to a borrower pursuant to an arrangement or agreement which is not a revolving credit plan as defined in subchapter II of this chapter.

(4) "Conspicuously displayed" means highlighted through the use of capitalization, bold print, underlining or some combination thereof.

(5) "Loan" means any single extension of closed end credit.

(6) "Right of rescission" means, with respect to any short-term consumer loan, the right to return any amount borrowed, in full, on or before the close of business of the business day following the day on which such sum has been disbursed or advanced, without the incursion of any fee or other charges.

(7) "Rollover" means, with respect to any short-term consumer loan, the extension of an outstanding and unpaid indebtedness beyond the stated repayment period solely on the basis of the payment of a fee without approval of a new loan application.

(8) "Short-term consumer loan" means a loan of \$500 or less made to an individual borrower that charges interest and/or fees for which the stated repayment period is less than 60 days and is not secured by title to a motor vehicle.

(9) "Workout agreement" means an agreement between an individual borrower and a bank, trust company or savings bank for the repayment of an outstanding and unpaid indebtedness which requires a net reduction of not less than 10% of such indebtedness per payment period.

(63 Del. Laws, c. 2, § 5; 73 Del. Laws, c. 398, § 1.)

§ 962 Extension of credit.

Any bank may, subject to any limitations on lending authority contained in its charter or otherwise imposed by law and subject to the other provisions of this subchapter, offer and extend closed end credit to a borrower and in connection therewith, may charge and collect any periodic interest, interest charges and other charges permitted by this subchapter and may take such security as collateral in connection therewith as may be acceptable to the bank.

(63 Del. Laws, c. 2, § 5; 66 Del. Laws, c. 283, § 12.)

§ 963 Periodic interest.

A bank may charge and collect periodic interest in respect of a loan at such daily, weekly, monthly, annual or other periodic percentage

rate or rates as the agreement governing, or the bond, note or other evidence of, the loan provides or as established in the manner provided in such agreement, bond, note or other evidence of the loan and may calculate such periodic interest by way of simple interest or such other method as the agreement governing, or the bond, note or other evidence of, the loan provides. If the interest is precomputed it may be calculated on the assumption that all scheduled payments will be made when due. For purposes hereof, a year may but need not be a calendar year and may be such period of from 360 to 366 days, including or disregarding leap year, as the bank may determine.

(63 Del. Laws, c. 2, § 5; 66 Del. Laws, c. 283, §§ 13, 14.)

§ 964 Variable rates.

If the agreement governing, or the bond, note or other evidence of, the loan so provides, the periodic percentage rate or rates of interest charged and collected in respect of the loan may, if the interest is not precomputed and taken in advance, vary in accordance with a schedule or formula. Such periodic percentage rate or rates may vary from time to time as the rate determined in accordance with such schedule or formula varies and such periodic percentage rate or rates, as so varied, may be made applicable to all or any part of outstanding unpaid amounts of such loan on and after the effective date of such variation. This section shall not be construed to limit the authority of a bank to charge and collect interest in respect of a loan in the manner and at the rate or rates authorized in any other section of this subchapter. Without limitation, a permissible schedule or formula hereunder may include provision in the agreement governing the loan for a change in the periodic percentage rate or rates of interest applicable to all or any part of outstanding unpaid amounts, whether by variation of the then applicable periodic percentage rate or rates of interest, variation of an index or margin or otherwise, contingent upon the happening of any event or circumstance specified in the loan agreement, which event or circumstance may include the failure of the borrower to perform in accordance with the terms of the loan agreement.

(63 Del. Laws, c. 2, § 5; 68 Del. Laws, c. 303, § 23.)

§ 965 Interest charges.

In addition to or in lieu of periodic interest at a periodic percentage rate or rates permitted by §§ 963 and 964 of this title, a bank may charge and collect, as interest, in respect of a loan:

(1) Loan fees, points, finders fees and other front-end and periodic charges; provided, however, that in the case of a loan to an individual borrower, no such front-end or periodic charge may be charged and collected unless the agreement governing, or the bond, note or other evidence of, the loan so provides;

(2) Reasonable fees for services rendered or for reimbursement of expenses incurred in good faith by the bank or its agents in connection with such loan, including, without limitation, commitment fees, official fees and taxes, premiums or other charges for any guarantee or insurance protecting the bank against the borrower's default or other credit loss, or costs incurred by reason of examination of title, inspection, recording and other formal acts necessary or appropriate to the security of the loan, filing fees, attorney's fees and travel expenses; provided, however, that in the case of a loan to an individual borrower, no such fee may be charged and collected unless the agreement governing, or the bond, note or other evidence of, the loan so provides;

(3) Returned payment charges;

(4) Documentary evidence charges; and

(5) Subject to any limitations contained in this subchapter, such other fees and charges as are set forth in the agreement governing, or the bond, note or other evidence of, the loan.

(63 Del. Laws, c. 2, § 5; 66 Del. Laws, c. 283, §§ 15, 16; 71 Del. Laws, c. 19, § 51.)

§ 966 Deferred installments.

A bank may at any time or from time to time permit a borrower to defer installment payments of a loan and may, in connection with such deferral, charge and collect, as interest, deferral charges and may also require payment by such borrower, as interest, of the additional cost to the bank of premiums for continuing in force, until the end of such period of deferral, any insurance coverage provided in connection with the loan pursuant to § 967 of this title.

(63 Del. Laws, c. 2, § 5; 66 Del. Laws, c. 283, § 17.)

§ 967 Insurance.

(a) A bank may request but not require an individual borrower to be insured in respect of a loan under a life, health, accident, health and accident or other permissible insurance policy, whether group or individual, and in the event that a loan to an individual borrower is secured by an interest in real or personal property, the bank may require the borrower to obtain insurance, from an insurer acceptable to the bank, against loss of or damage to such property, or against the liability arising out of the ownership or use of the property and may finance the premiums for such insurance.

(b) In the case of a borrower borrowing for other than personal, household or family purposes, a bank may require the borrower to obtain insurance, from an insurer acceptable to the bank, under a life, health, accident, health and accident or other credit or other permissible insurance policy, whether group or individual, and in the event that the borrower's loan is secured by an interest in real or personal property, the bank may require the borrower to obtain insurance, from an insurer acceptable to the bank, against loss of or damage to such property, or against the liability arising out of the ownership or use of the property and may finance the premiums for such insurance.

(c) The offer and placement of insurance under this section shall be subject in all respects to the applicable provisions of Title 18.

(63 Del. Laws, c. 2, § 5.)

§ 968 Delinquent installments.

If the agreement governing a loan so provides, a bank may impose, as interest, a late or delinquency charge upon any outstanding unpaid installment payments or portions thereof under the loan agreement which are in default; provided, however, that in the case of a loan to an individual borrower, no such late or delinquency charge may be charged or imposed unless the agreement governing, or the bond, note or other evidence of, the loan so provides and that no more than 1 such late or delinquency charge may be imposed in respect of any single such installment payment or portion thereof regardless of the period during which it remains in default; and provided further, however, that for the purpose only of the preceding proviso all payments by the borrower shall be deemed to be applied to satisfaction of installment payments in the order in which they become due. Nothing contained in this section shall limit, restrict or otherwise affect the right of a bank under and pursuant to §§ 963 and 964 of this title to change the periodic percentage rate or rates of interest applicable to the loan agreement between the bank and a borrower upon the occurrence of a delinquency or default or other failure of the borrower to perform in accordance with the terms of the loan agreement.

(63 Del. Laws, c. 2, § 5; 66 Del. Laws, c. 283, § 18; 68 Del. Laws, c. 303, § 24; 71 Del. Laws, c. 19, § 52.)

§ 969 Prepayment.

(a) An individual borrower may prepay a loan in full at any time.

(b) If interest charged pursuant to § 963 of this title in respect to a loan to an individual borrower has been precomputed and taken in advance, then, in the event of prepayment of the entire indebtedness, the bank shall refund to such borrower the unearned portion of the precomputed interest charge. This refund shall be in an amount not less than the amount which would be refunded if the unearned precomputed interest charge were calculated in accordance with the actuarial method, except that the borrower shall not be entitled to a refund which is less than \$5. The unearned portion of the precomputed interest charge is, at the option of the bank, either:

(1) That portion of the precomputed interest charge which is allocable to all originally scheduled or, if deferred, all deferred payment periods, or portions thereof, ending subsequent to the date of prepayment. The unearned precomputed interest charge is the total of that which would have been earned for each such period, or portion thereof, had the loan not been precomputed, by applying to unpaid balances of principal, according to the actuarial method, an annual percentage rate based on the precomputed interest charges, assuming that all payments were made as scheduled, or as deferred, if deferred. The bank, at its option, may round this annual percentage rate to the nearest one-quarter of 1 percent; or

(2) The total precomputed interest charge less the earned precomputed interest charge. The earned precomputed interest charge shall be determined by applying an annual percentage rate based on the total precomputed interest charge, under the actuarial method, to the unpaid balances for the actual time those balances were unpaid up to the date of prepayment.

(c) As used in subsection (b) of this section:

(1) "Actuarial method" means the method of allocating payments made on a loan between the outstanding balance of the loan and interest pursuant to which a payment is applied first to the accumulated interest and any remainder is subtracted from the outstanding balance of the loan.

(2) "Precomputed interest charge" means interest as computed by the add-on, discount or other similar method.

(3) "Payment period" means the time period within which periodic installment payments of a loan are due as provided in the agreement governing, or the bond, note or other evidence of, the loan.

(d) If a charge was made to an individual borrower for premiums for insuring such borrower under an insurance policy pursuant to § 967 of this title, then, in the event of prepayment, the bank shall refund to such borrower the excess of the charge to such borrower therefor over the premiums paid or payable to the bank, if such premiums were paid or payable by the bank periodically, or the refund for such insurance premium received or receivable by the bank, if such premium was paid or payable in a lump sum by the bank, provided that no such refund shall be required if it amounts to less than \$5.

(e) In connection with any prepayment of any loan by an individual borrower, the bank may not impose any prepayment charge, except that in the case of a residential mortgage loan, the bank may charge and collect any prepayment penalty or charge specified in the agreement governing, or the bond, note or other evidence of, the loan.

(f) The terms of prepayment of any loan made to a borrower other than an individual borrower shall be as the bank and the borrower may agree.

(63 Del. Laws, c. 2, § 5.)

§ 970 Refinancing.

(a) An individual borrower may, with the consent of the bank, refinance the entire outstanding and unpaid amount of a loan, and the bank may charge and collect, as interest, a refinancing charge in connection with any such refinancing.

(b) For the purposes of this section, the entire outstanding and unpaid amount of a loan shall be deemed to be:

(1) If the interest and charges in respect of the loan were not taken in advance, the total of the unpaid balance and the accrued and unpaid interest and charges on the date of refinancing; or

(2) If the interest and charges on the loan were precomputed and taken in advance, the amount which the borrower would have been required to pay upon prepayment on the date of refinancing pursuant to § 969 of this title governing refund upon prepayment.

(63 Del. Laws, c. 2, § 5; 66 Del. Laws, c. 283, § 19.)

§ 971 Attorney's fees; costs.

In the event an individual borrower defaults under the terms of a loan, the bank may, if such borrower's account is referred to an attorney (not a regularly salaried employee of the bank) or to a third party for collection and if the agreement governing, or the bond, note or other evidence of, the loan so provides, charge and collect from the borrower a reasonable attorney's fee. In addition, following an individual borrower's default, the bank may, if the agreement governing, or the bond, note or other evidence of, the loan so provides, recover from such borrower all court, alternative dispute resolution or other collection costs (including, without limitation, fees and charges of collection agencies) actually incurred by the bank.

(63 Del. Laws, c. 2, § 5; 66 Del. Laws, c. 283, § 20; 72 Del. Laws, c. 15, § 14.)

§ 972 Loans to other than individual borrowers.

This subchapter shall not be deemed to prohibit a bank, in connection with a loan to other than an individual borrower, from:

- (1) Extending or deferring the scheduled payment of all or any portion of any installment or installments payable under such loan;
- (2) Permitting prepayment or refinancing of such loan in whole or in part;
- (3) Charging and collecting any charges in connection with the matters referred to in subdivisions (1) and (2) of this section; or
- (4) Charging and collecting late or delinquency charges, attorneys' fees or collection charges.

(63 Del. Laws, c. 2, § 5.)

§ 973 Application of other state laws.

Any other law of this State limiting the rate or amount of interest, discount, points, finance charges, service charges or other charges which may be charged, taken, collected, received or reserved shall not apply to extensions of credit made in accordance with this subchapter.

(63 Del. Laws, c. 2, § 5.)

§ 974 Nonexclusivity; captions.

(a) The provisions of this subchapter are not exclusive and a bank may at its option elect to extend credit either pursuant to this subchapter or as otherwise permitted by applicable law.

(b) Section headings and captions contained in this subchapter are inserted only as a matter of convenience and for reference and do not, and shall not be construed to, define, limit, extend or describe the scope of this subchapter or the meaning or intent of any section hereof.

(63 Del. Laws, c. 2, § 5.)

§ 975 Materiality of terms.

All terms, conditions and other provisions of and relating to any extension of closed end credit as contained in this subchapter or in the agreement governing, or the bond, note or other evidence of the loan (other than those which are interest under this subchapter), including, without limitation, provisions relating to the method of calculating interest, reasons for default and the right to cure any default, rights to accelerate, choice of law, rights to charge and collect attorney's fees, court and collection costs, repayment schedule, balloon payments, loan term and the refunding of unearned interest or insurance charges, shall be and hereby are deemed to be material to the determination of interest under Delaware law, under the most favored lender doctrine, and under § 85 (12 U.S.C. § 85) of the National Bank Act or § 521 of the Depository Institutions Deregulation and Monetary Control Act of 1980 (12 U.S.C. § 1831d).

(66 Del. Laws, c. 283, § 23.)

§ 976 Governing law.

The agreement governing, or the bond, note or other evidence of a loan between a bank and an individual borrower shall be governed by the laws of this State.

(66 Del. Laws, c. 283, § 24.)

The State Bank Commissioner may prescribe regulations to carry out the purpose of this chapter.

(66 Del. Laws, c. 403, § 2.)

(1) No bank, trust company or savings bank shall make more than 4 rollovers of an existing short-term consumer loan. A bank, trust company or savings bank may, following not more than the maximum allowable number of rollovers, enter into a workout agreement with the borrower or take such other actions as are lawful to collect any outstanding and unpaid indebtedness.

(2) No bank, trust company or savings bank shall make a short-term consumer loan unless such loan is subject to a right of rescission on the part of the individual borrower.

(3) No bank, trust company or savings bank shall pursue or threaten to pursue criminal action against an individual borrower in connection with the nonpayment of any amount due, including the unpaid return of any check or automated clearinghouse transaction.

(b) In addition to such other disclosure requirements as are imposed pursuant to other provisions of this subchapter, short-term consumer loans shall be subject to the following: No bank, trust company or savings bank shall make a short-term consumer loan unless the application for such loan, which application shall be written in both English and Spanish, contains a written disclosure, conspicuously displayed, that:

- (1) The loan is designed as a short-term cash flow solution and not designed as a solution for longer term financial problems;
- (2) Additional fees may accrue if the loan is rolled over; and
- (3) Credit counseling services are available to consumers experiencing financial problems.

(c) Nothing in this section prohibits a lender from refinancing the principal amount of a short-term consumer loan, subject to the limitations and requirements imposed herein.

Chapter 11
TAXATION

§ 1101 Tax on net earnings.

(a) A franchise tax is hereby imposed on the “taxable income” of banking organizations and trust companies (computed on a basis that consolidates with the income of such banking organization or trust company for the tax year involved, the income of all subsidiary corporations of such banking organization or trust company in accordance with generally accepted accounting principles; provided, however, that the income of subsidiary corporations of out-of-state banks that operate resulting branches in this State shall be consolidated with the income of such resulting branches only if such subsidiaries make the election provided for in subsection (f) of this section). For the purposes of this chapter, “out-of-state bank” shall have the same meaning as in § 795 of this title. Also for the purposes of this chapter, “resulting branch” shall have the same meaning as in § 795 of this title and, in addition, shall also mean the branch offices in this State of out-of-state banks. The “taxable income” on which such tax is imposed shall be equal to the product of paragraphs (a)(1) and (2) of this section as follows:

- (1) Net operating income before taxes increased by the amount of securities gains before taxes and reduced by:
 - a. Securities losses before taxes;
 - b. That portion of net operating income before taxes, verifiable by documentary evidence, from any subsidiary or foreign branch established within the United States pursuant to § 771 of this title or other branch established within the United States but outside of this State pursuant to federal law or other applicable law of this State which is:

 3. Derived from business activities carried on outside the State, which subsidiary, foreign branch or other branch established outside of this State is subject to shares tax under the laws of another state; provided however, that in the case of any subsidiary engaged in the sale, distribution or underwriting of or dealing in securities, the amount of income excluded pursuant to this sub-paragraph shall in no event exceed 50 percent of such subsidiary’s net operating income before taxes;
 - c. Net operating income before taxes as shown on the books of account of any non-United States branch office established:
 1. Pursuant to § 771 of this title in the case of a state banking organization; or

provided that in either case at least 80 percent of the gross income of such non-United States branch office constitutes “income from sources without the United States” as defined under § 862(a) of the Internal Revenue Code of 1986, as amended [26 U.S.C. § 862(a)], or any successor provisions thereto;
 - d. The gross income derived from international banking transactions (as defined in § 101 of this title) after subtracting therefrom any expenses or other deductions attributable thereto;

- (2) Multiplied by the factor .56.

For purposes of this subsection, a resulting branch in this State of an out-of-state bank or foreign bank, or a foreign bank branch, foreign bank limited purpose branch, foreign bank agency or a federal branch or agency (all as defined in § 101 of this title) shall be treated as if it were a corporation. The Commissioner shall prescribe such rules and regulations as may be deemed necessary in order that the tax liability of any resulting branch in this State of an out-of-state bank or foreign bank, or any foreign bank branch, foreign bank limited purpose branch, foreign bank agency or federal branch or agency under this subsection may be returned, determined, computed, assessed, collected and adjusted, in such manner as to clearly reflect the tax liability and the various factors necessary for the determination of such liability, and in order to prevent avoidance of such tax liability.

(b) A franchise tax is hereby imposed on the “taxable income” of federal savings banks not headquartered in this State but maintaining branches in this State, verifiable by documentary evidence. The “taxable income” on which tax is imposed shall be equal to the net operating income of the branch or branches located in Delaware before taxes increased by the amount of securities gains before taxes and

reduced by the amount of securities losses before taxes and by the interest income from obligations of volunteer fire companies.

(c) Whenever the phrase “international banking facility” is incorporated by reference in Title 30, it shall have the meaning of “international banking transaction” provided in § 101 of this title as the same may from time to time be amended.

(d) Whenever the phrase “international banking transaction” is incorporated by reference in Title 30, it also shall have the meaning of “international banking transaction” provided in § 101 of this title as the same may from time to time be amended.

(e) Any subsidiary corporation of a banking organization or trust company which subsidiary is not itself a banking organization or trust company may elect, in such manner as the State Bank Commissioner shall prescribe, to be taxed in accordance with Chapter 19 of Title 30. If such election is made, such electing subsidiary corporation shall not be considered a “subsidiary corporation” for purposes of subsection (a) of this section. Such election shall not be available to any corporation which is described in § 1901(2) or § 1902(b)(8) of Title 30 or any corporation engaged in the sale, distribution or underwriting of, or dealing in, securities.

(f) For purposes of subsection (a) of this section, any corporation other than a subsidiary engaged in activities authorized under § 761(a)(14) or § 1661(a)(14) of this title 80 percent of whose total combined voting power of all classes of stock entitled to vote is owned by an out-of-state bank that operates a resulting branch in this State or, directly or indirectly, by a bank holding company that also directly or indirectly owns all the stock of a Delaware chartered banking organization or trust company, a national bank located in this State or an out-of-state bank that operates a resulting branch in this State may elect, in such manner as the State Bank Commissioner shall prescribe, to be treated as a “subsidiary corporation” of a banking organization or trust company. Such election shall not be effective unless the electing corporation, together with its “affiliates” as that term is defined in subchapter V of Chapter 7 of this title, employs by the end of its taxable year following the taxable year in which the election is made at least 200 persons within this State. When applicable, the income of such electing corporation shall be consolidated with the taxable income of the resulting branch in this State of an out-of-state bank in accordance with generally accepted accounting principles.

(g) Notwithstanding any of the foregoing, the tax imposed under this section shall not be imposed upon any “taxable income” derived from acting as an insurer pursuant to § 761(a)(14) or § 1661(a)(14) of this title or from acting as an insurer pursuant to Title 18.

(h) For purposes of this chapter, an Edge Act Corporation as defined in § 101(4)c. of this title which is not “engaged in banking” as defined at 12 C.F.R. § 211.2(f), or any subsidiary thereof, may elect to be taxed in accordance with Chapter 19 of Title 30 in lieu of this chapter.

§ 1101A Alternative annual franchise tax; rate of taxation.

(a) Any banking organization or trust company required to pay a franchise tax pursuant to § 1101 of this title may annually elect, on its original return or on an amended return filed within 180 days of the due date of its original return, to pay an “alternative franchise tax” pursuant to this section, in lieu of payment of the tax on taxable income provided for by § 1101 of this title.

(b) “Alternative franchise tax” shall be the sum of bank income tax liability provided for in subsection (c) of this section below, plus the location benefit tax liability provided for in subsection (d) of this section below. Alternative franchise tax shall become due and payable pursuant to § 1104 of this title.

(c) *Bank income tax liability.* — A banking organization or trust company electing to pay the alternative franchise tax shall have a bank income tax liability based upon its elective income tax base, computed as follows:

(1) “Entire net income” shall be the net operating income before taxes of the banking organization or trust company, computed on a basis that consolidates with the income of such banking organization or trust company for the tax year involved, the income of all subsidiary corporations of such banking organization or trust company in accordance with generally accepted accounting principles; provided, however, that the income of subsidiary corporations of out-of-state banks that operate resulting branches in this State shall be consolidated with the income of such resulting branches only if such subsidiaries make the election provided for in paragraph (c)(5) of this section. “Net operating income before taxes” shall be computed in accordance with principles used by the Federal Financial Institutions Examination Council or other appropriate federal authority and reported to the Bank Commissioner pursuant to § 904 of this title, reduced by the following:

a. Net operating income before taxes as shown on the books of account of any non-United States branch office established:

1. Pursuant to § 771 of this title in the case of a state banking organization; or
2. Pursuant to federal law in the case of a national bank;

provided, that in either case at least 80% of the gross income of such non-United States branch office constitutes “income from sources without the United States” as defined under § 862(a) of the Internal Revenue Code of 1986 [26 U.S.C. § 862(a)], as amended, or any successor provisions thereto;

b. The gross income derived from international banking transactions (as defined in § 101 of this title) after subtracting therefrom any expenses or other deductions attributable thereto;

c. The gross income of an international banking facility (as defined in § 101 of this title) less any expenses or other deductions

attributable thereto;

d. Without limitation of the foregoing, any income earned from business activities conducted outside the United States;

e. The interest income from obligations of volunteer fire companies;

f. Any examination fee paid to the Office of the State Bank Commissioner pursuant to § 127(a) of this title; and

g. Income derived from acting as an insurer pursuant to § 761(a)(14) of this title or § 1661(a)(14) of this title or from acting as an insurer pursuant to Title 18.

(2) Any subsidiary corporation of an electing banking organization or trust company which subsidiary is not itself a banking organization or trust company may elect, in such manner as the State Bank Commissioner shall prescribe, to be taxed in accordance with Chapter 19 of Title 30. If such election is made, such electing corporation shall not be considered a “subsidiary corporation” for purposes of subsection (c) of this section. Such election shall not be available to any corporation which is described in § 1901(2) or § 1902(b)(8) of Title 30 or any corporation engaged in the sale, distribution or underwriting of, or dealing in, securities.

(3) Any corporation, other than a subsidiary engaged in activities authorized under § 761(a)(14) of this title or § 1661(a)(14) of this title (relating to acting as an insurer and transacting the business of insurance), 80% of whose total combined voting power of all classes of stock entitled to vote is owned by an out-of-state bank that operates a resulting branch in this State or, directly or indirectly, by a bank holding company that also directly or indirectly owns all the stock of a Delaware chartered banking organization or trust company, a national bank located in this State or an out-of-state bank that operates a resulting branch in this State, may elect, in such manner as the State Bank Commissioner shall prescribe, to be treated as a “subsidiary corporation” of an electing banking organization or trust company. Such election shall not be effective unless the electing corporation, together with its “affiliates” as that term is defined in subchapter V of Chapter 7 of this title, employs by the end of its taxable year following the taxable year in which the election is made at least 200 persons within this State.

(4) For purposes of this section, an “Edge Act corporation” as defined in § 101(4)c. of this title which is not “engaged in banking” as defined at 12 C.F.R. § 211.2(f), or any subsidiary thereof, may elect to be taxed in accordance with Chapter 19 of Title 30 in lieu of this section.

(5) For purposes of this section, a resulting branch in this State of an out-of-state bank shall be treated as if it were a corporation. The Commissioner shall prescribe such rules and regulations as may be deemed necessary in order that the tax liability of any resulting branch in this State of an out-of-state bank may be returned, determined, computed, assessed, collected and adjusted, in such manner as to clearly reflect the tax liability and the various factors necessary for the determination of such liability, and in order to prevent avoidance of such tax liability.

(6) “Elective income tax base” shall mean the entire net income of a banking organization or trust company which is apportioned to the State of Delaware in accordance with the following provisions:

a. If the entire business of a banking organization or trust company (and each of its subsidiary corporations the income of which is included in entire net income) is transacted or conducted within this State, 100% of the entire net income shall be apportioned to this State. If the business of a banking organization or trust company (or any of its subsidiary corporations the income of which is included in entire net income) is transacted or conducted in part without this State, the elective income tax base shall be the result of multiplying entire net income by an apportionment percentage determined by adding the banking organization or trust company’s property factor, payroll factor, and 2 times the receipts factor together and dividing the sum by 4. If 1 of the factors is missing, the remaining factors are added together and the sum is divided by the number of remaining factors. If 2 of the factors are missing, the remaining factor is the apportionment percentage. A factor is missing if both its numerator and denominator are zero, but a factor is not missing merely because its numerator is zero.

b. A banking organization or trust company’s property factor, payroll factor and receipts factor shall be calculated using the combined property, payroll and receipts of the banking organization or trust company and each subsidiary corporation the income of which is included in entire net income.

c. A banking organization or trust company’s property factor is a fraction, the numerator of which is the average of the values, at the beginning and end of the tax year (or as of such other dates approved by the Bank Commissioner), of all the real and tangible personal property, owned or rented, in this State by the taxpayer, and the denominator of which is the average of the values at the beginning and end of the tax year (or as of such other dates approved by the Bank Commissioner) of all such property of the taxpayer both within and without this State; provided, that any property which is not used in the taxpayer’s business shall be disregarded. For the purposes of this paragraph, property owned by the taxpayer shall be valued at its original cost to the taxpayer, and property rented by the taxpayer shall be valued at eight times the annual rental.

d. A banking organization or trust company’s payroll factor is a fraction, the numerator of which is wages, salaries and other compensation paid by the taxpayer to employees within this State during the tax year, and the denominator of which is wages, salaries and other compensation paid within and without this State during the tax year to all employees of the taxpayer. Wages, salaries and other compensation are paid to an employee within this State if:

1. The individual’s service is performed entirely within this State;

2. The individual’s service is performed within and without this State, but the service performed without this State is incidental to the individual’s service within this State;

3. A portion of the service is performed within this State and the base of operations of the individual is in this State;

4. A portion of the service is performed within this State and, if there is no base of operations, the place from which the individual's service is directed or controlled is in this State;

5. A portion of the service is performed within this State and neither the base of operations of the individual nor the place from which the service is directed or controlled is in any state in which some part of the service is performed, but the individual's residence is in this State; or

6. The individual is neither a resident of nor performs services in this State but is directed or controlled from an office in this State and returns to this State periodically for business purposes and the state in which the individual resides does not have jurisdiction to impose income or franchise taxes on the employer.

e. A banking organization or trust company's receipts factor is a fraction, the numerator of which is the total gross receipts of the taxpayer in this State during the tax year, and the denominator of which is the total gross receipts of the taxpayer everywhere during the tax year.

1. Sales of tangible personal property are in this State if the property is physically delivered within this State to the purchaser or the purchaser's agent (but not including delivery to the United States mail or to a common or contract carrier for shipment to a place outside this State).

2. Rents and royalties from tangible property are in this State if the property is physically located in this State.

3. Patent and copyright royalties are in this State to the extent the product or process protected by the patent is manufactured or used in this State or if the publication protected by the copyright is produced or printed in this State.

4. Gains from the sale or other disposition of real property are in this State if the property is physically located in this State.

5. Gains from the sale or other disposition of tangible property for which an allowance for depreciation is permitted for federal income tax purposes are in this State if the property is physically located in this State or is normally used in the taxpayer's business in this State.

6. Interest, fees or penalties in the nature of interest, and loan servicing fees from loans secured by real property, and gains from the sale of loans secured by real property are in this State if the property is located within this State. If the property is located both within this State and one or more other States, the receipts described in this subsection are included in the numerator of the receipts factor if more than 50% of the fair market value of the real property is located within this State. If more than 50% of the fair market value of the real property is not located within any 1 state, the receipts described in this subsection shall be included in the numerator of the receipts factor if the borrower is located in this State.

7. Interest, fees or penalties in the nature of interest, and loan servicing fees from loans not secured by real property, and gains from the sale of loans not secured by real property, are in this State if the borrower is located in this State.

8. Gross receipts in this State from interest, dividends, gains, and other income from investment assets and activities and from trading assets and activities are determined by multiplying all such income from such assets and activities by a fraction, the numerator of which is the average value of such assets which are attributable to a regular place of business of the taxpayer within this state and the denominator of which is the average value of all such assets. A "regular place of business" means an office at which the taxpayer carries on such business in a regular and systematic manner and which is continuously maintained, occupied and used by employees of the taxpayer.

9. The taxpayer shall have the burden of proving that an investment asset or activity or trading asset or activity was properly assigned to a regular place of business outside of this State by demonstrating that the day-to-day decisions regarding the asset or activity occurred at a regular place of business outside the State. Where the day-to-day decisions regarding an investment asset or activity or trading asset or activity occur at more than 1 regular place of business and 1 such regular place of business is in this State and one such regular place of business is outside this State, such asset or activity shall be considered to be located at the regular place of business of the taxpayer where the investment or trading policies or guidelines with respect to the asset or activity are established. Unless the taxpayer demonstrates to the contrary, such policies and guidelines shall be presumed to be established at the headquarters of the taxpayer. The "headquarters" of the taxpayer shall be considered located, with respect to a state-chartered bank, in the state under the laws of which the bank was created, and with respect to a national banking association, in the state of the bank's home office as designated in its charter.

10. All other gross receipts not specifically addressed herein shall be considered in this State if the activity which gives rise to the gross receipts is performed within this State.

11. Where an asset originated by the taxpayer is subsequently securitized, reference shall be made to the original transaction which created the asset and the subsequent transfer shall be disregarded for purposes of determining gross receipts attributable to this State under paragraphs (c)(6)e.6., (c)(6)e.7. and (c)(6)e.8. of this section above.

(7) The bank income tax liability of an electing banking organization or trust company shall be computed by applying the following rates of tax to the electing banking organization or trust company's elective income tax base: 7.0% of elective income tax base not in excess of \$50,000,000; 5.0% of elective income tax base in excess of \$50,000,000 but not in excess of \$100,000,000; 3% of elective income tax base in excess of \$100,000,000 but not in excess of \$500,000,000; 1.0% of elective income tax base in excess of \$500,000,000 but not in excess of \$1,300,000,000; and 0.5% of elective income tax base in excess of \$1,300,000,000.

(d) *Location benefit tax liability.* — In addition to Bank Income Tax Liability as provided in subsection (c) of this section above, any electing banking organization or trust company paying the alternative franchise tax under this section shall be liable for a location benefit tax liability computed as follows:

(1) The location benefit tax base shall consist of all property, cash, interest bearing balances, securities, loans and leases, trading account assets, securitized assets, computed as of December 31 of the year prior to the year for which alternative franchise tax is paid, but shall not include such property, cash, interest bearing balances, securities, loans and leases, trading account assets, securitized assets as are directly attributable to the operations of a branch operating entirely outside of this State.

(2) The location benefit tax liability shall be \$1,600,000, plus 0.012% of the value of assets not in excess of \$5,000,000,000; 0.008% of the value of assets in excess of \$5,000,000,000 but not in excess of \$20,000,000,000; 0.004% of the value of assets in excess of \$20,000,000,000 but not in excess of \$90,000,000,000.

§ 1102 Statement of net income to be filed.

(a) For purposes of assessment, the president, treasurer or other proper officer of every banking organization, trust company or federal savings bank not headquartered in this State but maintaining branches in this State (or out-of-state bank that operates a resulting branch in this State), shall, in each year, file with the December 31 call report, a true statement, verified by oath, setting forth the net income of such banking organization, trust company or federal savings bank not headquartered in this State but maintaining branches in this State as defined in this chapter and such other true statement, in such form as shall be specified by the State Bank Commissioner, verified by oath setting forth the “taxable income” of such banking organization, trust company or federal savings bank not headquartered in this State but maintaining branches in this State as defined in this chapter. In the case of an out-of-state bank that operates more than one resulting branch in this State, the statement setting forth the taxable income of such resulting branches shall set forth the information required by the State Bank Commissioner on a basis that consolidates such information for all resulting branches of such out-of-state bank in this State. Any and all documents relating to the taxation of a banking organization, trust company or federal savings bank not headquartered in this State but maintaining branches in this State shall be true statements, verified by oath, by the president, treasurer or other proper officer of such banking organization, trust company or federal savings bank not headquartered in this State but maintaining branches in this State (or out-of-state bank that operates a resulting branch in this State).

(b) Every banking organization (or out-of-state bank that operates a resulting branch in this State), trust company or federal savings bank not headquartered in this State but maintaining branches in this State failing to comply with subsection (a) of this section shall be subject to a penalty of \$25 for each day that it continues in such failure, unless the Commissioner is satisfied that such failure was not wilful. Any penalty that may be imposed by the Commissioner hereunder shall be paid to the State Treasurer for deposit in the General Fund.

§ 1104 Date of payment and collection of tax; estimated tax.

(a) Taxes imposed under this chapter are due and payable on or before March 1 in the year in which they are assessed, and after that date shall be collected by the State Bank Commissioner. Except that with respect to a banking organization, trust company or federal savings bank not headquartered in this State but maintaining branches in this State whose franchise tax liability for the current year is estimated to exceed \$10,000, a tentative return covering estimated bank franchise tax liability for the current income year, to be in such form and containing such information as the State Bank Commissioner shall prescribe, shall be filed with the State Bank Commissioner on or before March 1 of the current income year. Every banking organization (or out-of-state bank that operates a resulting branch in this State), trust company or federal savings bank not headquartered in this State but maintaining branches in this State failing to file the tentative return covering estimated bank franchise tax liability required by this subsection shall be subject to a penalty of \$25 for each day that it continues in such failure, unless the Commissioner is satisfied that such failure was not wilful. Any penalty that may be imposed by the Commissioner hereunder shall be paid to the State Treasurer for deposit in the General Fund.

(b) The estimated tax liability as calculated per subsection (a) of this section shall be due and payable in installments of 40 percent of the estimated tax liability on June 1, 20 percent on September 1 and 20 percent on December 1 of the current taxable year with the balance to be paid on March 1 of the succeeding year.

(c) (1) In the case of any underpayment of estimated tax or installment of estimated tax required by this chapter, there shall be added to the tax for the taxable year an amount determined at the rate of 0.05 percent per day upon the amount of underpayment for the period of the underpayment.

(2) For purposes of paragraph (1) of this subsection, the amount of the underpayment shall be the excess of:

- a. The amount of the estimated tax or installment payment which would be required to be made if the estimated tax were equal to 80 percent of the tax shown on the final return for the taxable year, or if no return was filed, 80 percent of the tax for such year, over
- b. The amount, if any, of the estimated tax or the installment paid on or before the last date prescribed for payment.

(3) The period of the underpayment shall run from the date the estimated tax or installment was required to be paid to the earlier of the date when such estimated tax or installment is paid or the date of the final payment of tax for the year.

(4) Notwithstanding paragraphs (1)-(3) of this subsection, the addition to the tax with respect to any underpayment of estimated tax or any installment shall not be imposed if the total amount of all payments of estimated tax made on or before the last date prescribed for the payment thereof equals or exceeds the amount which would have been required to be paid on or before such date if the estimated tax were the tax shown on the final return of the banking organization, trust company or federal savings bank not headquartered in this State but maintaining branches in this State for the preceding taxable year.

(5) [Repealed.]

(d) In the case of a banking organization, trust company or federal savings bank not headquartered in this State but maintaining branches in this State which has been engaged in banking business of any kind in this State for less than the whole year, the amount of tax due, at the rates provided in this chapter, shall be prorated for that portion of the year during which the banking organization, trust company or federal savings bank not headquartered in this State but maintaining branches in this State was engaged in banking business of any kind within this State. Within 30 days of the cessation of all banking business of any kind within this State, the president, treasurer or other proper officer shall file a true statement, verified by oath, setting forth the net income of such banking organization, trust company or federal savings bank not headquartered in this State but maintaining branches in this State as defined in this chapter, and such other true statements, in such form as shall be specified by the Commissioner, verified by oath, setting forth the "taxable income" of such banking organization, trust company or federal savings bank not headquartered in this State but maintaining branches in this State as defined in this chapter.

(e) If any banking organization, trust company or federal savings bank not headquartered in this State but maintaining branches in this State shall fail to pay any tax due under this chapter on or before the due date, a penalty of 0.05 percent shall be assessed for each day that the same shall remain unpaid after such date.

§ 1105 Rate of taxation; credits [For application of this section, see 79 Del. Laws, c. 291, §§ 2 and 3].

(a) The rate of tax upon the taxable income of banking organizations, trust companies and federal savings banks not headquartered in this State but maintaining branches in this State, excluding any banking organization or trust company electing to pay alternative franchise tax pursuant to § 1101A of this title, shall be as follows: 8.7% of the amount of taxable income not in excess of \$20,000,000; 6.7% of the amount of taxable income in excess of \$20,000,000, but not in excess of \$25,000,000; 4.7% of the amount of taxable income in excess of \$25,000,000, but not in excess of \$30,000,000; 2.7% of the amount of taxable income in excess of \$30,000,000; 1.7% of the amount of taxable income for years beginning after December 31, 1996, in excess of \$650,000,000.

(b) For taxable years beginning after December 31, 1991, and ending before January 1, 1994, there shall be allowed as a credit against the tax imposed under subsection (a) of this section the applicable amounts provided in [former] § 2011(h) or (i) (or both) of Title 30 [now repealed] as if the definition of "taxpayer" in § 2010(13) of Title 30 and the definition of "qualified activity" of § 2010(3) of Title 30 also included, solely for purposes of the credit provided in this subsection, entities subject to tax under this section, provided the taxpayer meets the qualifications set forth in [former] § 2011(h) or (i) of Title 30 [now repealed]. Notwithstanding the provisions of this subsection, credits arising solely by virtue of § 2011(a) of Title 30 shall not be allowed against the tax imposed by this chapter.

(c) (1) The amount of credit allowable under subsection (b) of this section shall not exceed 50% of the amount of tax imposed upon the taxpayer by subsection (a) of this section for such taxable year.

(2) The amount of the credit determined under subsection (b) of this section for any taxable year that is not allowable for such taxable year solely as a result of the limitation contained in paragraph (1) of this subsection shall be a credit carryover to each of the succeeding 9 years in the manner described in § 2011(f) of Title 30.

(d) For taxable years beginning after December 31, 1996, and ending before January 1, 2012, there shall be allowed as a credit against the tax imposed under subsection (a) of this section or § 1101A of this title an amount equal to \$400 for each new qualified employee in excess of 50 qualified employees above the number of employees employed by the banking organization in full time employment during the base year. For purposes of this subsection, the base year shall be the period after December 31, 1995, and before January 1, 1997.

(e) The following conditions apply in determining the credit under subsection (d) of this section:

(1) No credit may be claimed until the taxpayer has made new investments of at least \$15,000 per qualified employee in excess of the number of employees employed by the banking organization in full time employment during the base year. For purposes of this subsection, if the new investment is leased or subleased by the taxpayer, the amount of new investment shall be deemed to be 8 times the net annual rent paid or incurred by the taxpayer for such investment. The net annual rent shall be the gross rent paid or

incurred by the taxpayer during the taxable year, less any gross rental income received by the taxpayer from sublessees of any portion of such facility during such taxable year; and

(2) In determining the number of qualified employees, there shall be considered only employees:

(g) Any entity taxable under this section or § 1101A of this title, is eligible for tax credits in accordance with the Historic Preservation Tax Credit Act (subchapter II, Chapter 18, Title 30), which credits shall be against taxes imposed under this chapter; provided, however, that all claimed credits are accompanied by a Certificate of Completion issued by the Delaware State Historic Preservation Office certifying that such credits have been earned in compliance with that act.

(h) For taxable years beginning after December 31, 2011, and ending before January 1, 2032, there shall be allowed as a credit against the tax imposed under subsection (a) of this section or § 1101A of this title an amount equal to \$1,250 for each new qualified employee above the number of employees employed by the banking organization or trust company in full-time employment during the base year; provided, however, that the credit provided pursuant to this subsection shall be available only for taxable years in which the banking organization or trust company has at least 200 new qualified employees above the number of employees employed by the banking organization or trust company in full-time employment during the base year. For purposes of this subsection and subsection (i) of this section, the base year shall be the period after December 31, 2010, and before January 1, 2012, provided, however, that beginning on January 1, 2022, and each January 1 thereafter, the base year shall increase by 1 calendar year until the base year shall have reached the period after December 31, 2020, and before January 1, 2022.

For purposes of this subsection, if the new investment is leased or subleased by the taxpayer, the amount of new investment shall be deemed to be 8 times the net annual rent paid or incurred by the taxpayer for such investment. The net annual rent shall be the gross rent paid or incurred by the taxpayer during the taxable year, less any gross rental income received by the taxpayer from sublessees of any portion of such facility during such taxable year; and

(2) In determining the number of qualified employees, there shall be considered only employees:

§ 1115 Closing agreements.

The Commissioner, or any person authorized in writing by the Commissioner, is authorized to enter into an agreement in writing with any person relating to the liability of such person (or of another person for whom such person acts) with respect to any tax imposed under this chapter for any taxable period. As to any banking organization electing to remain open on any of such holidays, such day or days shall not constitute a holiday within the meaning of the laws of this State, and such banking organization shall incur no liability by reason of remaining open on such holiday. If any banking organization elects to close on any such holidays, any act authorized, required or permitted to be performed at or by such banking organization may be performed on the next succeeding banking day and no liability or loss of rights of any kind shall result from remaining closed, notwithstanding any law of this State to the contrary. This section shall not operate to invalidate or prohibit the doing of any act by any person or banking organization on any of such holidays, and nothing in any laws of this State, in any manner whatsoever, shall affect the validity or render void or voidable the payment, certification or acceptance of a check or any other negotiable instrument or any other transaction by any other person or banking organization, because done or performed during any of such holidays, notwithstanding any other law of this State to the contrary.

(65 Del. Laws, c. 298, § 1.)

Part III
Building and Loan Associations
Chapter 20
MERGER, CONSOLIDATION OR CONVERSION

§ 2001 Merger, consolidation and conversion authorized.

Any 2 or more building and loan associations incorporated under the general corporation laws of this State may, in the manner hereinafter provided, be merged into one such association, hereinafter designated as the surviving association, or consolidated into a new association to be formed under this chapter.

One or more building and loan associations incorporated under the general corporation laws of this State and 1 or more federal savings and loan associations, operating under the laws of the United States, may, in the manner hereinafter provided and pursuant to the laws of the United States, be merged into an association, hereinafter designated as the surviving association, or into a federal savings and loan association, or consolidated into a new association to be formed under this chapter, or into a new federal savings and loan association, and an association may, in the manner hereinafter provided and pursuant to the laws of the United States, be converted into a federal savings and loan association, and any federal savings and loan association may, in the manner hereinafter provided and pursuant to the laws of the United States, be converted into an association hereinafter designated as the converted association. No conversion of an association into a federal savings and loan association, or merger or consolidation of 1 or more associations with 1 or more federal savings and loan associations to form a federal savings and loan association shall be effected pursuant to this chapter, unless at the time of such merger, consolidation or conversion, the laws of the United States shall authorize a federal savings and loan association to merge into, consolidate with, or convert into an association with all the property and rights of such federal savings and loan association, vesting in such association in the same manner as is prescribed by this chapter in the merger, consolidation or conversion of federal savings and loan associations into building and loan associations.

(5 Del. C. 1953, § 2001; 49 Del. Laws, c. 253.)

§ 2002 Approval of joint plan of merger or consolidation, or plan of conversion.

The board of directors of each of the associations or federal savings and loan associations which desire to merge, consolidate or convert shall, by resolution adopted by at least a majority of all the members of each board, approve a joint plan of merger or consolidation or a plan of conversion, as the case may be, setting forth the terms and conditions of the merger, consolidation or conversion and the mode of carrying the same into effect, the manner and basis of converting the shares of each association or federal savings and loan association into shares or other securities or obligations of the surviving, new or converted association or federal savings and loan association, as the case may be, and such other details and provisions as are deemed necessary.

The board of directors of each association or federal savings and loan association, upon approving such plan of merger, consolidation or conversion in accordance with the provisions of this chapter, shall, by resolution, direct that the plan be submitted to a vote of the shareholders of such association or federal savings and loan association entitled to vote thereon, at annual or special meeting of the shareholders. Written notice shall, not less than 15 days before such annual or special meeting, be given respectively to each shareholder of record, unless the plan of merger or consolidation contemplates an increase in the authorized capital of the constituent associations, in which event 60 days' notice of such meeting shall be given to each shareholder. The notice shall state the place, day, hour, and purpose of the meeting, and a copy or a summary of the plan or merger, consolidation or conversion, as the case may be, shall be included in or enclosed with such notice. However, in the case of the surviving association in a merger, if the articles or bylaws specifically so provide, the plan of merger shall not be required to be submitted to the shareholders for approval, but in such case written notice of such contemplated merger shall be given to all shareholders of the surviving association, prior to the date upon which the articles of merger are filed with the Secretary of State; in such event, upon request in writing to the secretary of the association, any shareholder of the surviving association shall be entitled to receive forthwith a copy of the proposed plan of merger.

The plan of merger, consolidation or conversion, to form a surviving, new or converted association, shall be ratified upon receiving the affirmative vote of the holders of at least a majority of the outstanding shares entitled to vote thereon of each of the merging or consolidating associations or federal savings and loan associations, except in the case of a surviving association, the articles or bylaws of which, pursuant to this chapter, provide that action by the shareholders shall not be required, in which case no ratification shall be necessary.

The plan of conversion of an association into a federal savings and loan association, or the plan of merger or consolidation of 1 or more associations with 1 or more federal savings and loan associations to form a federal savings and loan association, shall be ratified upon receiving the affirmative vote of the holders of at least a majority of the outstanding shares entitled to vote thereon of the association converting, or of each of the merging or consolidating associations.

(5 Del. C. 1953, § 2002; 49 Del. Laws, c. 253.)

§ 2003 Articles of merger, consolidation or conversion.

Upon the approval, pursuant to this chapter, of the plan of merger, consolidation or conversion by the shareholders of the associations or federal savings and loan associations desiring to merge, consolidate or convert, or in the case of a surviving association, the articles or bylaws of which, pursuant to this chapter, provide that action by the shareholders shall not be required upon the giving of written notice to the shareholders of the intention of the board of directors to file articles of merger with the Secretary of State, articles of merger, consolidation or conversion, as the case may be, shall be executed under the seal of each association or federal savings and loan association and verified by 2 duly authorized officers of each association or federal savings and loan association, and shall set forth:

§ 2004 Advertisement.

The association or federal savings and loan association shall advertise its intention to file articles of merger, consolidation or conversion, as the case may be, with the Secretary of State. Advertisements shall appear in a newspaper of the county where the involved association or federal savings and loan association has its principal office at least 3 days prior to the day on which the articles of merger, consolidation or conversion are to be presented to the Secretary of State, and shall set forth briefly:

§ 2005 Filing of articles of merger, consolidation or conversion; payment of fees; approval by Secretary of State.

The articles of merger, consolidation or conversion, as the case may be, the proof of publication of the advertisement required by this chapter, and a certificate or certificates from the proper department or departments evidencing payment by the corporation of all taxes and charges as required by law, shall be delivered to the Secretary of State.

The Secretary of State shall examine such articles of merger, consolidation or conversion, such proof of publication and such certificate or certificates herein required to be delivered therewith to determine whether they contain all the information and are in the form required by this chapter, and also whether the name of the surviving, new or converted association, as the case may be, conforms with the requirements of law for the name of such an association, or, if the name is not the same as either or any of the merging or consolidating associations, whether it is the same as 1 already adopted or reserved by another corporation or person or is so similar thereto that it is likely to mislead the public.

After all the fees, taxes, and other charges have been paid as required by law, except for the costs of an examination made by the State Bank Commissioner, pursuant to this chapter, to determine whether to approve the merger, consolidation or conversion, or any other charges made by the State Bank Commissioner, the Secretary of State, if the articles of merger, consolidation or conversion, the certificate or certificates herein required to be delivered therewith and the proof of publication contain the information and are in the form required by this chapter, shall forthwith, but not prior to the day specified in the advertisement of the intention to file the articles, endorse the Secretary of State's approval thereon, and shall forthwith transmit them to the State Bank Commissioner.

If the Secretary of State shall disapprove the articles of merger, consolidation or conversion pursuant to this chapter, the Secretary of State shall forthwith give notice thereof to the association or federal savings and loan association, stating in detail the Secretary of State's reasons for doing so, and stating how such association or federal savings and loan association can remedy the nonconformance with the provisions of this chapter. Upon remedying the defect, such association or federal savings and loan association may in the same manner file the same or amended articles, whichever the particular case may require.

(5 Del. C. 1953, § 2005; 49 Del. Laws, c. 253; 84 Del. Laws, c. 42, § 66.)

§ 2006 Approval of articles of merger, consolidation or conversion by State Bank Commissioner.

The State Bank Commissioner shall, immediately upon the receipt from the Secretary of State of the articles of merger, consolidation or conversion, conduct such examination as the Commissioner may deem necessary to ascertain from the best sources of information at the Commissioner's command:

- (1) Whether the name of the surviving, new or converted association, or federal savings and loan association is likely to mislead the public;
- (2) Whether the consolidation, merger or conversion is made for legitimate purposes;
- (3) Whether the interests of the shareholders or creditors are adequately protected;
- (4) Whether the surviving, new or converted association meets all the requirements of this chapter and violates none of its prohibitions.

The cost of such examination and any other charges of the State Bank Commissioner, bearing upon the filing of the articles of merger, consolidation or conversion, shall be assessed upon the associations in the manner provided by law for assessments by the State Bank Commissioner of costs of examinations or other charges.

Each federal savings and loan association desiring to merge, consolidate or convert shall pay to the Secretary of State, at the time the articles of merger, consolidation or conversion are filed, such reasonable fees, as shall be established by rule and regulation by the State Bank Commissioner, for the investigation made by the State Bank Commissioner, pursuant to this chapter, to determine whether the articles should be approved. Such fees shall be paid by the Secretary of the State to the State Treasurer, to become a part of the General Fund of the State.

Within 30 days after the receipt of the articles of merger, consolidation or conversion from the Secretary of State, the State Bank Commissioner shall, upon the basis of the facts disclosed by the investigation provided for by this section, either approve or disapprove such articles. The Commissioner shall immediately notify the Secretary of State in writing of the Commissioner's action. If the Commissioner shall approve the articles of merger, consolidation or conversion, the Commissioner shall endorse approval thereon, and shall return them to the Secretary of State.

If the State Bank Commissioner disapproves the articles of merger, consolidation or conversion, the Commissioner shall return them to the Secretary of State, stating in detail the Commissioner's reasons for doing so. The Secretary of State shall immediately give notice to the associations or federal savings and loan associations desiring to merge, consolidate or convert, or to the federal savings and loan association desiring to convert of the action of the State Bank Commissioner, and of the reasons therefor as stated to the Secretary of State by said State Bank Commissioner. Such associations or federal savings and loan association may appeal from such disapproval as provided by law in § 8710 of Title 29.

(5 Del. C. 1953, § 2006; 49 Del. Laws, c. 253; 57 Del. Laws, c. 740, § 21; 70 Del. Laws, c. 186, § 1; 84 Del. Laws, c. 42, §§ 1, 67.)

§ 2007 Issuance of certificate of merger, consolidation or conversion.

Immediately upon receipt of the approved articles of merger, consolidation or conversion from the State Bank Commissioner, and upon receipt by the Secretary of State of the written approval of the Federal Home Loan Bank Board, if such approval is required by law, the Secretary of State shall file the articles, and shall issue to the surviving, new or converted association or federal savings and loan association, or its representative, a certificate of merger, consolidation or conversion. A copy of the approved articles of merger, consolidation or conversion shall be sent by the Secretary of State to the State Bank Commissioner.

(5 Del. C. 1953, § 2007; 49 Del. Laws, c. 253.)

§ 2008 Effect of merger, consolidation or conversion.

(a) Upon the merger or consolidation becoming effective, the several associations, or federal savings and loan associations, parties to the plan of merger or consolidation, shall be a single association or federal savings and loan association, which, in the case of a merger, shall be that association or federal savings and loan association designated in the plan of merger as the surviving association or federal savings and loan association, and, in the case of a consolidation, shall be the new association or federal savings and loan association provided for in the plan of consolidation. The separate existence of all associations, parties to the plan of merger or consolidation, shall cease, except, in the case of a merger, that of the surviving association or federal savings and loan association.

(b) All the property, real, personal, and mixed, of each of the associations or federal savings and loan associations, parties to the plan of merger, consolidation, or conversion, and all debts or obligations due to any of them, including subscriptions to shares, and other choses in action belonging to either or any of them, shall be taken and deemed to be transferred to and vested in the surviving, new or converted association or federal savings and loan association, as the case may be, without further act or deed. The surviving, new or converted association or federal savings and loan association shall thenceforth be responsible for all the liabilities and obligations of each of the associations or federal savings and loan associations so merged, consolidated or converted; but the liabilities of the merging, consolidating or converting associations or federal savings and loan associations, or of their shareholders, directors, or officers, shall not be affected, nor shall the rights of the creditors thereof or of any persons dealing with such associations or federal savings and loan associations, or any liens upon the property of such associations or federal savings and loan associations, be impaired by such merger, consolidation or conversion, and any claim existing or action or proceeding pending by or against any of such associations or federal savings and loan associations may be prosecuted to judgment as if such merger, consolidation or conversion had not taken place, or the surviving, new or

converted association may be proceeded against or substituted in its place.

(c) In the case of a merger, the articles of incorporation of the surviving association shall be deemed to be amended to the extent, if any, that changes in its articles are stated in the articles of merger; and in the case of a consolidation or conversion into a converted association, the statements set forth in the articles of consolidation or conversion, and which are required or permitted to be set forth in the articles of incorporation of associations formed under the general corporation laws of this State, shall be deemed to be the articles of incorporation of the new or converted association.

(5 Del. C. 1953, § 2008; 49 Del. Laws, c. 253.)

§ 2009 Rights of dissenting shareholders.

If any shareholder of an association or federal savings and loan association which becomes a party to a plan of merger, consolidation or conversion shall file with such association or federal savings and loan association, prior to or at the meeting of shareholders at which the plan of merger, consolidation or conversion is submitted to a vote, or in the case of a shareholder of a surviving association which, pursuant to this chapter, becomes a party to a plan of merger without action by its shareholders, shall file, within 20 days after the written notice of such merger has been given as required by this chapter, a written objection to such plan of merger, consolidation or conversion, and shall not vote in favor thereof, and such shareholder, within 20 days after the merger, consolidation or conversion was effected, shall make written demand on the surviving, new or converted association or federal savings and loan association for the payment of the fair value of the shareholder's shares as of the day prior to the date on which the vote was taken approving the merger, consolidation or conversion, or in the case of a surviving association which, pursuant to this chapter, became a party to the merger without action of its shareholders the day prior to the date on which the articles of merger were filed with the Secretary of State, without regard to any depreciation or appreciation thereof in consequence of the merger, consolidation or conversion, the surviving, new or converted association or federal savings and loan association shall pay to such shareholder the fair value of the shareholder's shares upon surrender of the share certificate or other evidence of the shareholder's shares. The demand of the shareholder shall state the number and kind of the shares owned by the shareholder. Any shareholder who fails to file such written objection, or any shareholder who files such written objection and fails to make demand within the 20-day period, shall be conclusively presumed to have consented to the merger, consolidation or conversion, and shall be bound by the terms thereof. If within 30 days after the date on which such merger, consolidation or conversion was effected the value of such shares shall be agreed upon by the dissenting shareholder and the surviving, new or converted association or federal savings and loan association, payment thereof shall be made in cash, within 90 days after the date on which such merger, consolidation or conversion was effected, upon the surrender of the share certificate or other evidence of the dissenting shareholder's shares. Upon payment of the agreed value, the dissenting shareholder shall cease to have any interest in such shares or in the association or federal savings and loan association.

If within such period of 30 days the shareholder and the surviving, new or converted association or federal savings and loan association do not so agree, then the dissenting shareholder may, within 60 days after the expiration of the 30-day period, apply, by petition to the Court of Chancery of this State, within the county in which the place of business of the surviving, new or converted association or federal savings and loan association is situated for the appointment by the court of 3 disinterested persons to appraise the fair market value of the dissenting shareholder's shares without regard to any depreciation or appreciation thereof in consequence of the merger, consolidation or conversion. The award of the appraisers, or of a majority of them, when confirmed by the court, shall be final and conclusive. The costs of such appraisal, including a reasonable fee to the appraisers, shall be fixed by the court, and shall be assessed either upon the new, surviving or converted association or federal savings and loan association, or upon the dissenting shareholder, or upon both, in the discretion of the court. The award shall be payable only upon, and simultaneously with, the surrender to the surviving, new or converted association or federal savings and loan association of the share certificate or certificates representing the shares of the dissenting shareholder. If the award shall not be paid by the surviving, new or converted association or federal savings and loan association within 30 days after the award was made by the appraisers, the amount of the award shall be a judgment against the surviving, new or converted association or federal savings and loan association, as the case may be, and may be collected as other judgments in such court are by law collectible. Upon the payment of the award or judgment, the dissenting shareholder shall cease to have any interest in such shares or in the surviving, new or converted association or federal savings and loan association. Unless the dissenting shareholder shall file a petition within the time herein limited, such shareholder, and all persons claiming under such shareholder, shall be conclusively presumed to have approved and ratified the merger, consolidation or conversion and shall be bound by the terms thereof. The right of the dissenting shareholder to be paid the fair value of the dissenting shareholder's shares, as herein provided, shall cease if and when the association shall abandon the merger, consolidation or conversion.

(5 Del. C. 1953, § 2009; 49 Del. Laws, c. 253; 70 Del. Laws, c. 186, § 1; 84 Del. Laws, c. 42, § 68.)

§ 2010 Effective date of merger, consolidation or conversion.

Upon the issuance of the certificate of merger, consolidation or conversion by the Secretary of State, the merger, consolidation or conversion shall be effective. The certificate of merger, consolidation or conversion shall be conclusive evidence of the performance of all conditions precedent to such consolidation, merger or conversion and the creation or existence of a new, surviving or converted association, except as against the State.

(5 Del. C. 1953, § 2010; 49 Del. Laws, c. 253.)

§ 2011 Branch offices.

(a) Any building and loan association incorporated under the laws of this State may open and maintain a branch office or place of business, or branch offices or places of business in this State, upon application submitted to and approved by the State Bank Commissioner, and upon the issuance of a certificate of authority by said Commissioner. The application shall state the exact location of the intended branch office and the necessity for its opening. The Commissioner shall inquire into the matter and if the Commissioner deems that the public convenience will be served thereby and that there is good and sufficient reason that the association shall have the branch office, the Commissioner shall issue the certificate of authority. Any certificate of authority issued by the Commissioner shall be void and of no effect at the expiration of 6 months after date of issue, unless the branch is actually opened for business. Unavoidable delay in opening the branch, due to construction problems or controls, or other matters beyond the control of the parent company, may be taken into consideration, and the Commissioner may extend the certificate for periods of 30 days in the event of such circumstances.

A fee of \$575 for every such certificate shall be required by the Commissioner before issuing the same. In addition, the applicant shall pay an investigation fee of \$575 which shall not be refundable and shall be submitted with the application.

(b) In the event of a merger or consolidation of associations under this chapter, the merging or consolidating associations may in their plan of merger or consolidation, and in their articles of merger or consolidation, provide for the continuance of the office or offices of the associations to be merged or consolidated as a branch office or branch offices of the surviving or new association, and if said articles are approved as required under this chapter relating to merger and consolidation, said office or offices may be continued after merger or consolidation as branch offices of the surviving or new association, without the necessity of filing separate applications under subsection (a) of this section.

(c) Nothing in this section shall deny any building and loan association the right to continue a branch office or offices if such branch office or offices shall have been actually established prior to June 28, 1963.

(5 Del. C. 1953, § 2011; 54 Del. Laws, c. 86; 60 Del. Laws, c. 268, §§ 13, 14; 67 Del. Laws, c. 260, § 1; 70 Del. Laws, c. 186, § 1.)

§ 2012 Fees for merger, consolidation or conversion.

The resulting association shall pay to the office of State Bank Commissioner a fee of \$1,150 upon approval of a merger, consolidation or conversion. In addition, the resulting association shall pay an investigation fee of \$575 which shall not be refundable and shall be submitted with the application.

(b) The Commissioner shall be authorized to exempt such persons or classes of persons, or such activities, from the licensing or other provisions of this chapter as the Commissioner shall find inappropriate to include within the coverage of this chapter in order to effectuate its purposes.

Upon the filing of an application for a license, if the Commissioner shall find that the financial responsibility, experience, character and general fitness of the applicant and of the members thereof (if the applicant is a partnership or association) and of the officers and directors thereof (if the applicant is a corporation) are such as to warrant belief that its business will be operated honestly, fairly and efficiently within the purpose of this chapter, the Commissioner shall thereupon issue a license to transact business in accordance with this chapter. If the Commissioner shall not so find, the Commissioner shall not issue such license and the Commissioner shall notify the applicant of its denial, give notice of the grounds for refusal and notify the applicant of the right to request a hearing. If the applicant requests a hearing, the Commissioner shall hold such hearing under Chapter 101 of Title 29. The Commissioner shall approve or deny every application for license hereunder within 90 days from the date the Commissioner determines that the application as filed with the Commissioner is complete.

A licensee shall obtain a license for each office or other place of business from which its mortgage loan brokerage business is conducted upon payment of the required fees for each office and compliance with all applicable provisions of law. In the event the location of a licensed office is changed during the term of the license, the Commissioner shall issue without charge an amended license for the new location. If there is a change of name but no change in corporate or other business structure, the Commissioner shall issue without charge an amended license for the new name. Such license shall not otherwise be transferrable or assignable. The Commissioner may issue more than 1 license to the same applicant upon payment of the required fees and compliance with all applicable provisions of law.

(68 Del. Laws, c. 326, § 1; 69 Del. Laws, c. 165, § 25; 72 Del. Laws, c. 15, § 28; 80 Del. Laws, c. 225, § 3.)

The Commissioner may mandate that applications for renewal shall be treated as new applications if said renewal applications are not on file with the office of the State Bank Commissioner at least 30 days prior to the expiration of such license or renewal thereof. Compensation under the bond shall be for amounts which represent actual losses and shall not be payable for claims made by business creditors, third-party service providers, agents or persons otherwise in the employ of the licensee. Surety claims shall be paid to the office of the State Bank Commissioner by the insurer not later than 90 days after receipt of a claim. Claims paid after 90 days shall be subject to daily interest at the legal rate. The aggregate liability of the surety on the bond, exclusive of any interest which accrues for payments made after 90 days, shall in no event exceed the amount of such bond.

(3) If the licensee changes its surety company or the bond is otherwise amended, the licensee shall immediately provide the Commissioner with the amended original copy of the surety bond. No cancellation of an existing bond by a surety shall be effective unless written notice of its intention to cancel is filed with the Commissioner at least 30 days before the date upon which cancellation shall take effect.

(4) The Commissioner may require potential claimants to provide such documentation and affirmations as the Commissioner shall determine to be necessary and appropriate. In the event the Commissioner determines that multiple consumers have been injured by a licensee, the Commissioner shall cause a notice to be published for the purpose of identifying all relevant claims.

(5) When a surety company receives a claim against the bond of a licensee, it shall immediately notify the Commissioner and shall not pay any claim unless and until it receives notice to do so from the Commissioner.

(6) The Commissioner shall have a period of 2 calendar years after the effective date of cancellation or termination of the surety bond by the insurer to submit claims to the insurer.

(b) *Irrevocable letters of credit.* — In lieu of requiring the filing of a surety bond, the Commissioner may, at the Commissioner's discretion, accept from a licensee an irrevocable letter of credit.

(1) Such irrevocable letters of credit shall be provided by an insured depository institution (as defined in the Federal Deposit Insurance Act at 12 U.S.C. § 1813(c)) acceptable to the Commissioner, in a form satisfactory to the Commissioner in the principal sum of \$25,000.

(2) No irrevocable letter of credit shall be accepted unless the following requirements are satisfied:

a. The irrevocable letter of credit shall run to the State for the benefit of the office of the State Bank Commissioner and for the benefit of all consumers injured by the wrongful act, omission, default, fraud or misrepresentation by a licensee in the course of its activity as a licensee. Compensation under the irrevocable letter of credit shall be for amounts which represent actual losses and shall not be payable for claims made by business creditors, third-party service providers, agents or persons otherwise in the employ of the licensee. The aggregate liability of the insured depository institution issuing the irrevocable letter of credit shall in no event exceed the amount of such irrevocable letter of credit; and

b. Draws upon such irrevocable letters of credit shall be available by sight drafts thereunder, in amounts determined by the Commissioner, up to the aggregate amount of the irrevocable letter of credit. Such drafts shall be paid in accordance with § 5-112(1) of Title 6.

(3) The Commissioner may require potential claimants to provide such documentation and affirmations as the Commissioner shall determine to be necessary and appropriate. In the event the Commissioner determines that multiple consumers have been injured by a licensee, the Commissioner shall cause a notice to be published for the purpose of identifying all relevant claims.

(4) The Commissioner may refuse release of an irrevocable letter of credit, following the surrender of a license, up to 2 years after the effective date of such termination of licensure.

§ 2109 Suspension, revocation or surrender of license.

(a) The Commissioner may revoke any license issued hereunder if the Commissioner shall find that:

(1) The licensee has violated any provision of this chapter or any rule, regulation or order made by the Commissioner under and within the authority of this chapter or of any other law, rule or regulation of this State or the United States;

(2) Any fact or condition exists which, if it had existed at the time of the original application for such license, would have warranted a refusal to originally issue such license on the part of the Commissioner; or

(3) The licensee has engaged in business activities or practices inconsistent with its responsibilities as set forth in § 2114 of this title.

(b) The Commissioner may temporarily suspend any license pending the issuance of a final order as provided in Chapter 101 of Title 29.

(c) Except as provided in subsection (b) of this section, no license shall be revoked or suspended except after notice and an opportunity for the licensee to request a hearing in accordance with Chapter 101 of Title 29.

(d) Any licensee may surrender any license by delivering to the Commissioner such license together with written notice that it thereby surrenders such license, but such surrender shall not affect such licensee's civil or criminal liability for acts committed prior to such surrender.

(e) No revocation, suspension or surrender of any license shall impair or affect the obligation of any preexisting lawful contract between the licensee and any person.

(f) Every license issued hereunder shall remain in force and effect until the same shall have expired or shall have been surrendered, revoked or suspended in accordance with this chapter, but the Commissioner shall have the authority to reinstate a suspended license or to issue a new license to a licensee whose license shall have been revoked if no fact or condition then exists which would have warranted the Commissioner in refusing originally to issue such license under this chapter.

(g) Whenever the Commissioner shall revoke or suspend a license issued pursuant to this chapter, the Commissioner shall forthwith execute a written order to that effect. The Commissioner shall forthwith serve the written order upon the licensee. Any such order may be reviewed in the manner provided by Chapter 101 of Title 29.

On the occasion of each such visit and examination, the Commissioner shall (in the company of one or more of the officers of such licensee, if requested by such licensee) be given free access to every part of the office or place or places of business and to the assets, securities, books, papers and records of such licensee.

(b) If, in the Commissioner's opinion, it is necessary or convenient for a proper examination of a licensee, the Commissioner may retain 1 or more accountants, attorneys, appraisers or other 3rd parties to assist the Commissioner in such examination. Within 10 days after receipt of a statement from the Commissioner, such licensee shall pay or reimburse the fees, costs and expenses of any 3rd parties retained by the Commissioner under this subsection.

(c) Any examination under this section may be made by any person or persons designated by the Commissioner, and in such case all the powers vested in the Commissioner by this section shall be possessed by such person or persons so designated. When any such examination is made without the presence of the Commissioner, the Commissioner shall give written authority to the person or persons conducting such examination, which shall be exhibited, on request, to any person contacted in the course of the investigation.

(68 Del. Laws, c. 326, § 1.)

A licensee may not receive a fee for acting as a mortgage loan broker except pursuant to a written agreement between the mortgage loan broker and the borrower. Such written agreement shall be entered into prior to the time that the mortgage loan broker undertakes to perform mortgage loan brokerage services on behalf of a borrower. A copy of the fully completed written agreement shall be provided to the borrower at the time the borrower signs the agreement. The agreement:

(1) Must describe the services to be provided by the mortgage loan broker and the time period within which such services are to be provided;

(2) Must specify the amount and terms of the fees that the mortgage loan broker is to receive; and

(3) Shall otherwise contain such information and disclosures, in such format, as the Commissioner by regulation may provide.

No mortgage loan broker shall make or use any false or misleading representations or omit any material fact in the offer, sale or performance of the services of a mortgage loan broker or engage directly or indirectly in any act that operates as fraud or deception upon any person in connection with the offer, sale or performance of the services of a mortgage loan broker, notwithstanding the absence of reliance by a borrower.

(68 Del. Laws, c. 326, § 1.)

§ 2115 Mortgage loan broker fees.

A licensee may not accept any fee in connection with a mortgage loan, other than an application fee or any credit report fee, property appraisal fee, title examination fee or other bona fide 3rd-party fee actually and reasonably paid or incurred by the licensee on behalf of the borrower, prior to obtaining a written commitment from a qualified lender (setting forth the terms and conditions upon which the lender is willing to make a mortgage loan to the borrower). The amount of fees that may be collected or received by a mortgage loan broker, whether constituting an application fee, a fee payable to a 3rd party, fee payable at the time of written commitment or upon consummation of a mortgage loan or otherwise, shall be subject to such limitations as may be provided by regulation of the Commissioner. A licensee shall be obligated to refund all fees collected by it from a borrower, other than those fees paid by the licensee to a 3rd party, if a written

commitment for a mortgage loan from a qualified mortgage lender is not produced within the time specified by the mortgage loan broker and otherwise at the rate, terms and overall costs agreed upon by the borrower or the mortgage loan does not close; provided however, that a licensee shall not be required to refund fees when the failure to obtain a written commitment for a mortgage loan or the failure of a closing thereunder to occur is due to the substantial fault of the borrower. For purposes of this section, substantial fault of the borrower means that the borrower has:

- (1) Failed to provide information or documentation required by the lender or mortgage loan broker in a timely manner;
- (2) Provided information, in the application or subsequently, which upon verification proves to be significantly inaccurate, causing the need for review or further investigation by the lender or mortgage loan broker;

- (4) Failed to be ready, willing or able to close the mortgage loan no later than the date specified by the lender.

The Commissioner, by regulation, may provide further definition of the circumstances constituting substantial fault of a borrower, including, without limitation, reasonable time periods for the provision by a borrower of information or documentation or when information will be considered significantly inaccurate.

(2) Prelicensing education and testing, and postlicensing continuing education of individuals employed by the applicants or licensees subject to the system; and

(3) Any additional investigation fees, any fees paid directly to the administrator of the system, or any other fee required by the system to process an application or maintain a license, in such amount as the Commissioner determines is necessary to participate in the system.

(c) The administrator of any such system in which the Commissioner participates is authorized to act on behalf of the Commissioner to collect from the applicants and licensees subject to the system any payments due the Commissioner under this chapter, to collect information and maintain records in electronic or other format relating to those applicants and licensees, and to submit fingerprints and any other information required for a criminal history background check to the Federal Bureau of Investigation or other law-enforcement agency.

(d) Information maintained on any such system in which the Commissioner participates regarding the applicants and licensees subject to the system may be shared with any other state participating in that system for the purpose of licensing, regulating, or supervising that same applicant or licensee under a statute similar to this chapter, if that state could have obtained that same information directly from the applicant or licensee under its own law. The Commissioner shall ensure that the system maintains appropriate confidentiality, privacy, data security, and security breach notification policies that are in full compliance with Delaware law.

(2) “Reverse mortgage loan” means a mortgage loan the proceeds of which are disbursed to the mortgagor in 1 or more lump sums, or in equal or unequal installments, either directly by the lender or the lender’s agent, and which requires no repayment until a future time, upon the earliest occurrence of 1 or more events specified in the reverse mortgage loan contract.

(b) A licensee may not accept any fee in connection with a reverse mortgage loan, other than an application fee or a credit report fee, property appraisal fee, title examination fee or other bona fide third-party fee actually and reasonably paid or incurred by the licensee on behalf of the borrower, prior to receiving a written certification from an independent housing counselor attesting that the prospective borrower has received counseling on reverse mortgage loans that includes the information specified in 12 U.S.C. § 1715z-20(f) and such other information as the Commissioner may designate by regulation.

(76 Del. Laws, c. 335, § 1.)

(b) A licensee may not receive any compensation for mortgage loan modification services prior to the execution of a written contract that describes in detail all such services that the licensee will perform and all compensation that the licensee will receive for those services. Any compensation received by a licensee in advance of the completion of all such services may not exceed \$250.

(c) The total compensation that a licensee receives for mortgage loan modification services must be limited to an amount that is customary and reasonable for those services in this State.

(66 Del. Laws, c. 22, § 1; 70 Del. Laws, c. 327, § 42.)

§ 2208 Surety bonds and irrevocable letters of credit.

(a) *Surety bonds.* — (1) Every licensee shall file with the Commissioner, in a form satisfactory to the Commissioner, an original corporate surety bond, with surety provided by a corporation authorized to transact business in this State, in the principal sum to be determined by the Commissioner, except that the bond amount shall not be less than \$50,000 nor more than \$200,000. In determining the amount of the bond required for a licensee, the Commissioner shall consider, among other things:

- a. The dollar value of the lender's Delaware business;
- b. The dollar value of advance fees collected by the lender;
- c. The periods for which such fees are held before a loan is funded; and
- d. Such other and further criteria as the Commissioner may deem necessary and appropriate.

(2) No bond shall be accepted unless the following requirements are satisfied:

- a. The aggregate value of the bond shall be equal to or greater than the amount determined in accordance with subsection (a)(1) of this section;
- b. The term of the bond shall be commensurate with the license period or continuous;
- c. The expiration date of the bond shall not be earlier than midnight of the date on which the license expires; and

d. The bond shall run to the State for the benefit of the office of the State Bank Commissioner and for the benefit of all consumers injured by any wrongful act, omission, default, fraud or misrepresentation by a licensee in the course of its activity as a licensee. Compensation under the bond shall be for amounts which represent actual losses and shall not be payable for claims made by business creditors, third-party service providers, agents or persons otherwise in the employ of the licensee. Surety claims shall be paid to the office of the State Bank Commissioner by the insurer not later than 90 days after receipt of a claim. Claims paid after 90 days shall be subject to daily interest at the legal rate. The aggregate liability of the surety on the bond, exclusive of any interest which accrues for payments made after 90 days, shall in no event exceed the amount of such bond.

(3) If the licensee changes its surety company or the bond is otherwise amended, the licensee shall immediately provide the Commissioner with the amended original copy of the surety bond. No cancellation of an existing bond by a surety shall be effective unless written notice of its intention to cancel is filed with the Commissioner at least 30 days before the date upon which cancellation shall take effect.

(4) The Commissioner may require potential claimants to provide such documentation and affirmations as the Commissioner may determine to be necessary and appropriate. In the event the Commissioner determines that multiple consumers have been injured by a licensee, the Commissioner shall cause a notice to be published for the purpose of identifying all relevant claims.

(5) When a surety company receives a claim against the bond of a licensee, it shall immediately notify the Commissioner and shall not pay any claim unless and until it receives notice to do so from the Commissioner.

(6) The Commissioner shall have a period of 2 calendar years after the effective date of cancellation or termination of the surety bond by the insurer to submit claims to the insurer.

(b) *Irrevocable letters of credit.* — In lieu of requiring the filing of a surety bond, the Commissioner may, at the Commissioner's discretion, accept from a licensee an irrevocable letter of credit.

(1) Such irrevocable letters of credit shall be provided by an insured depository institution (as defined in the Federal Deposit Insurance Act at 12 U.S.C. § 1813(c)) acceptable to the Commissioner, in a form satisfactory to the Commissioner in the principal sum to be determined by the Commissioner, except that the irrevocable letter of credit amount shall not be less than \$50,000 nor more than \$200,000. In determining the amount of the irrevocable letter of credit required for a licensee, the Commissioner shall consider, among other things:

- a. The dollar value of the lender's Delaware business;
- b. The dollar value of advance fees collected by the lender;
- c. The periods for which such fees are held before a loan is funded; and
- d. Such other and further criteria as the Commissioner may deem necessary and appropriate.

(2) No irrevocable letter of credit shall be accepted unless the following requirements are satisfied:

a. The aggregate value of the irrevocable letter of credit shall be equal to or greater than the amount determined by subsection (b)(1) of this section;

b. The irrevocable letter of credit shall run to the State for the benefit of the office of the State Bank Commissioner and for the benefit of all consumers injured by the wrongful act, omission, default, fraud or misrepresentation by a licensee in the course of its activity as a licensee. Compensation under the irrevocable letter of credit shall be for amounts which represent actual losses and shall not be payable for claims made by business creditors, third-party service providers, agents or persons otherwise in the employ of the licensee. The aggregate liability of the insured depository institution issuing the irrevocable letter of credit shall in no event exceed the amount of such irrevocable letter of credit; and

c. Draws upon such irrevocable letters of credit shall be available by sight drafts thereunder, in amounts determined by the Commissioner, up to the aggregate amount of the irrevocable letter of credit. Such drafts shall be honored in accordance with § 5-112(1) of Title 6.

(3) The Commissioner may require potential claimants to provide such documentation and affirmations as the Commissioner may determine to be necessary and appropriate. In the event the Commissioner determines that multiple consumers have been injured by a licensee, the Commissioner shall cause a notice to be published for the purpose of identifying all relevant claims.

(4) The Commissioner may refuse release of an irrevocable letter of credit, following the surrender of a license, up to 2 years after the effective date of such termination of licensure.

(66 Del. Laws, c. 22, § 1; 68 Del. Laws, c. 105, § 22; 70 Del. Laws, c. 356, § 2.)

§ 2209 Suspension, revocation or surrender of license.

(a) The Commissioner may revoke any license issued hereunder if the Commissioner shall find that:

(1) The licensee has violated any provision of this chapter or any rule or regulation made by the Commissioner under and within the authority of this chapter or of any other law, rule or regulation of this State or the United States.

(2) Any fact or condition exists which, if it had existed at the time of the original application for such license, would have warranted the Commissioner in refusing originally to issue such license.

(3) The licensee has engaged in business activities or practices in connection with extensions of credit to consumers, which could be deemed unfair or deceptive by nature of intent. Such activities and practices include, but are not limited to, the use of tactics which mislead the consumer, misrepresent the consumer transaction or any part thereof or otherwise create false expectations on the part of the

consumer.

(b) The Commissioner may temporarily suspend any license pending the issuance of a final order as provided in Chapter 101 of Title 29.

(c) Except as provided in subsection (b) of this section, no license shall be revoked or suspended except after notice and an opportunity for the licensee to request a hearing in accordance with Chapter 101 of Title 29.

(d) Any licensee may surrender any license by delivering to the Commissioner such license together with written notice that it thereby surrenders such license, but such surrender shall not affect such licensee's civil or criminal liability for acts committed prior to such surrender.

(e) No revocation, suspension or surrender of any license shall impair or affect the obligation of any preexisting lawful contract between the licensee and any person.

(f) Every license issued hereunder shall remain in force and effect until the same shall have expired or shall have been surrendered, revoked or suspended in accordance with this chapter, but the Commissioner shall have authority to reinstate a suspended license or to issue a new license to a licensee whose license shall have been revoked if no fact or condition then exists which would have warranted the Commissioner in refusing originally to issue such license under this chapter.

(g) Whenever the Commissioner shall revoke or suspend a license issued pursuant to this chapter, the Commissioner shall forthwith execute a written order to that effect. The Commissioner shall forthwith serve the written order upon the licensee. Any such order may be reviewed in the manner provided by Chapter 101 of Title 29.

§ 2210 Supervision and examination of business by Commissioner.

(a) Every person or combination of persons licensed to transact business as provided in this chapter in the State shall be subject to the supervision and examination of the State Bank Commissioner and shall be examined by the Commissioner or the Commissioner's authorized representative annually or at such intervals as the Commissioner deems necessary.

(b) On the occasion of every examination, the Commissioner or the Commissioner's authorized representative shall be given access to every part of the office or place of business visited and to the assets, securities, books and papers of the business.

(c) The examination made by the Commissioner or the Commissioner's authorized representative shall be a thorough examination into the affairs of the business visited, the resources and liabilities, the investment of the funds, the mode of conducting the business and the compliance or noncompliance with this Code or any regulations promulgated thereunder, and any other statutes or regulations of this State or the United States; and in connection with such examination the Commissioner or the Commissioner's authorized representative may examine, under oath or affirmation, any and all persons connected with or associated with the licensee.

(d) If, in the Commissioner's opinion, it is necessary for a thorough examination of a licensee, the Commissioner may retain 1 or more accountants, attorneys, appraisers or other third parties to assist the Commissioner in such examination. Within 10 days after receipt of a statement from the Commissioner, such licensee shall pay or reimburse the fees, costs and expenses of any third parties retained by the Commissioner under this subsection.

(e) The Commissioner may prescribe regulations to carry out the purposes of this chapter.

(66 Del. Laws, c. 22, § 1; 68 Del. Laws, c. 303, § 38; 70 Del. Laws, c. 186, § 1; 77 Del. Laws, c. 126, § 4; 84 Del. Laws, c. 42, § 71.)

§ 2211 Maintenance of books and records by licensee.

(a) Every licensee shall maintain such books, accounts and records relating to all transactions within this chapter as will enable the Commissioner to enforce full compliance with this chapter.

(b) Each licensee that engages in the business of making mortgage loans, as defined by § 2403(13) of this title, shall submit to the Nationwide Mortgage Licensing System and Registry developed and maintained by the Conference of State Bank Supervisors and the American Association of Residential Mortgage Regulators reports of condition, which shall be in such form and shall contain such information as the Nationwide Mortgage Licensing System and Registry may require.

(66 Del. Laws, c. 22, § 1; 77 Del. Laws, c. 96, § 4.)

§ 2212 Retention of books and records by licensee.

All books, accounts and records of the licensee shall be preserved and kept available as provided in this chapter for such period of time as the Commissioner may by regulation require.

(66 Del. Laws, c. 22, § 1.)

§ 2213 Contents of books and records.

The Commissioner may prescribe the minimum information to be shown in such books, accounts and records of the licensee so that such records will enable the Commissioner to determine compliance with this chapter.

(66 Del. Laws, c. 22, § 1.)

§ 2213A Multi-state automated licensing system.

(a) The Commissioner is authorized to participate in any automated system involving 1 or more other states that will facilitate any aspect of the application and licensing processes of this chapter.

(b) Upon joining any such system, the Commissioner may by regulation establish:

(1) Any additional requirements for a license under this chapter that the Commissioner determines are necessary for participation in the system;

(2) Prelicensing education and testing, and postlicensing continuing education of individuals employed by the applicants or licensees subject to the system; and

(3) Any additional investigation fees, any fees paid directly to the administrator of the system, or any other fee required by the system to process an application or maintain a license, in such amount as the Commissioner determines is necessary to participate in the system.

(c) The administrator of any such system in which the Commissioner participates is authorized to act on behalf of the Commissioner to collect from the applicants and licensees subject to the system any payments due the Commissioner under this chapter, to collect information and maintain records in electronic or other format relating to those applicants and licensees, and to submit fingerprints and any other information required for a criminal history background check to the Federal Bureau of Investigation or other law-enforcement agency.

(d) Information maintained on any such system in which the Commissioner participates regarding the applicants and licensees subject to the system may be shared with any other state participating in that system for the purpose of licensing, regulating, or supervising that same applicant or licensee under a statute similar to this chapter, if that state could have obtained that same information directly from the applicant or licensee under its own law. The Commissioner shall ensure that the system maintains appropriate confidentiality, privacy, data security, and security breach notification policies that are in full compliance with Delaware law.

(76 Del. Laws, c. 264, § 2.)

Subchapter II

Revolving Credit

§ 2214 Definitions.

As used in this subchapter:

(1) “Revolving credit plan” or “plan” means a plan contemplating the extension of credit under an account governed by an agreement between a licensee and a borrower pursuant to which:

a. The licensee permits the borrower and, if the agreement governing the plan so provides, persons acting on behalf of or with authorization from the borrower, from time to time to make purchases from participating merchants and/or to obtain loans by use of a credit device;

b. The amounts of such purchases from participating merchants and loans are charged to the borrower’s account under the revolving credit plan;

c. The borrower is required to pay the licensee the amounts of all purchases and loans charged to such borrower’s account under the plan but has the privilege of paying such amounts outstanding from time to time in full or otherwise in accordance with the agreement governing the plan; and

d. Interest may be charged and collected by the licensee from time to time on the outstanding unpaid indebtedness under such plan.

(2) “Purchases” mean payments for property of whatever nature, real or personal, tangible or intangible, and payments for services, licenses, taxes, official fees, fines, private or governmental obligations or any other thing of value.

(3) “Loan” means cash advances or loans to be paid to or for the account of the borrower.

(4) “Credit device” means any card, check, identification code or other means of identification contemplated by the agreement governing the plan.

(5) “Outstanding unpaid indebtedness” means on any day an amount not in excess of the total amount of purchases from participating merchants and loans charged to the borrower’s account under the plan which is outstanding and unpaid at the end of the day, after adding the aggregate amount of any new purchases from participating merchants and loans charged to the account as of that day and deducting the aggregate amount of any payments and credits applied to that indebtedness as of any day and, if the agreement providing the plan so provides, may include the amount of any interest and additional charges, including late or delinquency charges, which have accrued to the account and which are unpaid at the end of the day. Purchases and loans may be included in outstanding unpaid indebtedness as of such time as may be specified in the agreement governing the plan.

(66 Del. Laws, c. 22, § 1; 71 Del. Laws, c. 19, § 63; 72 Del. Laws, c. 15, § 32.)

§ 2215 Extension of credit.

Any licensee may offer and extend credit under a revolving credit plan to a borrower and in connection therewith may charge and collect the interest and other charges permitted by this subchapter and may take such security as collateral in connection therewith as may be acceptable to the licensee. Without limitation of the foregoing, credit may be extended under a revolving credit plan by a licensee’s acquisition of obligations arising out of the honoring by a merchant, a bank or other financial institution (whether chartered or organized under the laws of this or any other state, the District of Columbia, the United States or any district, territory or possession of the United States, or any foreign country) or a government or governmental subdivision or agency of a credit device made available to a borrower

under a plan, whether directly or indirectly by means of telephone, point of sale terminal or other electronic or similar device or through the mail.

(66 Del. Laws, c. 22, § 1.)

§ 2216 Interest.

A licensee may charge and collect interest under a revolving credit plan on outstanding unpaid indebtedness in the borrower's account under the plan at such daily, weekly, monthly, annual or other periodic percentage rate or rates as the agreement governing the plan provides or as established in the manner provided in the agreement governing the plan. Periodic interest may be calculated using an average daily balance, 2-cycle average daily balance, adjusted balance or previous balance method or using any other balance computation method provided for in the agreement governing the plan. Periodic billing cycles may be established in such manner and shall have such duration as may be specified in the agreement governing the plan.

(66 Del. Laws, c. 22, § 1; 71 Del. Laws, c. 19, § 64.)

§ 2217 Variable rates.

If the agreement governing the revolving credit plan so provides, the periodic percentage rate or rates of interest under such plan may vary in accordance with a schedule or formula. Such periodic percentage rate or rates may vary from time to time as the rate determined in accordance with such schedule or formula varies and such periodic percentage rate or rates, as so varied, may be made applicable to all or any part of outstanding unpaid indebtedness under the plan on or after the first day of the billing cycle that contains the effective date of such variation including any such indebtedness arising out of purchases made from a participating merchant or loans obtained prior to such variation in the periodic percentage rate or rates. Without limitation, a permissible schedule or formula hereunder may include provision in the agreement governing the plan for a change in the periodic percentage rate or rates of interest applicable to all or any part of outstanding unpaid indebtedness, whether by variation of the then applicable periodic percentage rate or rates of interest, variation of an index or margin or otherwise, contingent upon the happening of any event or circumstance specified in the plan, which event or circumstance may include the failure of the borrower to perform in accordance with the terms of the plan. Nothing herein precludes a licensee from charging or reserving a right to charge, by discretion or otherwise, a rate lower than any maximum rate provided for in any schedule or formula.

(66 Del. Laws, c. 22, § 1; 68 Del. Laws, c. 303, § 39; 71 Del. Laws, c. 19, § 65; 77 Del. Laws, c. 279, § 2.)

§ 2218 Additional charges.

(a) In addition to or in lieu of interest at a periodic percentage rate or rates as provided in §§ 2216 and 2217 of this title, a licensee may, if the agreement governing the revolving credit plan so provides, charge and collect 1 or more of the following:

(1) A daily, weekly, monthly, annual or other periodic charge in such amount or amounts as the agreement may provide for the privileges made available to the borrower under the plan;

(2) A transaction charge or charges in such amount or amounts as the agreement may provide for each separate purchase or loan under the plan;

(3) A minimum charge for each daily, weekly, monthly, annual or other scheduled billing period under the plan during any portion of which there is an outstanding unpaid indebtedness under the plan;

(4) Reasonable fees for services rendered or for reimbursement of expenses incurred in good faith by the licensee or its agents in connection with such loan, including, without limitation, commitment fees, official fees and taxes, premiums or other charges for any guarantee or insurance protecting the licensee against the borrower's default or other credit loss, or costs incurred by reason of examination of title, inspection, recording and other formal acts necessary or appropriate to the security of the loan, filing fees, attorney's fees and travel expenses;

(5) Prepayment charges authorized by subsection (b) of this section; and

(6) Such other charges as the Commissioner shall include in an itemized schedule of the maximum amounts which may be charged to an applicant for an extension of credit for costs, fees, services, points, premiums and all other reasonable expenses which may be incurred by such applicant in connection with the extension of credit. The maximum amounts permitted by said schedule may vary with the amount of the extension of credit and shall bear a reasonable relationship to such extensions of credit, the services required and the complexity of the transaction. No licensee or any other person shall demand, collect or receive from any borrower, directly or indirectly, any other charges, or any greater amounts for any authorized charges than those permitted by said schedule or otherwise under this chapter.

(b) A borrower may pay the outstanding unpaid indebtedness charged to the borrower's account under a plan in full at any time. Except for a charge imposed to terminate a plan if the agreement governing the plan so provides, a licensee may not impose any prepayment charges in connection with the payment of outstanding unpaid indebtedness in full by a borrower. A licensee may charge and collect any prepayment penalty or other charge specified in the agreement governing the plan in connection with the payoff and termination of a plan that is secured by a real estate mortgage.

(c) No charges assessed by a licensee in accordance with this section shall be deemed void as a penalty or otherwise unenforceable under any statute or the common law.

(66 Del. Laws, c. 22, § 1; 70 Del. Laws, c. 327, § 44; 71 Del. Laws, c. 19, §§ 66, 67.)

§ 2219 Terms for indebtedness.

A licensee may, if the agreement governing a revolving credit plan so provides, impose different terms (including, without limitation, the terms governing the periodic percentage rate or rates used to calculate interest, the method of computing the outstanding unpaid indebtedness to which such rate or rates are applied, the amounts of other charges and the applicable installment repayment schedule) in respect to indebtedness arising out of purchases and indebtedness arising out of loans made under the plan.

(66 Del. Laws, c. 22, § 1.)

§ 2220 Omitted installments.

A licensee may at any time and from time to time unilaterally extend to a borrower under a revolving credit plan the option of omitting monthly installments.

(66 Del. Laws, c. 22, § 1.)

§ 2221 Insurance.

(a) A licensee may request but not require an individual borrower to be insured in respect of a revolving credit plan under a life, health, accident, health and accident or other credit or other permissible insurance policy, whether group or individual, and in the event that an individual borrower's outstanding unpaid indebtedness under the plan is secured by an interest in real or personal property, a licensee may require the borrower to obtain insurance, from an insurer acceptable to the licensee, against loss of or damage to such property or against the liability arising out of the ownership or use of the property and may finance the premiums for such insurance.

(b) The offer and placement of insurance under this section shall be subject in all respects to the applicable provisions of Title 18.

(66 Del. Laws, c. 22, § 1.)

§ 2222 Delinquent installments.

(a) If the agreement governing a revolving credit plan so provides, a licensee may impose, as interest, a late or delinquency charge upon any outstanding unpaid installment payments or portions thereof under the plan which are in default; provided, however, that no more than 1 such late or delinquency charge may be imposed in respect of any single such installment payment or portion thereof regardless of the period during which it remains in default; and provided further, however, that for the purpose only of the preceding provision all payments by the borrower shall be deemed to be applied to satisfaction of installment payments in the order in which they become due. Nothing contained in this section shall limit, restrict or otherwise affect the right of a licensee under and pursuant to §§ 2216 and 2217 of this title to change the periodic percentage rate or rates of interest applicable to the revolving credit plan between the licensee and a borrower upon the occurrence of a delinquency or default or other failure of the borrower to perform in accordance with the terms of the plan.

(b) No charges assessed by a licensee in accordance with this section shall be deemed void as a penalty or otherwise unenforceable under any statute or the common law.

(66 Del. Laws, c. 22, § 1; 68 Del. Laws, c. 303, § 40; 70 Del. Laws, c. 327, § 45; 71 Del. Laws, c. 19, § 68.)

§ 2223 Attorney's fees; costs.

In the event a borrower defaults under the terms of a plan, the licensee may, if the borrower's account is referred to an attorney (not a regularly salaried employee of the licensee) or to a third party for collection and if the agreement governing the revolving credit plan so provides, charge and collect from the borrower a reasonable attorney's fee. In addition, following a borrower's default, the licensee may, if the agreement governing the plan so provides, recover from the borrower all court, alternative dispute resolution or other collection costs (including, without limitation, fees and charges of collection agencies) actually incurred by the licensee.

(66 Del. Laws, c. 22, § 1; 72 Del. Laws, c. 15, § 33.)

§ 2224 Amendment of agreement.

(a) Unless the agreement governing a revolving credit plan otherwise provides, a licensee may at any time and from time to time amend such agreement in any respect, whether or not the amendment or the subject of the amendment was originally contemplated or addressed by the parties or is integral to the relationship between the parties. Without limiting the foregoing, such amendment may change terms by the addition of new terms or by the deletion or modification of existing terms, whether relating to plan benefits or features, the rate or rates of periodic interest, the manner of calculating periodic interest or outstanding unpaid indebtedness, variable schedules or formulas, interest charges, fees, collateral requirements, methods for obtaining or repaying extensions of credit, attorney's fees, plan termination, the manner for amending the terms of the agreement, arbitration or other alternative dispute resolution mechanisms, or other matters of any kind whatsoever. Unless the agreement governing a revolving credit plan otherwise expressly provides, any amendment may, on and after the date upon which it becomes effective as to a particular borrower, apply to all then outstanding unpaid indebtedness in the borrower's account under the plan, including any such indebtedness that arose prior to the effective date of the amendment. An agreement governing a revolving credit plan may be amended pursuant to this section regardless of whether the plan is active or inactive or whether additional borrowings are available thereunder. Any amendment that does not increase the rate or rates of periodic interest charged by a licensee to a borrower under § 2216 or § 2217 of this title shall become effective as determined by the licensee, subject to compliance by the licensee with any applicable notice requirements under the Truth in Lending Act (15 U.S.C. §§ 1601 et seq.), and the regulations promulgated thereunder, as in effect from time to time. Any notice of an amendment sent by the licensee may be included in the same envelope with a periodic statement or as part of the periodic statement or in other materials sent to the borrower.

(b) (1) If an amendment increases the rate or rates of periodic interest charged by a licensee to a borrower under § 2216 or § 2217 of this title, the licensee shall mail or deliver to the borrower, at least 15 days before the effective date of the amendment, a clear and conspicuous written notice that shall describe the amendment and shall also set forth the effective date thereof and any applicable information required to be disclosed pursuant to the following provisions of this section.

(2) Any amendment that increases the rate or rates of periodic interest charged by a licensee to a borrower under § 2216 or § 2217 of this title shall become effective as to a particular borrower if the borrower does not, within 15 days of the earlier of the mailing or delivery of the written notice of the amendment (or such longer period as may be established by the licensee), furnish written notice to the licensee that the borrower does not agree to accept such amendment. The notice from the licensee shall set forth the address to which a borrower may send notice of the borrower's election not to accept the amendment and shall include a statement that, absent the furnishing of notice to the licensee of nonacceptance within the referenced 15 day (or longer) time period, the amendment will become effective and apply to such borrower. As a condition to the effectiveness of any notice that a borrower does not accept such amendment, the licensee may require the borrower to return to it all credit devices. If, after 15 days from the mailing or delivery by the licensee of a notice of an amendment (or such longer period as may have been established by the licensee as referenced above), a borrower uses a plan by making a purchase or obtaining a loan, notwithstanding that the borrower has prior to such use furnished the licensee notice that the borrower does not accept an amendment, the amendment may be deemed by the licensee to have been accepted and may become effective as to the borrower as of the date that such amendment would have become effective but for the furnishing of notice by the borrower (or as of any later date selected by the licensee).

(3) Any amendment that increases the rate or rates of periodic interest charged by a licensee to a borrower under § 2216 or § 2217 of this title may, in lieu of the procedure referenced in paragraph (2) of this subsection, become effective as to a particular borrower if the borrower uses the plan after a date specified in the written notice of the amendment that is at least 15 days after the mailing or delivery of the notice (but that need not be the date the amendment becomes effective) by making a purchase or obtaining a loan; provided, that the notice from the licensee includes a statement that the described usage after the referenced date will constitute the borrower's acceptance of the amendment.

(4) Any borrower who furnishes timely notice electing not to accept an amendment in accordance with the procedures referenced in paragraph (2) of this subsection and who does not subsequently use the plan, or who fails to use such borrower's plan as referenced in paragraph (3) of this subsection, shall be permitted to pay the outstanding unpaid indebtedness in such borrower's account under the plan in accordance with the rate or rates of periodic interest charged by a licensee to a borrower under § 2216 or § 2217 of this title without giving effect to the amendment; provided however, that the licensee may convert the borrower's account to a closed end credit account as governed by subchapter III of this chapter, on credit terms substantially similar to those set forth in the then-existing agreement governing the borrower's plan.

(5) Notwithstanding the other provisions of this subsection, no notice required by this subsection of an amendment of an agreement governing a revolving credit plan shall be required, and any amendment may become effective as of any date agreed upon between a licensee and a borrower, with respect to any amendment that is agreed upon between the licensee and the borrower, either orally or in writing.

(c) For purposes of this section, the following are examples of amendments that shall not be deemed to increase the rate or rates of periodic interest charged by a licensee to a borrower under § 2216 or § 2217 of this title:

(1) A decrease or increase in the required number or amount of periodic installment payments;

(2) Any change to a plan that increases the rate or rates in effect immediately prior to the change by less than $\frac{1}{4}$ of 1 percentage point per annum; provided that a licensee may not make more than 1 such change in reliance on this paragraph with respect to a plan within any 12-month period;

(3) a. A change in the schedule or formula used under a variable rate plan under § 2217 of this title that varies the determination date of the applicable rate, the time period for which the applicable rate will apply or the effective date of any variation of the rate, or any other similar change, or

b. Any other change in the schedule or formula used under a variable rate plan under § 2217 of this title;

provided that the initial interest rate that would result from any such change under this paragraph (3), as determined on the effective date of the change or, if notice of the change is mailed or delivered to the borrower prior to the effective date, as of any date within 60 days before mailing or delivery of such notice, will not be an increase from the rate in effect on such date under the existing schedule or formula;

(4) A change from a variable rate plan to a fixed rate, or from a fixed rate to a variable rate plan so long as the initial rate that would result from such a change, as determined on the effective date of the change, or if the notice of the change is mailed or delivered to the borrower prior to the effective date, as of any date within 60 days before mailing or delivery of such notice, will not be an increase from the rate in effect on such date under the existing plan;

(5) A change from a daily periodic rate to a periodic rate other than daily or from a periodic rate other than daily to a daily periodic rate; and

(6) A change in the method of determining the outstanding unpaid indebtedness upon which periodic interest is calculated (including, without limitation, a change with respect to the date by which or the time period within which a new balance or any portion thereof must

be paid to avoid additional periodic interest).

(66 Del. Laws, c. 22, § 1; 66 Del. Laws, c. 403, § 3; 70 Del. Laws, c. 217, § 2; 71 Del. Laws, c. 19, § 69; 72 Del. Laws, c. 15, §§ 34, 35.)

§ 2225 Application of other State laws.

Any other law of this State limiting the rate or amount of interest, discount, points, finance charges, service charges or other charges which may be charged, taken, collected, received or reserved shall not apply to extensions of credit under a revolving credit plan operated in accordance with this subchapter.

(66 Del. Laws, c. 22, § 1.)

§ 2226 Nonexclusivity; captions.

(a) The provisions of this subchapter are not exclusive and a licensee may at its option elect to extend credit either pursuant to this subchapter or as otherwise permitted by applicable law.

(b) Section headings and captions contained in this subchapter are inserted only as a matter of convenience and for reference and do not and shall not be construed to define, limit, extend or describe the scope of this subchapter or the meaning or intent of any section hereof.

(66 Del. Laws, c. 22, § 1.)

Subchapter III

Closed End Credit

§ 2227 Definitions.

As used in this subchapter:

(1) “Business day” means, with respect to rescission under § 2235A of this title, all calendar days except Sundays and legal public holidays.

(2) “Closed end credit” means the extension of credit by a licensee to a borrower pursuant to an arrangement or agreement which is not a revolving credit plan as defined in subchapter II of this chapter.

(3) “Conspicuously displayed” means highlighted through the use of capitalization, bold print, underlining or some combination thereof.

(4) “Loan” means any single extension of closed end credit.

(5) “Right of rescission” means, with respect to any short-term consumer loan, the right to return any amount borrowed, in full, on or before the close of business of the business day following the day on which such sum has been disbursed or advanced without the incursion of any fee or other charges.

(6) “Rollover” means, with respect to any short-term consumer loan, the extension of an outstanding and unpaid indebtedness beyond the stated repayment period solely on the basis of the payment of a fee without approval of a new loan application.

(7) “Short-term consumer loan” means a loan of \$1,000 or less made to an individual borrower that charges interest and/or fees for which the stated repayment period is less than 60 days and is not secured by title to a motor vehicle.

(8) “Workout agreement” means an agreement between an individual borrower and a licensee for the repayment of an outstanding and unpaid indebtedness. The workout agreement must provide for payments in equal installments over a period of at least 90 days and the licensee may not assess any other fee, interest charge, or other charge on the borrower as a result of converting the loan into a workout agreement.

(66 Del. Laws, c. 22, § 1; 73 Del. Laws, c. 398, § 3; 78 Del. Laws, c. 278, § 1.)

§ 2228 Extension of credit.

(a) Any licensee may, subject to any limitations on lending authority contained in its charter or otherwise imposed by law and subject to the other provisions of this subchapter, offer and extend closed end credit to a borrower and, in connection therewith, may charge and collect the interest and other charges permitted by this subchapter and may take such security as collateral in connection therewith as may be acceptable to the licensee. Loans to any 1 borrower may not exceed 20% of the paid-in capital stock and surplus of such lender.

(b) All licensees will maintain records or other comparable evidence of their activity taken to reach a decision on a loan. If a commitment between a licensee and an applicant is not met (regardless of whether a similar loan at a higher rate is closed or not) and the delay is the licensee’s fault, or the licensee cannot demonstrate through its records or other comparable evidence that it took reasonably diligent steps to meet its deadline, such action or inaction taken by the licensee may be deemed to be an unsafe and unsound operating practice. In such a case, the Commissioner shall take appropriate action which may include, but is not limited to, an order to refund certain fees paid by the applicant to the licensee.

(66 Del. Laws, c. 22, § 1; 68 Del. Laws, c. 105, § 24.)

§ 2229 Interest.

A licensee may charge and collect interest in respect of a loan at such daily, weekly, monthly, annual or other periodic percentage rate or rates as the agreement governing the loan provides or as established in the manner provided in such agreement and may calculate such

interest by way of simple interest or such other method as the agreement governing the loan provides. If the interest is precomputed it may be calculated on the assumption that all scheduled payments will be made when due. For purposes hereof, a year may but need not be a calendar year and may be such period of from 360 to 366 days, including or disregarding leap year, as the licensee may determine.

(66 Del. Laws, c. 22, § 1.)

§ 2230 Variable rates.

If the agreement governing the loan so provides, the periodic percentage rate or rates of interest charged and collected in respect of the loan may, if the interest is not precomputed and taken in advance, vary in accordance with a schedule or formula. Such periodic percentage rate or rates may vary from time to time as the rate determined in accordance with such schedule or formula varies and such periodic percentage rate or rates, as so varied, may be made applicable to all or any part of outstanding unpaid amounts of such loan on and after the effective date of such variation. This section shall not be construed to limit the authority of a licensee to charge and collect interest in respect of a loan in the manner and at the rate or rates authorized in any other section of this subchapter. Without limitation, a permissible schedule or formula hereunder may include provisions in the agreement governing the loan for a change in the periodic percentage rate or rates of interest applicable to all or any part of outstanding unpaid amounts whether by variation of the then applicable periodic percentage rate or rates of interest, variation of an index or margin or otherwise, contingent upon the happening of any event or circumstance specified in the loan agreement, which event or circumstance may include the failure of the borrower to perform in accordance with the terms of the loan agreement.

(66 Del. Laws, c. 22, § 1; 68 Del. Laws, c. 303, § 41.)

§ 2231 Additional charges.

In addition to or in lieu of interest at a periodic percentage rate or rates permitted by §§ 2229 and 2230 of this title, the licensee may charge and collect, in respect of a loan:

(1) Reasonable fees for services rendered or for reimbursement of expenses incurred in good faith by the licensee or its agents in connection with such loan, including, without limitation, commitment fees, official fees and taxes, premiums or other charges for any guarantee or insurance protecting the licensee against the borrower's default or other credit loss, or costs incurred by reason of examination of title, inspection, recording and other formal acts necessary or appropriate to the security of the loan, filing fees, attorney's fees and travel expenses;

(2) If the agreement governing a loan so provides, a licensee may impose, as interest, a late or delinquency charge upon any outstanding unpaid installment payments or portions thereof under the loan agreement which are in default; provided, however, that no more than 1 such delinquency charge may be imposed in respect of any single such installment payment or portion thereof regardless of the period during which it remains in default; and provided further that no such delinquency charge may exceed 5% of the amount of any such installment or portion thereof in default. Nothing contained in this subdivision shall limit, restrict or otherwise affect the right of a licensee under and pursuant to § 2230 of this title to change the periodic percentage rate or rates of interest applicable to the loan agreement between the licensee and a borrower upon the occurrence of a delinquency or default or other failure of the borrower to perform in accordance with the terms of the loan agreement;

(3) Such other charges as the Commissioner shall include in an itemized schedule of the maximum amounts which may be charged to an applicant for a loan for costs, fees, services, points, premiums and all other reasonable expenses which may be incurred by such applicant in connection with a loan. The maximum amounts permitted by said schedule may vary with the amount of the loan and shall bear a reasonable relationship to such loan, the services required and the complexity of the transaction. No licensee shall demand, collect or receive from any applicant for a loan, directly or indirectly, any other charges, or any greater amounts for any authorized charges than those permitted by said schedule or this subchapter. Every licensee shall furnish to every applicant for a loan a copy of said schedule at the time when such application is made.

(66 Del. Laws, c. 22, § 1; 68 Del. Laws, c. 303, § 42; 70 Del. Laws, c. 327, § 46.)

§ 2232 Deferred installments.

A licensee may at any time or from time to time permit a borrower to defer installment payments of a loan and may, in connection with such deferral, charge and collect deferral charges and may also require payment by such borrower of the additional cost to the licensee of premiums for continuing in force, until the end of such period of deferral, any insurance coverage provided in connection with the loan pursuant to § 2231 of this title.

(66 Del. Laws, c. 22, § 1.)

§ 2233 Insurance.

(a) A licensee may request but not require a borrower to be insured in respect of a loan under a life, health, accident, health and accident or other permissible insurance policy, whether group or individual, and in the event that a loan to a borrower is secured by an interest in real or personal property, the licensee may require the borrower to obtain insurance, from an insurer acceptable to the licensee, against loss of or damage to such property or against the liability arising out of the ownership or use of the property and may finance the premiums for such insurance.

(b) The offer and placement of insurance under this section shall be subject in all respects to the applicable provisions of Title 18.

(66 Del. Laws, c. 22, § 1.)

§ 2234 Prepayment.

(a) A borrower may prepay a loan in full at any time.

(b) If interest charged pursuant to § 2229 of this title in respect to a loan has been precomputed and taken in advance, then, in the event of prepayment of the entire indebtedness, the licensee shall refund to such borrower the unearned portion of the precomputed interest charge. This refund shall be in an amount not less than the amount which would be refunded if the unearned precomputed interest charge were calculated in accordance with the actuarial method, except that the borrower shall not be entitled to a refund which is less than \$5. The unearned portion of the precomputed interest charge is, at the option of the licensee, either:

(1) That portion of the precomputed interest charge which is allocable to all originally scheduled or, if deferred, all deferred payment periods, or portions thereof, ending subsequent to the date of prepayment. The unearned precomputed interest charge is the total of that which would have been earned for each such period, or portion thereof, had the loan not been precomputed, by applying to unpaid balances of principal, according to the actuarial method, an annual percentage rate based on the precomputed interest charges, assuming that all payments were made as scheduled, or as deferred, if deferred. The licensee, at its option, may round this annual percentage rate to the nearest one quarter of 1 percent; or

(2) The total precomputed interest charge less the earned precomputed interest charge. The earned precomputed interest charge shall be determined by applying an annual percentage rate based on the total precomputed interest charge, under the actuarial method, to the unpaid balances for the actual time those balances were unpaid up to the date of prepayment.

(c) As used in subsection (b) of this section:

(1) "Actuarial method" means the method of allocating payments made on a loan between the outstanding balance of the loan and interest pursuant to which a payment is applied first to the accumulated interest and any remainder is subtracted from the outstanding balance of the loan.

(2) "Precomputed interest charge" means interest as computed by the add-on, discount or other similar method.

(3) "Payment period" means the time period within which periodic installment payments of a loan are due as provided in the agreement governing the loan.

(d) If a charge was made for premiums for insuring such borrower under an insurance policy pursuant to § 2233 of this title, then, in the event of prepayment, the licensee shall refund to such borrower the excess of the charge to such borrower therefor over the premiums paid or payable to the licensee, if such premiums were paid or payable to the licensee periodically, or the refund for such insurance premium received or receivable by the licensee, if such premium was paid or payable in a lump sum by the licensee, provided that no such refund shall be required if it amounts to less than \$5.

(e) In connection with any prepayment of any loan by an individual borrower, the licensee may not impose any prepayment charge, except that in the case of a residential mortgage loan, the lender may charge and collect any prepayment penalty or charge specified in the agreement governing, or the bond, note or other evidence of, the loan.

(66 Del. Laws, c. 22, § 1.)

§ 2235 Refinancing.

(a) A borrower may, with the consent of the licensee, refinance the entire outstanding and unpaid amount of a loan, and the licensee may charge and collect a refinancing charge in connection with any such refinancing.

(b) For the purposes of this section, the entire outstanding and unpaid amount of a loan shall be deemed to be:

(1) If the interest and charges in respect of the loan were not taken in advance, the total of the unpaid balance and the accrued and unpaid interest and charges on the date of refinancing; or

(2) If the interest and charges on the loan were precomputed and taken in advance, the amount which the borrower would have been required to pay upon the prepayment on the date of refinancing pursuant to § 2234 of this title governing refund upon prepayment.

(66 Del. Laws, c. 22, § 1.)

§ 2235A Short-term consumer loans.

(a) In addition to such other limitations and requirements as are imposed pursuant to other provisions of this subchapter, short-term consumer loans shall be subject to the following:

(1) Notwithstanding any other provision of law, no licensee shall make, and no borrower shall receive, a short-term consumer loan that would cause the borrower to have more than 5 short-term consumer loans from all licensees in any 12-month period. For the purposes of this section a rollover or a refinancing shall be considered a short-term consumer loan. Any loan made or collected in violation of this paragraph is void, and the licensee does not have the right to collect, receive, or retain any principal, interest, fees or other charges. A violation of this section is a violation of Chapter 25 of Title 6.

(2) No licensee shall make more than 4 rollovers of an existing short-term consumer loan. A licensee may, following not more than the maximum allowable number of rollovers, enter into a workout agreement with the borrower or take such other actions as are lawful to collect any outstanding and unpaid indebtedness.

(3) No licensee shall make a short-term consumer loan unless such loan is subject to a right of rescission on the part of the individual borrower.

- (4) No licensee shall pursue or threaten to pursue criminal action against an individual borrower in connection with the nonpayment of any amount due, including the unpaid return of any check or automated clearing house transaction.
- (b) In addition to such other disclosure requirements as are imposed pursuant to other provisions of this subchapter, short-term consumer loans shall be subject to the following: No licensee shall make a short-term consumer loan unless the application for such loan, which application shall be written in both English and Spanish, contains a written disclosure, conspicuously displayed, that:
- (1) The loan is designed as a short-term cash flow solution and not designed as a solution for longer term financial problems;
 - (2) Additional fees may accrue if the loan is rolled over; and
 - (3) Credit counseling services are available to consumers who are experiencing financial problems.
- (c) Nothing in this section prohibits a licensee from refinancing the principal amount of a short-term consumer loan, subject to the limitations and requirements imposed herein.
- (d) The Commissioner is authorized to promulgate rules and regulations to exempt certain loans or classes of loans from the requirements of this section.
- (e) Every short-term consumer loan provider must post in plain view, in an area easily accessible to their customers at the entrance to the office and on any website, a schedule of fees and rates applicable to their loans, and a prominent statement that: "A payday loan is not intended to meet long-term financial needs."
- (f) A licensee or licensee's agent shall not engage in any device or subterfuge intended to evade the requirements of this chapter through any method including, but not limited to, mail, telephone, Internet or any electronic means, including:
- (1) Offering, making, or assisting a borrower to obtain a loan in violation of subsection (a) of this section, or brokering or acting as an agent for a third party in such a transaction, regardless of whether approval, acceptance or ratification is necessary to create a legal obligation for the third party.
 - (2) Disguising a short-term consumer loan as a revolving line of credit, or making or assisting a borrower to obtain a revolving line of credit for the purpose of avoiding the requirements of subsection (a) of this section.
- (73 Del. Laws, c. 398, § 4; 77 Del. Laws, c. 164, § 5; 78 Del. Laws, c. 278, § 2.)

§ 2235B Database.

- (a) The Commissioner shall, by contract with a third-party provider or otherwise, develop and implement a common database with real-time access through an Internet connection by means of which a licensee may determine:
- (1) Whether a borrower has an outstanding short-term consumer loan;
 - (2) The number of short-term consumer loans the borrower has outstanding;
 - (3) Whether the borrower is eligible for a loan under § 2235A(a) of this title; and
 - (4) Any other information necessary to comply with this chapter.
- (b) The Commissioner shall ensure that the provider of the database referred to in this section is responsible to:
- (1) Establish and maintain a process for responding to transaction verification requests from a licensee in the event the database is inaccessible due to technical difficulties;
 - (2) Take reasonable measures to prevent identity theft;
 - (3) Provide accurate and secure receipt, transmission and storage of borrower data; and
 - (4) Provide the Commissioner or his or her designee complete access to the database.
- (c) Licensees shall:
- (1) When entering into a short-term consumer loan, accurately and immediately submit to the database any data in the format that the Commissioner may require, including the borrower's name, address, social security or employment authorization number, gross monthly income, amount of transaction, interest rate, date of transaction, anticipated date loan will be paid off;
 - (2) Promptly correct any incorrect data entered into the database that was previously submitted; and
 - (3) Promptly record the date a short-term consumer loan is paid in full.
- (d) A licensee must continue to enter and update all required information for any short-term consumer loans subject to this section that are outstanding or have not yet expired after the date on which the licensee no longer has the license required by this chapter. Within 10 business days after ceasing to make loans subject to this section, the licensee must submit a plan for continuing compliance with this subsection to the Commissioner for approval. The Commissioner must promptly approve or disapprove the plan and may require the licensee to submit a new or modified plan that ensures compliance with this section.
- (e) The Commissioner shall adopt rules or regulations for the administration and enforcement of this section. Such regulations shall include:
- (1) A requirement that identifying borrower information is deleted from the database on a regular and routine basis, 12 months after the loan is paid off;
 - (2) Standards for the retention, archiving, and deletion of information entered or stored in the database;
 - (3) A requirement that data collected pursuant to this section be used only as prescribed in this chapter or for research and reporting as authorized by the Banking Commissioner;
 - (4) A rule authorizing a fee per transaction for data required to be submitted. The fee shall be payable by the licensee to the Commissioner. The fee must reasonably reflect the costs necessary to defray the expenses associated with administering the provisions

of this section. A customer shall not be charged all or part of the fee.

(f) The database established under this section shall not be considered a public record for purposes of the Freedom of Information Act in Chapter 100 of Title 29.

(78 Del. Laws, c. 278, § 3; 70 Del. Laws, c. 186, § 1.)

(b) The Commissioner shall require the database operator and licensees to submit any and all information necessary for the Commissioner to prepare the report referenced in subsection (a) of this section.

(78 Del. Laws, c. 278, § 4; 70 Del. Laws, c. 186, § 1.)

§ 2236 Attorneys' fees; costs.

In the event a borrower defaults under the terms of a loan, the licensee may, if the borrower's account is referred to an attorney (not a regularly salaried employee of the licensee) or to a third party for collection and if the agreement governing, or the bond, note or other evidence of, the loan so provides, charge and collect from the borrower a reasonable attorneys' fee. In addition, following a borrower's default, the licensee may, if the agreement governing, or the bond, note or other evidence of, the loan so provides, recover from the borrower all court, alternative dispute resolution or other collection costs (including, without limitation, fees and charges of collection agencies) actually incurred by the licensee.

(66 Del. Laws, c. 22, § 1; 72 Del. Laws, c. 15, § 36.)

§ 2237 Application of other State laws.

Any other law of this State limiting the rate or amount of interest, discount, points, finance charges, service charges or other charges which may be charged, taken, collected, received or reserved shall not apply to extensions of credit made in accordance with this subchapter.

Further, no licensee shall advertise a title loan interest rate that is lower for an initial period, if that interest rate increases during any rollover.

(77 Del. Laws, c. 164, § 1.)

§ 2252 Disclosures.

No licensee shall make a title loan without providing to the borrower, before the borrower signs the loan agreement, all of the following written disclosures in a conspicuous format:

- (1) "The loan you are considering entering into is strictly for short-term cash, and is not a solution for long-term financial problems."
- (2) "You, as borrower, are not compelled to complete the loan agreement merely because you have received any disclosures."
- (3) "If you sign the title loan agreement, the title loan lender will obtain a security interest in your motor vehicle, and if you fail to meet the obligations of the title loan agreement, the lender can take possession of your motor vehicle and sell it."
- (4) "If the lender takes possession of your motor vehicle, you may lose equity in that vehicle."
- (5) "You have a right to rescind the title loan agreement for any reason, at no cost to you, at any time up to the end of the business day following the day in which the loan proceeds of the title loan were disbursed to you by returning the full amount of the loan proceeds to the title lender."
- (6) "You have the right to receive information about credit counseling services from the Office of the State Bank Commissioner."
- (7) "You may file a complaint with the Office of the State Bank Commissioner if you believe your lender has violated any law regarding your title loan."

(77 Del. Laws, c. 164, § 1.)

§ 2255 Workout agreement.

(a) If a title loan borrower fails to repay the loan in accordance with the original provisions of the loan or any rollover of the loan, a licensee shall not take possession of the motor vehicle that is used as security for that loan or file suit on the loan until the licensee offers the borrower a workout agreement. Every workout agreement shall require a net reduction of at least 10% of the outstanding and unpaid indebtedness on the loan every month. A borrower shall have at least 10 business days to accept a workout agreement before the licensee takes possession of the motor vehicle.

(b) A title loan borrower who enters into a workout agreement with a licensee shall not be considered in default of the loan, and a licensee shall not take possession of a motor vehicle that is used as security for that loan or file suit against the borrower, unless the borrower defaults under the workout agreement.

(77 Del. Laws, c. 164, § 1.)

§ 2256 Federal Fair Debt Collection Practices Act.

No licensee who employs a debt collector, as defined in the Federal Fair Debt Collection Practices Act, as amended (Pub. L. 95-109, 91 Stat. 874) [15 U.S.C. § 1692 et seq.], to collect any outstanding and unpaid indebtedness under a title loan shall knowingly cause or permit such debt collector to act in a manner which violates that act.

(77 Del. Laws, c. 164, § 1.)

§ 2257 Threat of criminal prosecution prohibited.

No licensee shall seek or threaten to seek the criminal prosecution of a title loan borrower in connection with the nonpayment of any amount due under the loan, including the unpaid return of any check or automated clearing house transaction.

(77 Del. Laws, c. 164, § 1.)

§ 2258 Interest after default or repossession.

If a title loan borrower defaults on the loan, interest shall accrue on that loan at the rate specified in the original loan agreement for the original title loan period, any rollover period, and the period of any workout agreement. If the borrower remains in default at the expiration of the last of those periods, interest shall accrue from that point forward at no more than the legal rate specified in § 2301 of Title 6 as of that time. In all such cases, interest shall cease to accrue at the time a licensee takes possession of the motor vehicle that is used as security for that loan. Interest following a judgment that is rendered by a court of competent jurisdiction in favor of the licensee in any suit for breach of the loan agreement shall accrue at a rate determined by the court.

(77 Del. Laws, c. 164, § 1.)

§ 2259 Possession of motor vehicle after default.

A licensee may take possession of the motor vehicle that is used as security for a title loan only in accordance with procedures specified in part 6 (Default) of Article 9 (Uniform Commercial Code — Secured Transactions) of Title 6.

(77 Del. Laws, c. 164, § 1.)

§ 2260 Sale of motor vehicle.

Notwithstanding any other provision of law, the proceeds of a licensee's sale of a motor vehicle that is used as security for a title loan shall satisfy all outstanding and unpaid indebtedness under that loan, and the borrower on that loan shall not be liable for any deficiency resulting from that sale. The licensee shall nevertheless still be required to pay the borrower any surplus arising from the sale of that motor vehicle as required by part 6 (Default) of Article 9 (Uniform Commercial Code — Secured Transactions) of Title 6.

(77 Del. Laws, c. 164, § 1.)

§ 2261 Notice to borrower.

In addition to any other requirement of law, a licensee shall provide to the borrower, within 30 days of the date of the sale of any motor vehicle that is used as security for a title loan, a written explanation of the disposition of the proceeds of that sale. The explanation shall include all of the information required for an explanation under § 9-616 of Title 6, and shall be provided whether or not the sale resulted in a surplus or deficiency with respect to the amount owed by the borrower. The explanation shall include a notice that the sale has satisfied all outstanding and unpaid indebtedness under the title loan.

Compensation under the bond shall be for amounts which represent actual losses and shall not be payable for claims made by business creditors, third-party service providers, agents or persons otherwise in the employ of the licensee. Surety claims shall be paid to the office of the State Bank Commissioner by the insurer not later than 90 days after receipt of a claim. Claims paid after 90 days shall be subject to daily interest at the legal rate. The aggregate liability of the surety on the bond, exclusive of any interest which accrues for payments made after 90 days, shall in no event exceed the amount of such bond.

(3) If the licensee changes its surety company or the bond is otherwise amended, the licensee shall immediately provide the Commissioner with the amended original copy of the surety bond. No cancellation of an existing bond by a surety shall be effective unless written notice of its intention to cancel is filed with the Commissioner at least 30 days before the date upon which cancellation shall take effect.

(4) The Commissioner may require potential claimants to provide such documentation and affirmations as the Commissioner shall determine to be necessary and appropriate. In the event the Commissioner determines that multiple consumers have been injured by a licensee, the Commissioner shall cause a notice to be published for the purpose of identifying all relevant claims.

(5) When a surety company receives a claim against the bond of a licensee, it shall immediately notify the Commissioner and shall not pay any claim unless and until it receives notice to do so from the Commissioner.

(6) The Commissioner shall have a period of 2 calendar years after the effective date of cancellation or termination of the surety bond by the insurer to submit claims to the insurer.

(b) *Irrevocable letters of credit.* — In lieu of requiring the filing of a surety bond, the Commissioner may, at the Commissioner's discretion, accept from a licensee an irrevocable letter of credit.

(1) Such irrevocable letter of credit shall be provided by an insured depository institution (as defined in the Federal Deposit Insurance Act at 12 U.S.C. § 1813(c)) acceptable to the Commissioner, in a form satisfactory to the Commissioner in the principal sum of \$25,000 and in an additional principal sum of \$5,000 for each location in excess of 1 at which the applicant proposes to conduct a business licensed by this chapter, but in no event shall such irrevocable letter of credit be required to be in excess of \$250,000.

(2) No irrevocable letter of credit shall be accepted unless the following requirements are satisfied:

a. The irrevocable letter of credit shall run to the State, for the benefit of the office of the State Bank Commissioner and for the benefit of all consumers injured by the wrongful act, omission, default, fraud or misrepresentation by a licensee in the course of its activity as a licensee. Compensation under the irrevocable letter of credit shall be for amounts which represent actual losses and shall not be payable for claims made by business creditors, third-party service providers, agents or persons otherwise in the employ of the licensee. The aggregate liability of the insured depository institution issuing the irrevocable letter of credit shall in no event exceed the amount of such irrevocable letter of credit; and

b. Draws upon such irrevocable letter of credit shall be available by sight drafts thereunder, in amounts determined by the Commissioner, up to the aggregate amount of the irrevocable letter of credit. Such drafts shall be paid in accordance with § 5-112(1) of Title 6.

(3) The Commissioner may require potential claimants to provide such documentation and affirmations as the Commissioner shall determine to be necessary and appropriate. In the event the Commissioner determines that multiple consumers have been injured by a licensee, the Commissioner shall cause a notice to be published for the purpose of identifying all relevant claims.

(4) The Commissioner may refuse release of an irrevocable letter of credit, following the surrender of a license, up to 2 years after the effective date of such termination of licensure.

(5 Del. C. 1953, § 2309; 58 Del. Laws, c. 421; 71 Del. Laws, c. 19, § 73.)

§ 2310 Annual license fee.

After applicant receives notice of conditional approval by the Commissioner of the application for an original license and annually thereafter at least 30 days prior to the expiration of such license, applicant shall file with the Commissioner a renewal application together with a statement listing the locations in the State of the offices of the applicant and the names and locations of the applicant's agents. The licensee shall pay to the Commissioner with such list a license fee of \$4.60 for each such location in excess of 1. The fee shall cover the remainder of the calendar year in which license is granted. Thereafter each licensee shall submit a current list together with a renewal application not less than 30 days prior to the expiration of such license and pay a license fee of \$230 plus \$4.60 for each location on the list submitted. The requirements of this section shall not apply to any agent of a licensee who is exempt from this chapter pursuant to § 2304(a) of this title. The Commissioner may mandate that applications for renewal shall be treated as new applications if said renewal applications are not on file with the office of the State Bank Commissioner at least 30 days prior to the expiration of such license or renewal thereof. Licensees which have not complied with supervisory letters may be refused license renewal.

§ 2311 Agents.

A licensee may conduct the licensee's business at 1 or more locations within the State and through or by means of such agents as the licensee may from time to time designate or appoint. No license under this chapter shall be required of any agent of a licensee. In order for an agent to be authorized to act for the licensee in this State, the licensee shall have on file with the Commissioner the name and address of the agent, and the licensee shall notify the Commissioner within 30 days of the change of name or address of an agent or of the termination of any such agent. If the bond deposited by the licensee under § 2309 of this title is less than the maximum provided thereunder, the licensee shall submit and deposit a supplementary bond in the amount required by § 2309 of this title for the additional location or locations that are added. In the event that the licensee shall have filed an irrevocable letter of credit in lieu of a surety bond under § 2309(b) of this title the amount of such letter of credit shall be increased accordingly. The requirements of this section shall not apply to any agent of a person who is exempt from this chapter pursuant to § 2304 of this title.

(5 Del. C. 1953, § 2311; 58 Del. Laws, c. 421; 70 Del. Laws, c. 186, § 1; 76 Del. Laws, c. 86, § 2.)

(a) Every check sold by a licensee, directly or through an agent, shall bear the name of the licensee clearly imprinted thereon.

(b) Every licensee shall furnish a customer with a receipt or other acknowledgment upon receiving funds from such customer. Such receipt or other acknowledgment shall be numbered serially and shall bear the name and address of the licensee. Each licensee who receives money for transmission abroad shall forward such money to the person or bank designated to receive the same within 5 days after receipt thereof, and shall immediately give the person delivering the money for transmission a receipt and customer name with the name and address of the licensee printed thereon. The receipt shall state the date when such money was received, the amount thereof, its equivalent in the currency of the country to which it is to be forwarded, and the name and address of the payee.

(c) In lieu of the provisions of subsection (b) of this section, every accelerated mortgage payment provider may furnish an annual statement to a mortgagor of the transmittals. (2) Any fact or condition exists which, if it had existed at the time of the original application for such license, would have warranted the Commissioner in refusing originally to issue such license; or

(3) The licensee has engaged in business activities or practices, in connection with any business for which a license is required under this chapter, which could be deemed unfair or deceptive by nature of intent. Such activities and practices include, but are not limited to, the use of tactics which mislead the consumer, misrepresent the consumer transaction or any part thereof, or otherwise create false expectations on the part of the consumer.

(b) The Commissioner may temporarily suspend any license pending the issuance of a final order as provided in Chapter 101 of Title 29.

(c) Except as provided in subsection (b) of this section, no license shall be revoked or suspended except after notice and an opportunity for the licensee to request a hearing in accordance with Chapter 101 of Title 29.

(d) Any licensee may surrender any license by delivering to the Commissioner such license together with written notice that it thereby surrenders such license, but such surrender shall not affect such licensee's civil or criminal liability for acts committed prior to such surrender.

(e) No revocation, suspension or surrender of any license shall impair or affect the obligation of any preexisting lawful contract between the licensee and any person.

(f) Every license issued hereunder shall remain in force and effect until the same shall have expired or shall have been surrendered, revoked or suspended in accordance with this chapter, but the Commissioner shall have authority to reinstate a suspended license or to issue a new license to a licensee whose license shall have been revoked if no fact or condition then exists which would have warranted the Commissioner in refusing originally to issue such license under this chapter.

(g) Whenever the Commissioner shall revoke or suspend a license issued pursuant to this chapter, the Commissioner shall forthwith execute a written order to that effect. The Commissioner shall forthwith serve the written order upon the licensee. Any such order may be reviewed in the manner provided by Chapter 101 of Title 29.

(d) Information maintained on any such system in which the Commissioner participates regarding the applicants and licensees subject to the system may be shared with any other state participating in that system for the purpose of licensing, regulating, or supervising that same applicant or licensee under a statute similar to this chapter, if that state could have obtained that same information directly from the applicant or licensee under its own law. The Commissioner shall ensure that the system maintains appropriate confidentiality, privacy, data security, and security breach notification policies that are in full compliance with Delaware law.

Chapter 24
MORTGAGE LOAN ORIGINATORS

§ 2401 Title.

This chapter may be cited as the “Delaware Secure and Fair Enforcement for Mortgage Licensing Act of 2009” or “Delaware S.A.F.E. Mortgage Licensing Act of 2009.”

(77 Del. Laws, c. 96, § 1.)

§ 2402 Purpose.

(a) The activities of mortgage loan originators and the origination or offering of financing for residential real property have a direct, valuable and immediate impact upon Delaware’s consumers, Delaware’s economy, the neighborhoods and communities of Delaware, and the housing and real estate industry. The General Assembly finds that accessibility to mortgage credit is vital to this State’s citizens. The General Assembly also finds that it is essential for the protection of the citizens of Delaware and the stability of Delaware’s economy that reasonable standards for licensing and regulation of the business practices of mortgage loan originators be imposed. The General Assembly further finds that the obligations of mortgage loan originators to consumers in connection with originating or making residential mortgage loans are such as to warrant the regulation of the mortgage lending process. The purpose of this chapter is to protect consumers seeking mortgage loans and to ensure that the mortgage lending industry is operating without unfair, deceptive, and fraudulent practices on the part of mortgage loan originators.

(b) Therefore, the General Assembly establishes within this chapter an effective system of supervision and enforcement of the mortgage lending industry, including:

(1) The authority to issue licenses to conduct business under this chapter, including the authority to write rules or regulations or adopt procedures necessary to the licensing of persons covered under this chapter;

(2) The authority to deny, suspend, condition or revoke licenses issued under this chapter; and

(3) The authority to examine, investigate and conduct enforcement actions as necessary to carry out the intended purposes of this chapter, including the authority to subpoena witnesses and documents, enter orders, including cease and desist orders, order restitution and monetary penalties and order the removal and ban of individuals from office or employment.

§ 2901 Definition of terms.

As used in this chapter, unless the context or subject matter otherwise requires:

(1) “Motor vehicle” means any device propelled or drawn by any power other than muscular power, in, upon, or by which any person or property is, or may be transported or drawn upon a highway.

(2) “Retail buyer” or “buyer” means a person who buys a motor vehicle from a retail seller and who executed a retail installment contract in connection therewith.

(3) “Retail seller” or “seller” means a person who sells a motor vehicle to a retail buyer under or subject to a retail installment contract.

(4) “Retail installment transaction” means any transaction evidenced by a retail installment contract entered into between a retail buyer and a retail seller wherein the retail buyer buys a motor vehicle from the retail seller at a time price payable in one or more deferred installments. The cash sale price of the motor vehicle, the amount included for insurance and other benefits if a separate charge is made therefor, official fees and the finance charge shall together constitute the time price. A transaction is not a retail installment transaction if no interest is charged by the retail seller.

(5) “Retail installment contract” or “contract” means an agreement, entered into in this State, pursuant to which the title to, the property in or a lien upon the motor vehicle, which is the subject matter of a retail installment transaction, is retained or taken by a retail seller from a retail buyer as security, in whole or in part, for the buyer’s obligation. The term includes a chattel mortgage, a conditional sales contract and a contract for the bailment or leasing of a motor vehicle by which the bailee or lessee contracts to pay as compensation for its use a sum substantially equivalent to or in excess of its value and by which it is agreed that the bailee or lessee is bound to become, or has the option of becoming, the owner of the motor vehicle upon full compliance with the provisions of the contract.

(6) “Cash sale price” means the price stated in a retail installment contract for which the seller would have sold to the buyer, and the buyer would have bought from the seller, the motor vehicle which is the subject matter of the retail installment contract, if such sale has been a sale for cash instead of a retail installment transaction. The cash sale price may include any taxes, registration, certificate of title, license and other fees and charges for accessories and their installation and for delivery, servicing, repairing or improving the motor vehicle.

§ 2902 Licensing of sales finance companies required.

(a) No person shall engage in the business of a sales finance company in this State without a license therefor as provided in this chapter; provided, however, that the licensing requirements of this chapter shall not apply to any banking organization, federal credit union or insurance company, or any other person, if and to the extent that such person is engaging in the business of a sales finance company in this State in accordance with and as authorized by any other applicable law of this State or the United States.

(b) The application for such license shall be in writing, and in the form prescribed by the Commissioner. The application shall contain the name of the applicant; the address, or addresses, where the business is or is to be conducted; the name and resident address, or

addresses, of the owner or partners or, if a corporation or association, of the directors, trustees and principal officers; and such other pertinent information as the Commissioner may require. The Commissioner, at the time the application is submitted or in connection with an investigation of the application, may require the applicant, the spouse of the applicant, a principal of, individual who is a person in control of, or proposed responsible individual of the applicant, or any other individual associated with the applicant and the proposed licensed activities, to provide the Commissioner or the Commissioner's designee with a complete set of fingerprints for purposes of a criminal background investigation.

In addition, the original application for the initial license shall be accompanied by an investigation fee in the amount of \$287.50 which shall not be refundable.

(d) A licensee shall obtain a license for each office or other place of business from which its licensed business is conducted upon payment of the required fees for each office and compliance with all applicable provisions of law. In the event the location of a licensed office is changed during the term of the license, the Commissioner shall issue without charge an amended license for the new location. The Commissioner may issue more than 1 license to the same applicant upon payment of the required fees and compliance with all applicable provisions of law.

(e) Upon the filing of such application, and the payment of said fee, the Commissioner shall issue a license to the applicant to engage in the business of sales finance company under and in accordance with the provisions of this chapter for a period which shall expire the last day of December next following the date of its issuance. In case there is a change of name but no change in corporate structure, the Commissioner shall issue without charge an amended license for the new name. Such license shall not be otherwise transferable or assignable. No licensee shall transact any business provided for by this chapter under any other name.

(f) For just cause the Commissioner may refuse to issue a license or renewal thereof.

(g) Upon written request, the Commissioner may in the Commissioner's discretion grant conditional approval for an acquired licensee to conduct its business under its existing license for a period not to exceed 60 days in cases where the control of the licensee changes and where a new application for licensure has been filed in accordance with this section.

(h) The Commissioner shall be authorized to exempt from any or all of the provisions of this chapter such persons or classes of persons as the Commissioner shall find inappropriate to include within the coverage of this chapter in order to effectuate the purposes of this chapter. § 2903 Renewal of license.

Every holder of a license or a renewal thereof, as provided for in this section, desiring to continue the transaction of business as provided for in this chapter, shall at least 30 days prior to the expiration of such license or renewal thereof make application to the Commissioner on forms to be provided by the Commissioner for a license renewal. The Commissioner may mandate that applications for renewal shall be treated as new applications if said renewal applications are not on file with the office of the State Bank Commissioner at least 30 days prior to the expiration of such license or renewal thereof. (1) The licensee has violated any provision of this chapter or any rule or regulation made by the Commissioner under and within the authority of this chapter or of any other law, rule or regulation of this State or the United States;

(2) Any fact or condition exists which, if it had existed at the time of the original application for such license, would have warranted the Commissioner in refusing originally to issue such license; or

(3) The licensee has engaged in business activities or practices, in connection with any business for which a license is required under this chapter, which could be deemed unfair or deceptive by nature of intent. Such activities and practices include, but are not limited to, the use of tactics which mislead the consumer, misrepresent the consumer transaction or any part thereof, or otherwise create false expectations on the part of the consumer.

(b) The Commissioner may temporarily suspend any license pending the issuance of a final order as provided in Chapter 101 of Title 29.

(c) Except as provided in subsection (b) of this section, no license shall be revoked or suspended except after notice and an opportunity for the licensee to request a hearing in accordance with Chapter 101 of Title 29.

(d) Any licensee may surrender any license by delivering to the Commissioner such license together with written notice that it thereby surrenders such license, but such surrender shall not affect such licensee's civil or criminal liability for acts committed prior to such surrender.

(e) No revocation, suspension or surrender of any license shall impair or affect the obligation of any preexisting lawful contract between

the licensee and any person.

(f) Every license issued hereunder shall remain in force and effect until the same shall have expired or shall have been surrendered, revoked or suspended in accordance with this chapter, but the Commissioner shall have authority to reinstate a suspended license or to issue a new license to a licensee whose license shall have been revoked if no fact or condition then exists which would have warranted the Commissioner in refusing originally to issue such license under this chapter.

(g) Whenever the Commissioner shall revoke or suspend a license issued pursuant to this chapter, the Commissioner shall forthwith execute a written order to that effect. The Commissioner shall forthwith serve the written order upon the licensee. Any such order may be reviewed in the manner provided by Chapter 101 of Title 29.

§ 2905 Filing of complaints.

Any retail buyer having reason to believe that this chapter relating to the retail buyer's retail installment contract has been violated, may file with the Commissioner a written complaint setting forth the details of such alleged violation and the Commissioner, upon receipt of such complaint, may inspect the pertinent books, records, letters and contracts of the licensee and of the retail seller involved, relating to such specific written complaint.

(5 Del. C. 1953, § 2904; 52 Del. Laws, c. 335, § 1; 70 Del. Laws, c. 6, § 14; 70 Del. Laws, c. 186, § 1.)

§ 2906 Powers of Commissioner.

(a) For the purpose of administering this chapter, determining whether any business contemplated by this chapter is being operated in accordance with the provisions thereof or making investigation of any complaint or alleged violation, the Commissioner and the Commissioner's duly authorized representatives shall have power to investigate, at any time, the business and affairs and examine the books, accounts, contracts, papers, records, documents and files of every licensee and of every person who shall be engaged in business contemplated by this chapter, whether such person shall act, or claim to act, as principal or agent or under or without the authority of this chapter. For this purpose the Commissioner, or the Commissioner's duly authorized representatives, shall have free access to the offices and places of business, books, accounts, contracts, papers, records, documents and files of all such persons.

(b) The Commissioner shall have power to issue subpoenas to compel the attendance of witnesses and the production of books, accounts, contracts, papers, records, documents and other evidence before the Commissioner in any matter over which the Commissioner has jurisdiction, control or supervision pertaining to this chapter. The Commissioner shall have the power to administer oaths and affirmations to any persons whose testimony is required.

(c) If any person shall refuse to obey any such subpoena, or to give testimony, or to produce evidence as required thereby, any judge of the Superior Court may, upon application and proof of such refusal, make an order awarding process of subpoena, or subpoena duces tecum, out of the Superior Court, for such witness to appear before the Commissioner and to give testimony and to produce evidence as required thereby. Upon filing such order in the office of the Prothonotary, the Prothonotary shall issue process of subpoena, as directed, under the seal of said Court, requiring the person to whom it is directed, to appear at the time and place therein designated.

(d) If any person served with any such subpoena shall refuse to obey the same, and to give testimony, and to produce evidence as required thereby, the Commissioner may apply to any judge of the Superior Court for an attachment against such person, as for a contempt. The Court, upon satisfactory proof of such refusal, shall issue an attachment directed to any constable or police officer, for the arrest of such person, and upon the person being brought before the Court, proceed to a hearing of the case. The Court shall have power to enforce obedience to such subpoena, and the answering of any question, and the production of any evidence, that may be proper, by a fine not exceeding \$100, or by imprisonment for not more than 30 days, or by both fine and imprisonment, and to compel such witness to pay the costs of such proceeding as taxed by the Court.

(e) The Commissioner may make such rules and regulations, and such specific rulings, demands and findings as the Commissioner deems necessary for the enforcement of this chapter and the proper conduct of the business authorized and required to be licensed thereunder. Such rules and regulations, specific rulings, demands and findings shall be in addition to, and not inconsistent with, this chapter.

(f) If, in the Commissioner's opinion, it is necessary for a thorough examination of a licensee, the Commissioner may retain 1 or more accountants, attorneys, appraisers or other third parties to assist the Commissioner in such examination. Within 10 days after receipt of a statement from the Commissioner, such licensee shall pay or reimburse the fees, costs and expenses of any third parties retained by the Commissioner under this subsection.

§ 2907 Requirements and prohibitions as to retail installment contracts.

(a) A retail installment contract shall be in writing, shall be signed by both the buyer and the seller and shall be completed as to all essential provisions prior to the signing of the contract by the buyer.

(b) The printed portion of the contract, other than instructions for completion, shall be in at least 8 point type. The contract shall contain in a size equal to at least 10 point bold type:

(1) A specific statement that liability insurance coverage for bodily injury and property damage caused to others is not included, if that is the case; and

(2) The following notice: "Notice to the Buyer: 1. Do not sign this contract before you read it or if it contains any blank spaces. 2. You are entitled to an exact copy of the contract you sign."

(c) The seller shall deliver to the buyer, or mail to the buyer at the buyer's address shown on the contract, a copy of the contract signed by the seller. Until the seller does so, a buyer who has not received delivery of the motor vehicle shall have the right to rescind the agreement and to receive a refund of all payments made and return of all goods traded in to the seller on account of or in contemplation of the contract, or if such goods cannot be returned, the value thereof. Any acknowledgment by the buyer of delivery of a copy of the contract shall be in a size equal to at least 10 point bold type and, if contained in the contract, shall appear directly above the buyer's signature.

(d) The contract shall contain the names of the seller and the buyer, the place of business of the seller as specified by the buyer and a description of the motor vehicle including its make, year model, model and identification numbers or marks.

(e) The contract shall contain the following items:

(1) The cash sale price of the motor vehicle;

(2) The amount of the buyer's down payment, and whether made in money or goods, or partly in money and partly in goods;

(3) The difference between items (1) and (2);

(4) The amount, if any, included for insurance and other benefits, specifying the types of coverage and benefits including any amounts actually paid or to be paid by the seller pursuant to an agreement with the buyer to discharge a security interest, lien or lease interest on property traded in;

(5) The amount of official fees;

(6) The principal balance, which is the sum of item (3), item (4), and item (5);

(7) The amount of the finance charge;

(8) The time balance, which is the sum of items (6) and (7), payable in installments by the buyer to the seller, the number of installments, the amount of each installment and the due date or period thereof.

The above items need not be stated in the sequence or order set forth; additional items may be included to explain the calculations involved in determining the stated time balance to be paid by the buyer.

(f) The amount, if any, included for insurance, which may be purchased by the holder of the retail installment contract, shall not exceed the applicable premiums chargeable in accordance with the rates filed with the Insurance Commissioner of the State. If dual interest insurance on the motor vehicle is purchased by the holder it shall, within 30 days after execution of the retail installment contract, send or cause to be sent to the buyer a policy or policies or certificate of insurance, written by an insurance company authorized to do business in this State, clearly setting forth the amount of the premium, the kind or kinds of insurance, the coverages and all the terms, exceptions, limitations, restrictions and conditions of the contract or contracts of insurance. The buyer shall have the privilege of purchasing such insurance from an agent or broker of the buyer's own selection and of selecting an insurance company acceptable to the holder, but in such case the inclusion of the insurance premium in the retail installment contract shall be optional with the seller.

(g) If any insurance is cancelled, unearned insurance premium refunds received by the holder shall be credited to the final maturing installments of the contract except to the extent applied toward payment for similar insurance protecting the interests of the buyer and the holder or either of them.

(h) The holder may, if the contract so provides, collect a delinquency and collection charge on each installment in default for a period not less than 10 days in an amount not in excess of 5% of each installment or \$15, whichever is less. In addition to such delinquency and collection charge, the contract may provide for the payment of attorneys' fees not exceeding 15% of the amount due and payable under such contract when such contract is referred for collection to an attorney not a salaried employee of the holder of the contract plus the court costs.

(i) No retail installment contract shall be signed by any party thereto when it contains blank spaces to be filled in after it has been signed except that, if delivery of the motor vehicle is not made at the time of the execution of the contract, the identifying numbers or marks of the motor vehicle or similar information and the due date of the first installment may be inserted in the contract after its execution. The buyer's written acknowledgment, conforming to the requirements of subsection (c) of this section, of delivery of a copy of a contract shall be conclusive proof of such delivery, that the contract when signed did not contain any blank spaces except as provided in this subsection, and of compliance with this section in any action or proceeding by or against the holder of the contract.

(j) Upon written request from the buyer, the holder of a retail installment contract shall give or forward to the buyer a written statement of the dates and amounts of payments and the total amount unpaid under such contract. A buyer shall be given a written receipt for any payment when made in cash.

(k) No provision in a retail installment contract relieving the seller from liability for any legal remedies which the buyer may have against the seller under the contract, or in any separate instrument executed in connection therewith, whether before or at the time of the making of the contract, shall be enforceable.

(5 Del. C. 1953, § 2906; 52 Del. Laws, c. 335, § 1; 63 Del. Laws, c. 2, § 11; 70 Del. Laws, c. 6, § 14; 70 Del. Laws, c. 186, § 1; 72 Del. Laws, c. 127, § 1.)

§ 2908 Finance charge.

(a) A retail seller or the holder of a retail installment contract may charge and collect a finance charge in respect of a retail installment transaction and may calculate such finance charge in the manner and at the rate or rates specified in the contract governing the retail installment transaction.

(b) Any sales finance company may purchase or acquire or agree to purchase or acquire from any seller any contract on such terms and conditions as may be agreed upon between them. Filing of the assignment, notice to the buyer of the assignment, and any requirement that the holder maintain dominion over the payments or the motor vehicle if repossessed shall not be necessary to the validity of a written assignment of a contract as against creditors, subsequent purchasers, pledgees, mortgagees and lien claimants of the seller. Unless the buyer has notice of the assignment of the contract, payment thereunder made by the buyer to the last-known holder of such contract shall be binding upon all subsequent holders.

(5 Del. C. 1953, § 2907; 52 Del. Laws, c. 335, § 1; 60 Del. Laws, c. 53, § 1; 61 Del. Laws, c. 83, § 1; 62 Del. Laws, c. 228, §§ 3, 4; 63 Del. Laws, c. 2, § 12; 70 Del. Laws, c. 6, § 14; 70 Del. Laws, c. 186, § 1.)

§ 2908A Prepayment [Transferred].

Transferred.

§ 2909 Prepayment.

(a) A buyer may prepay the debt due under a retail installment contract in full at any time.

(b) If the finance charge imposed pursuant to § 2908 of this title in respect of a retail installment transaction has been precomputed and taken in advance, then, in the event of prepayment of the entire indebtedness, the holder shall refund to the buyer the unearned portion of the precomputed finance charge. This refund shall be in an amount not less than the amount which would be refunded if the unearned precomputed finance charge were calculated in accordance with the actuarial method, provided that the buyer shall not be entitled to a refund which results in a net minimum finance charge of less than \$25, and provided further that the holder shall not be required to refund the unearned portion of the finance charge if such amount is less than \$1. The unearned portion of the precomputed finance charge is, at the option of the holder, either:

(1) That portion of the precomputed finance charge which is allocable to all originally scheduled or, if deferred, all deferred payment periods, or portions thereof, ending subsequent to the date of prepayment. The unearned precomputed finance charge is the total of that which would have been earned for each such period, or portion thereof, had the debt due under the contract not been precomputed, by applying to unpaid balances of principal, according to the actuarial method, an annual percentage rate based on the precomputed finance charge, assuming that all payments were made as scheduled, or as deferred, if deferred. The holder, at its option, may round this annual percentage rate to the nearest one-quarter of 1 percent; or

(2) The total precomputed finance charge less the earned precomputed finance charge. The earned precomputed finance charge shall be determined by applying an annual percentage rate based on the total precomputed finance charge, under the actuarial method, to the unpaid balances for the actual time those balances were unpaid up to the date of prepayment.

(c) As used in subsection (b) of this section:

(1) "Actuarial method" means the method of allocating payments made on a debt due under a retail installment contract between the outstanding balance of the indebtedness and the finance charge pursuant to which a payment is applied first to the accumulated finance charge and any remainder is subtracted from the outstanding balance of the indebtedness.

(2) "Payment period" means the time period within which periodic installment payments of the indebtedness are due under the terms of a retail installment contract.

(d) If a charge was made to buyer for premiums for insurance in respect of a retail installment transaction, then, in the event of prepayment, the holder shall refund to such buyer the excess of the charge to such buyer therefor over the premiums paid or payable to the holder, if such premiums were paid or payable by the holder periodically, or the refund for such insurance premium received or receivable by the holder, if such premium was paid or payable in a lump sum by the holder, provided that no such refund shall be required if it amounts to less than \$1.

(e) In connection with any prepayment of a debt due under a retail installment contract by a buyer, the holder may not impose any prepayment charge.

(63 Del. Laws, c. 2, § 13; 70 Del. Laws, c. 6, § 14; 71 Del. Laws, c. 19, § 79.)

§ 2910 Deferred installments.

A holder may at any time or from time to time permit a buyer to defer installment payments due under the terms of a retail installment contract and may, in connection with such deferral, charge and collect deferral charges and may also require payment by such buyer of the additional cost to the holder of premiums for continuing in force, until the end of such period of deferral, any insurance coverage provided in connection with the contract.

(5 Del. C. 1953, § 2909; 52 Del. Laws, c. 335, § 1; 63 Del. Laws, c. 2, § 13; 70 Del. Laws, c. 6, § 14.)

§ 2911 Penalties.

(a) Any person who shall wilfully and intentionally violate this chapter or engage in the business of a sales finance company in this State without a license therefor as provided in this chapter shall be fined not more than \$500.

(b) A wilful violation of §§ 2907, 2908 or 2909 of this title by the seller or holder shall bar recovery of any finance charge, delinquency or collection charge on the contract.

(5 Del. C. 1953, § 2910; 52 Del. Laws, c. 335, § 1; 70 Del. Laws, c. 6, § 14; 71 Del. Laws, c. 254, § 32.)

§ 2912 Waiver unenforceable and void.

Any waiver of this chapter shall be unenforceable and void.

(5 Del. C. 1953, § 2911; 52 Del. Laws, c. 335, § 1; 70 Del. Laws, c. 6, § 14.)

§ 2913 Disclosure requirements.

Notwithstanding any other provision of this chapter to the contrary, disclosures made in the terminology of the Truth in Lending Act [15 U.S.C. § 1601 et seq.], as amended, and regulations prescribed thereunder, shall be deemed to comply with comparable, but literally inconsistent disclosure requirements of this chapter; provided, however, that any charges otherwise authorized under this chapter may be contracted for and collected in amounts and at rates consistent with this chapter without regard to any inconsistent terminology of said Truth in Lending Act and this chapter.

(5 Del. C. 1953, § 2912; 57 Del. Laws, c. 156; 70 Del. Laws, c. 6, § 14.)

§ 2914 Surety bonds and irrevocable letters of credit.

(a) *Surety bonds.* — (1) Every licensee shall file with the Commissioner, in a form satisfactory to the Commissioner, an original corporate surety bond, with surety provided by a corporation authorized to transact business in this State, in the principal sum of \$25,000.

(2) No bond shall be accepted unless the following requirements are satisfied:

a. The term of the bond shall be commensurate with the license period or continuous;

b. The expiration date of the bond shall not be earlier than midnight of the date on which the license expires; and

c. Compensation under the bond shall be for amounts which represent actual losses and shall not be payable for claims made by business creditors, third-party service providers, agents or persons otherwise in the employ of the licensee. Surety claims shall be paid to the Office of the State Bank Commissioner by the insurer not later than 90 days after receipt of a claim. Claims paid after 90 days shall be subject to daily interest at the legal rate. The aggregate liability of the surety on the bond, exclusive of any interest which accrues for payments made after 90 days, shall in no event exceed the amount of such bond.

(3) If the licensee changes its surety company or the bond is otherwise amended, the licensee shall immediately provide the Commissioner with the amended original copy of the surety bond. No cancellation of an existing bond by a surety shall be effective unless written notice of its intention to cancel is filed with the Commissioner at least 30 days before the date upon which cancellation shall take effect.

(4) The Commissioner may require potential claimants to provide such documentation and affirmations as the Commissioner shall determine to be necessary and appropriate. In the event the Commissioner determines that multiple consumers have been injured by a licensee, the Commissioner shall cause a notice to be published for the purpose of identifying all relevant claims.

(5) When a surety company receives a claim against the bond of a licensee, it shall immediately notify the Commissioner and shall not pay any claim unless and until it receives notice to do so from the Commissioner.

(6) The Commissioner shall have a period of 2 calendar years after the effective date of cancellation or termination of the surety bond by the insurer to submit claims to the insurer.

(b) *Irrevocable letters of credit.* — In lieu of requiring the filing of a surety bond, the Commissioner may, at the Commissioner's discretion, accept from a licensee an irrevocable letter of credit.

(1) Such irrevocable letter of credit shall be provided by an insured depository institution (as defined in the Federal Deposit Insurance Act at 12 U.S.C. § 1813(c)) acceptable to the Commissioner, in a form satisfactory to the Commissioner in the principal sum of \$25,000

(2) No irrevocable letter of credit shall be accepted unless the following requirements are satisfied:

a. The irrevocable letter of credit shall run to the State, for the benefit of the Office of the State Bank Commissioner and for the benefit of all consumers injured by the wrongful act, omission, default, fraud or misrepresentation by a licensee in the course of its activity as a licensee. Compensation under the irrevocable letter of credit shall be for amounts which represent actual losses and shall not be payable for claims made by business creditors, third-party service providers, agents or persons otherwise in the employ of the licensee. The aggregate liability of the insured depository institution issuing the irrevocable letter of credit shall in no event exceed the amount of such irrevocable letter of credit; and

b. Draws upon such irrevocable letter of credit shall be available by sight drafts thereunder, in amounts determined by the Commissioner, up to the aggregate amount of the irrevocable letter of credit. Such drafts shall be paid in accordance with § 5-112(1) of Title 6.

(3) The Commissioner may require potential claimants to provide such documentation and affirmations as the Commissioner shall determine to be necessary and appropriate. In the event the Commissioner determines that multiple consumers have been injured by a licensee, the Commissioner shall cause a notice to be published for the purpose of identifying all relevant claims.

(4) The Commissioner may refuse release of an irrevocable letter of credit, following the surrender of a license, up to 2 years after the effective date of such termination of licensure.

(71 Del. Laws, c. 254, § 33.)

§ 2915 Multi-state automated licensing system.

(a) The Commissioner is authorized to participate in any automated system involving 1 or more other states that will facilitate any aspect of the application and licensing processes of this chapter.

(b) Upon joining any such system, the Commissioner may by regulation establish any of the following:

(1) Any additional requirements for a license under this chapter that the Commissioner determines are necessary for participation in the system.

(2) Any additional investigation fees, any fees paid directly to the administrator of the system, or any other fee required by the system to process an application or maintain a license, in such amount as the Commissioner determines is necessary to participate in the system.

(c) The administrator of any such system in which the Commissioner participates is authorized to act on behalf of the Commissioner to collect from the applicants and licensees subject to the system any payments due the Commissioner under this chapter, to collect information and maintain records in electronic or other format relating to those applicants and licensees, and to submit fingerprints and any other information required for a criminal history background check to the Federal Bureau of Investigation or other law-enforcement agency.

(d) Information maintained on any such system in which the Commissioner participates regarding the applicants and licensees subject to the system may be shared with any other state participating in that system for the purpose of licensing, regulating, or supervising that same applicant or licensee under a statute similar to this chapter, if that state could have obtained that same information directly from the applicant or licensee under its own law. The Commissioner shall ensure that the system maintains appropriate confidentiality, privacy, data security, and security breach notification policies that are in full compliance with Delaware law.

(5 Del. C. 1953, § 3208; 58 Del. Laws, c. 423; 70 Del. Laws, c. 186, § 1.)

§ 3209 License; bond; insurance.

Such bond shall be in a form satisfactory to the Commissioner and shall be issued by a surety company authorized by the laws of this State to conduct business in this State. The bond shall run to the State and shall be conditioned that the licensee will pay any and all moneys that may become due and owing any claimant or creditor of or against the licensee arising out of the licensee's business within the State as transporter. The aggregate liability of the surety bond shall, in no event, exceed the amount of the bond. The surety on the bond shall have the right to cancel such bond upon giving 30 days' written notice to the Commissioner and thereafter shall be relieved of liability for any breach of condition occurring after the effective date of said cancellation. In any event, the bonds shall continue to be in effect as a condition for the continuance or renewal of the license issued hereunder.

(b) In lieu of such corporate surety bond the applicant may keep on deposit with any federally insured banking institution or savings and loan association in this State as such applicant shall designate and the Commissioner shall approve, securities, interest-bearing stocks and bonds, notes, debentures, or other obligations of the United States or agency or instrumentality thereof, or guaranteed by the United States or of this State or any subdivision thereof, or dollar deposits, to an aggregate amount, based upon principal amount or market value, whichever is lower, of not less than the amount of the required corporate surety bond. The securities shall be deposited as aforesaid and held to secure the same obligations as would the corporate surety bond, but the depositor shall be entitled to receive all interest and dividends thereon and shall have the right, with the approval of the Commissioner, to substitute other securities for those deposited.

(c) In addition to the bond required in subsection (a) of this section, within 30 days after the applicant receives written notice of the conditional approval by the Commissioner of an application for original license as provided in § 3208 hereof or within such longer period as the Commissioner may authorize, the applicant shall file with the State Bank Commissioner true copies of its insurance contracts, including all documents not attached physically to such contracts but which are incorporated into and made a part of such contracts by reference or otherwise, establishing that it has in full force and effect a contract of insurance with a good and reputable insurance company, licensed to do business in this State, an underlying all risk (except for customary war risk and nuclear exclusions) policy in an amount not less than \$5,000,000 insuring licensee and/or any persons doing business with, or having a claim against, said licensee arising from any loss through any risk assumed by the licensee in any contract for the transportation, handling or storage of moneys, including lawful currency and coin, negotiable and nonnegotiable securities, stocks, bonds, coupons and things of unusual value. True copies of such insurance contracts and such nonattached documents shall be furnished annually, prior to renewal of the license. The Commissioner may, in the Commissioner's discretion, upon a showing of good cause, issue a license to an applicant whose insurance contracts (including the nonattached documents incorporated into and made a part of such contracts) show that it has less than \$5 million of such all risk coverage if it is established to the Commissioner's satisfaction that the amount of such applicant's all risk coverage is adequate, taking into consideration the aggregate value of such money and/or valuables as are being transported or as may be transported by the applicant for all of its customers pursuant to such contracts for transportation, handling or storage; provided, however, that under no circumstances shall a license be issued to any applicant where the amount of its all risk insurance coverage under this subsection is less than \$2 million. Each such contract for such transportation, handling or storage shall contain in bold print a verbatim quotation of (i) all conditions precedent to any recovery under, and (ii) all warranties of the licensee relating to coverage under, the licensee's all risk insurance policies. If the insurance contracts required by this subsection shall lapse or be cancelled, then the State Bank Commissioner, in the Commissioner's discretion, may, upon 10 days' notice to the licensee, cancel the license provided for in this chapter, until such time as the required insurance contracts have gone into effect. Insurance companies issuing contracts pursuant to this section shall, within 3 days after giving notice to the licensee that the effect of the contracts have been altered or are no longer in effect, give similar notice to the State Bank

Commissioner of such notice to the licensee.

(d) A license issued under this chapter shall remain in full force and effect until surrendered, suspended or revoked pursuant to this chapter. In case there is a change in name, but no change in identity or control of the licensee, the Commissioner shall issue without charge an amended license showing the new name. Such license shall not be otherwise transferable or assignable.

(e) If the Commissioner shall at any time reasonably determine that the bond or securities of the aforesaid are insecure, deficient in amount, or exhausted in whole or in part, or if the surety on the bond shall have notified the Commissioner of its intention to cancel the bond, the Commissioner shall by written order require the filing of a new or supplemental bond or the depositing of a new or additional securities in order to secure compliance with this chapter, such order to be complied with within 20 days following service thereof upon the licensee.

Every holder of a license or a renewal thereof, as provided for in this section, desiring to continue the transaction of business as provided for in this chapter, shall at least 30 days prior to the expiration of such license or renewal thereof make application to the Commissioner on forms to be provided by the Commissioner for a license renewal. Each licensee shall pay to the Commissioner annually, together with its application for license renewal, a license fee of \$200 for the ensuing calendar year. The Commissioner may mandate that applications for renewal shall be treated as new applications if said renewal applications are not on file with the office of the State Bank Commissioner at least 30 days prior to the expiration of such license or renewal thereof. In order for an agent to be authorized to act for the licensee in this State, the licensee shall have on file with the Commissioner the name and address of the agent and the licensee shall notify the Commissioner within 30 days of the change of name and/or address of an agent or of the termination of any such agent. (b) The Commissioner may temporarily suspend any license pending the issuance of a final order as provided in Chapter 101 of Title 29.

(f) Every license issued hereunder shall remain in full force and effect until the same shall have expired or shall have been surrendered, revoked or suspended in accordance with this chapter, but the Commissioner shall have authority to reinstate a suspended license or issue a new license to a licensee whose license shall have been revoked if no fact or condition then exists which would have warranted the Commissioner in refusing originally to issue such license under this chapter.

- (7) Three years of detailed financial projections.

(c) After a review of an application and receipt and review of any additional or supplemental information requested by the Commissioner, the Commissioner shall approve the application for a license under this chapter if the Commissioner determines that:

- (1) The applicant has, or has firm financing commitments from equity investors or debt sources for, cash or similar liquid assets sufficient to demonstrate that prior to the time such applicant is authorized to transact business as a Bidco, such applicant will have liquid assets available to provide financing assistance to business firms in an amount adequate for such applicant to transact business as a Bidco;
 - (2) Each director, officer and controlling person of the applicant is of good character and sound financial standing; each director and officer of such applicant is competent to perform the individual director's and officer's functions with respect to such applicant; and the directors and officers of such applicant are collectively able to manage the business of such applicant as a Bidco;
 - (3) It is reasonable to believe that the applicant, if licensed, will comply with this chapter; and
 - (4) The applicant has reasonable prospects of being a viable, ongoing Bidco and of satisfying the basic objectives of its business plan.
- (d) The Commissioner shall require a Bidco to have at the time it is authorized to transact business as a Bidco a minimum net worth of not less than \$1,000,000.

(e) If an application for a license under this chapter is approved and all conditions precedent to the issuance of such license are fulfilled, the Commissioner shall issue a license to the applicant. A licensee shall post the license, or a copy thereof, in a conspicuous place in each of the main and branch offices of the licensee. A license shall not be transferable or assignable. Each license shall expire on December 31 of each year and be subject to an annual renewal.

(f) If the Commissioner denies an application, the Commissioner shall provide the applicant with a written statement explaining the basis for the denial. The formation, acquisition or control of a Bidco pursuant to this chapter shall not be deemed to be a violation of any condition imposed by law upon an out-of-state bank holding company or any subsidiary thereof which acquires and holds all or substantially all of the voting shares of a bank or banks in the State, and such condition shall not, of itself, be the basis for denial of an application.

(66 Del. Laws, c. 344, § 1; 84 Del. Laws, c. 42, § 78.)

§ 3312 Voluntary surrender of Bidco license.

(a) Upon approval of a two-thirds vote of its board of directors and after complying with subsection (b) of this section, a licensee may apply to the Commissioner to have the Commissioner accept the surrender of the license of such licensee. If the Commissioner determines that the requirements of this section have been satisfied, the Commissioner shall approve the application, unless in the opinion of the Commissioner the purpose of the application is to evade a current or prospective action by the Commissioner under subchapter VI of this chapter.

(b) Not less than 60 days before filing an application with the Commissioner under subsection (a) of this section, a licensee shall notify each of its shareholders of its intention to file such application. Each such shareholder shall be notified of the right to file with the licensee an objection to the proposed surrender of the license within the 60-day period and shall be advised that, if such shareholder files such an objection, such shareholder should send a copy of such objection to the Commissioner. If shareholders holding 20 percent or more of the outstanding voting securities of the licensee file such objections, the licensee shall not proceed with the application under subsection (a) of this section unless the application is approved by a vote of shareholders holding two thirds of the outstanding voting securities of such licensee.

 - (1) If and to the extent necessary to protect the interests of a licensee as a creditor of, or investor in, a business firm, a licensee that has provided financing assistance to a business firm may acquire and hold control of such business firm. Unless the Commissioner approves a longer period, a licensee holding control of a business firm under this paragraph shall divest itself of the interest which constitutes holding control as soon as practicable or within 3 years after acquiring such interest, whichever is earlier.
 - (2) With the approval of the Commissioner, a licensee may acquire and hold control of a corporation which is licensed as a small business investment company under the Small Business Investment Act of 1958 [15 U.S.C. § 661 et seq.], as amended.
 - (3) With the approval of the Commissioner, a licensee may acquire and hold control of a company which is a development company, whether or not such development company has been or may become certified by the United States Small Business Administration pursuant to the Small Business Investment Act of 1958 [15 U.S.C. § 661 et seq.], as amended.

(b) In determining whether a licensee is transacting business in a prudent business manner, the Commissioner shall not consider the risk of the financing assistance provided by such licensee to a business firm, unless the Commissioner determines that the risk is so great compared with the realistically expected return as to demonstrate mismanagement of the licensee.

(c) Subsection (b) of this section shall not limit the authority of the Commissioner to do any of the following:

(1) Determine that a licensee's financing assistance to a single business firm or a group of affiliated business firms is in violation of subsection (a) of this section if the amount of such financing assistance is unduly large in relation to the total assets or the total shareholder's equity of such licensee.

(2) Require that a licensee maintain a reserve in the amount of anticipated losses.

(3) Require that a licensee have in effect a written financing assistance policy, approved by its board of directors, including credit evaluation criteria and other matters. (66 Del. Laws, c. 344, § 1.)

§ 3325 Avoidance of conflict of interest.

(a) A licensee shall avoid any transaction or act which involves, or has the potential to involve, a conflict of interest, unless such transaction or act and the circumstances underlying the conflict or potential conflict of interest are fully and adequately disclosed to appropriate persons.

(c) The Commissioner shall approve an application by a licensee for approval of a proposed transaction involving a merger, acquisition of control or a sale of all or substantially all of such licensee's business assets, only upon a finding by the Commissioner that:

(1) Such merger, acquisition or sale will be on a sound financial basis with respect to the acquiring licensee;

(2) Upon consummation of such merger, acquisition or sale, it is reasonable to believe that the acquiring licensee will comply with this chapter; and

(3) Such merger, acquisition or sale will not have a major detrimental impact upon competition in the providing of financing assistance or management assistance to business firms, or if there will be such a major detrimental impact, such merger, acquisition or sale is necessary in the interests of the financial soundness of any of the parties to such merger, acquisition or sale, or is otherwise, on balance, in the public interest.

(b) If in the Commissioner's opinion it is necessary for a thorough examination of a licensee, the Commissioner may retain 1 or more accountants, attorneys, appraisers or other 3rd parties to assist the Commissioner in such examination. (c) The provisions of subsection (a) of this section are in addition to, and not an alternative to, other provisions of this chapter which authorize the Commissioner to issue orders or to take other action on account of a violation of this chapter.

(d) The provisions of subsection (a) of this section are in addition to, and not an alternative to, any criminal penalties that may be available under state and federal law.

§ 3411 Surety bonds and irrevocable letters of credit.

(a) *Surety bonds.* — (1) Every person licensed under this chapter shall file with the Commissioner, in a form satisfactory to the Commissioner, an original corporate surety bond with surety provided by a corporation authorized to transact business in this State, in the principal sum to be determined by the Commissioner. However, the bond amount may not be less than \$50,000 nor more than \$200,000. In determining the amount of the bond required for a licensee, the Commissioner shall consider, among other things:

- a. The dollar value of the trust funds held by a licensee as a trustee under this chapter; and
- b. Such other and further criteria as the Commissioner considers necessary and appropriate.

(2) A bond may not be accepted by the Commissioner unless all of the following requirements are satisfied:

- a. The aggregate value of the bond must be equal to or greater than the amount determined by paragraph (a)(1) of this section.

The aggregate liability of the surety on the bond, exclusive of any interest which accrues for payments made after 90 days, may not exceed the amount of the bond.

(3) If a licensee changes its surety company or if its surety bond is otherwise amended, the licensee shall immediately provide the Commissioner with the amended original copy of the surety bond. Cancellation of an existing bond by a surety is not effective unless written notice of its intention to cancel is filed with the Commissioner at least 30 days before the date on which cancellation is scheduled to take effect.

(4) The Commissioner may require potential claimants to provide documentation and affirmations that the Commissioner determines are necessary and appropriate. If the Commissioner determines that multiple consumers have been injured by a licensee, the Commissioner shall cause a notice to be published for the purpose of identifying all relevant claims.

(5) When a surety company receives a claim against the bond of a licensee, the surety company shall immediately notify the Commissioner and may not pay any claim until it receives notice to do so from the Commissioner.

(6) The Commissioner has 2 calendar years after the effective date of cancellation or termination of a surety bond by an insurer to submit claims to the insurer.

(b) In lieu of requiring the filing of a surety bond pursuant to subsection (a) of this section, the Commissioner may, at the Commissioner's discretion, accept an irrevocable letter of credit from a licensee.

(1) An irrevocable letter of credit must be provided by an insured depository institution as defined in the Federal Deposit Insurance Act at 12 U.S.C. § 1813(c) and acceptable to the Commissioner, in a form satisfactory to the Commissioner, in the principal sum to be determined by the Commissioner. However, the irrevocable letter of credit amount may not be less than \$50,000 nor more than \$200,000. In determining the amount of the irrevocable letter of credit required for a licensee, the Commissioner shall consider, among other things:

- a. The dollar value of the trust funds held by a licensee as a trustee under this chapter; and
- b. Such other and further criteria as the Commissioner considers necessary and appropriate.

(2) An irrevocable letter of credit may not be accepted by the Commissioner unless all of the following requirements are satisfied:

a. The aggregate value of the irrevocable letter of credit must be equal to or greater than the amount determined by paragraph (b)(1) of this section.

b. The irrevocable letter of credit must run to the State for the benefit of the Office of the State Bank Commissioner and for the benefit of all consumers injured by any wrongful act, omission, default, fraud, or misrepresentation by the licensee in the course of its activity as a licensee. Compensation under the irrevocable letter of credit must be for amounts which represent actual losses and may not be paid for claims made by business creditors, third-party service providers, agents, or persons otherwise in the employ of the licensee. The aggregate liability of the insured depository institution issuing the irrevocable letter of credit may not exceed the amount of the irrevocable letter of credit.

c. Draws upon irrevocable letters of credit must be available by sight drafts thereunder, in amounts determined by the Commissioner, up to the aggregate amount of the irrevocable letter of credit. Sight drafts must be honored in accordance with § 5-108 of Title 6 (issuer's rights and obligations).

(3) The Commissioner may require potential claimants to provide documentation and affirmations that the Commissioner determines are necessary and appropriate. If the Commissioner determines that multiple consumers have been injured by a licensee, the Commissioner shall cause a notice to be published for the purpose of identifying all relevant claims.

(4) The Commissioner may refuse release of an irrevocable letter of credit following the surrender of a license, up to 2 years after the effective date of licensure termination.
