

CHAPTER 396
FORMERLY
HOUSE SUBSTITUTE NO. 1 FOR
HOUSE BILL NO. 212
AS AMENDED BY
HOUSE AMENDMENT NO. 1

AN ACT TO AMEND TITLE 21 OF THE DELAWARE CODE RELATING TO DRIVER'S LICENSES, DRIVING UNDER THE INFLUENCE AND IGNITION INTERLOCK DEVICE REQUIREMENTS.

BE IT ENACTED BY THE GENERAL ASSEMBLY OF THE STATE OF DELAWARE:

Section 1. Amend § 2742, Title 21 of the Delaware Code as follows:

(d) No revocation under subsection (b) or (c) of this section is effective until the Secretary or a police officer or other person acting on the Secretary's behalf notifies the person of the revocation and allows the person a 15-day period to request of the Secretary in writing a hearing as herein provided. If no request is filed in writing with the Division of Motor Vehicles within the 15-day period, the order of revocation becomes effective. If a request for a hearing is filed, a revocation is not effective until the final decision of the hearing officer resulting in a decision adverse to the person.

Section 2. Amend Subchapter IX, Chapter 41, Title 21 of the Delaware Code by making such insertions as shown by underlining and deletions as shown by strikethrough follows:

§ 4177 Driving a vehicle while under the influence or with a prohibited alcohol or drug content; evidence; arrests; and penalties.

(a) No person shall drive a vehicle:

- (1) When the person is under the influence of alcohol;
- (2) When the person is under the influence of any drug;
- (3) When the person is under the influence of a combination of alcohol and any drug;
- (4) When the person's alcohol concentration is .08 or more; or

(5) When the person's alcohol concentration is, within 4 hours after the time of driving .08 or more. Notwithstanding any other provision of the law to the contrary, a person is guilty under this subsection, without regard to the person's alcohol concentration at the time of driving, if the person's alcohol concentration is, within 4 hours after the time of driving .08 or more and that alcohol concentration is the result of an amount of alcohol present in, or consumed by the person when that person was driving;

(6) When the person's blood contains, within 4 hours of driving, any amount of an illicit or recreational drug that is the result of the unlawful use or consumption of such illicit or recreational drug or any amount of a substance or compound that is the result of the unlawful use or consumption of an illicit or recreational drug prior to or during driving.

(b) In a prosecution for a violation of subsection (a) of this section:

(1) Except as provided in paragraph (b)(3)b. of this section, the fact that any person charged with violating this section is, or has been, legally entitled to use alcohol or a drug shall not constitute a defense.

(2) a. No person shall be guilty under paragraph (a)(5) of this section when the person has not consumed alcohol prior to or during driving but has only consumed alcohol after the person has ceased driving and only such consumption after driving caused the person to have an alcohol concentration of .08 or more within 4 hours after the time of driving.

b. No person shall be guilty under paragraph (a)(5) of this section when the person's alcohol concentration was .08 or more at the time of testing only as a result of the consumption of a sufficient quantity of alcohol that occurred after the person ceased driving and before any sampling which raised the person's alcohol concentration to .08 or more within 4 hours after the time of driving.

(3) a. No person shall be guilty under paragraph (a)(6) of this section when the person has not used or consumed an illicit or recreational drug prior to or during driving but has only used or consumed such drug after the person has ceased driving and only such use or consumption after driving caused the person's blood to

contain an amount of the drug or an amount of a substance or compound that is the result of the use or consumption of the drug within 4 hours after the time of driving.

b. No person shall be guilty under paragraph (a)(6) of this section when the person has used or consumed the drug or drugs detected according to the directions and terms of a lawfully obtained prescription for such drug or drugs.

c. Nothing in this subsection nor any other provision of this chapter shall be deemed to preclude prosecution under paragraph (a)(2) or (a)(3) of this section.

(4) The charging document may allege a violation of subsection (a) of this section without specifying any particular paragraph of subsection (a) of this section and the prosecution may seek conviction under any of the paragraphs of subsection (a) of this section.

(c) For purposes of subchapter III of Chapter 27 of this title and this subchapter, the following definitions shall apply:

(1) "Alcohol concentration of .08 or more" shall mean:

a. An amount of alcohol in a sample of a person's blood equivalent to .08 or more grams of alcohol per 100 milliliters of blood; or

b. An amount of alcohol in a sample of a person's breath equivalent to .08 or more grams per 210 liters of breath.

(2) "Alcohol concentration of .15 or more" shall mean:

a. An amount of alcohol in a sample of a person's blood equivalent to .15 or more grams of alcohol per 100 milliliters of blood; or

b. An amount of alcohol in a sample of a person's breath equivalent to .15 or more grams per 210 liters of breath.

(3) "Alcohol concentration of .20 or more" shall mean:

a. An amount of alcohol in a sample of a person's blood equivalent to .20 or more grams of alcohol per 100 milliliters of blood; or

b. An amount of alcohol in a sample of a person's breath equivalent to .20 or more grams per 210 liters of breath.

(4) "Chemical test" or "test" shall include any form or method of analysis of a person's blood, breath or urine for the purposes of determining alcohol concentration or the presence of drugs which is approved for use by the Forensic Sciences Laboratory, Office of the Chief Medical Examiner, the Delaware State Police Crime Laboratory, any state or federal law-enforcement agency, or any hospital or medical laboratory. It shall not, however, include a preliminary screening test of breath performed in order to estimate the alcohol concentration of a person at the scene of a stop or other initial encounter between an officer and the person.

(5) "Drive" shall include driving, operating, or having actual physical control of a vehicle.

(6) "Drug" shall include any substance or preparation defined as such by Title 11 or Title 16 or which has been placed in the schedules of controlled substances pursuant to Chapter 47 of Title 16. "Drug" shall also include any substance or preparation having the property of releasing vapors or fumes which may be used for the purpose of producing a condition of intoxication, inebriation, exhilaration, stupefaction or lethargy or for the purpose of dulling the brain or nervous system.

(7) "Illicit or recreational drug" as that phrase is used in paragraph (a)(6) of this section means any substance or preparation that is:

a. Any material, compound, combination, mixture, synthetic substitute or preparation which is enumerated as a Schedule I controlled substance under § 4714 of Title 16; or

b. Cocaine or of any mixture containing cocaine, as described in § 4716(b)(4) of Title 16; or

c. Amphetamine, including its salts, optical isomers and salt of its optical isomers, or of any mixture containing any such substance, as described in § 4716(d)(1) of Title 16; or

d. Methamphetamine, including its salt, isomer or salt of an isomer thereof, or of any mixture containing any such substance, as described in § 4716(d)(3) of Title 16; or

e. Phencyclidine, or of any mixture containing any such substance, as described in § 4716(e)(5) of Title 16; or

f. A designer drug as defined in § 4701 of Title 16; or

g. A substance or preparation having the property of releasing vapors or fumes which may be used for the purpose of producing a condition of intoxication, inebriation, stupefaction or lethargy or for the purpose of dulling the brain or nervous system.

(8) "Unlawful use or consumption" as that phrase is used in paragraph (a)(6) of this section means that the person used or consumed a drug without legal authority to do so as provided by Delaware law. This Code describes the procedure by which a person may lawfully obtain, use or consume certain drugs. In a prosecution brought under paragraph (a)(6) of this section, the State need not present evidence of a lack of such legal authority. In a prosecution brought under paragraph (a)(6) of this section, if a person claims that such person lawfully used or consumed a drug, it is that person's burden to show that person has complied with and satisfied the provisions of this Code regarding obtaining, using or consumption of the drug detected.

(9) "Substance or compound that is the result of the unlawful use or consumption of an illicit or recreational drug" as that phrase is used in paragraph (a)(6) of this section shall not include any substance or compound that is solely an inactive ingredient or inactive metabolite of such drug.

(10) "Vehicle" shall include any vehicle as defined in § 101(80) of this title, any off-highway vehicle as defined in § 101(39) of this title and any moped as defined in § 101(31) of this title.

(11) "While under the influence" shall mean that the person is, because of alcohol or drugs or a combination of both, less able than the person would ordinarily have been, either mentally or physically, to exercise clear judgment, sufficient physical control, or due care in the driving of a vehicle.

(d) Whoever is convicted of a violation of subsection (a) of this section shall:

(1) For the first offense, be fined not less than \$500 nor more than \$1,500 or imprisoned not more than 12 months or both. Any period of imprisonment imposed under this paragraph may be suspended.

(2) For a second offense occurring at any time within 10 years of a prior offense, be fined not less than \$750 nor more than \$2,500 and imprisoned not less than 60 days nor more than 18 months. The minimum sentence for a person sentenced under this paragraph may not be suspended.

(3) For a third offense occurring at any time after 2 prior offenses, be guilty of a class G felony, be fined not more than \$5,000 and be imprisoned not less than 1 year nor more than 2 years. The provisions of § 4205(b)(7) or § 4217 of Title 11 or any other statute to the contrary notwithstanding, the first 3 months of the sentence shall not be suspended, but shall be served at Level V and shall not be subject to any early release, furlough or reduction of any kind. The sentencing court may suspend up to 9 months of any minimum sentence set forth in this paragraph provided, however, that any portion of a sentence suspended pursuant to this paragraph shall include participation in both a drug and alcohol abstinence program and a drug and alcohol treatment program as set forth in paragraph (d)(9) of this section.

(4) For a fourth offense occurring any time after 3 prior offenses, be guilty of a class E felony, be fined not more than \$7,000, and imprisoned not less than 2 years nor more than 5 years. The provisions of § 4205(b)(5) or § 4217 of Title 11 or any other statute to the contrary notwithstanding, the first 6 months of the sentence shall not be suspended, but shall be served at Level V and shall not be subject to any early release, furlough or reduction of any kind. The sentencing court may suspend up to 18 months of any minimum sentence set forth in this paragraph provided, however, that any portion of a sentence suspended pursuant to this paragraph shall include participation in both a drug and alcohol abstinence program and a drug and alcohol treatment program as set forth in paragraph (d)(9) of this section.

(5) For a fifth offense occurring any time after 4 prior offenses, be guilty of a class E felony, be fined not more than \$10,000 and imprisoned not less than 3 years nor more than 5 years.

(6) For a sixth offense occurring any time after 5 prior offenses, be guilty of a class D felony, be fined not more than \$10,000 and imprisoned not less than 4 years nor more than 8 years.

(7) For a seventh offense occurring any time after 6 prior offenses, or for any subsequent offense, be guilty of a class C felony, be fined not more than \$15,000 and imprisoned not less than 5 years nor greater than 15 years.

(8) For the fifth, sixth, seventh offense or greater, the provisions of § 4205(b) or § 4217 of Title 11 or any other statute to the contrary notwithstanding, at least 1/2 of any minimum sentence shall be served at Level V and shall not be subject to any early release, furlough or reduction of any kind. The sentencing court may suspend up to 1/2 of any minimum sentence set forth in this section provided, however, that any portion of a sentence suspended pursuant to this paragraph shall include participation in both a drug and alcohol abstinence program and a drug and alcohol treatment program as set forth in paragraph (d)(9) of this section. No conviction for a violation of this section, for which a sentence is imposed pursuant to this paragraph or paragraph (d)(3) or (d)(4) of this section, shall be considered a predicate felony for conviction or sentencing pursuant to § 4214 of Title 11. No offense for which sentencing pursuant to this paragraph or paragraph (d)(3) or (d)(4) of this section is applicable shall be considered an underlying felony for a murder in the first degree charge pursuant to § 636(a)(2) of Title 11.

(9) Any minimum sentence suspended pursuant to paragraph (d)(3), (d)(4), or (d)(8) of this section shall be upon the condition that the offender shall complete a program of supervision which shall include:

a. A drug and alcohol abstinence program requiring that the offender maintain a period of not less than 90 consecutive days of sobriety as measured by a transdermal continuous alcohol monitoring device or through periodic breath or urine analysis. In addition to such monitoring, the offender shall participate in periodic, random breath or urine analysis during the entire period of supervision.

b. An intensive inpatient or outpatient drug and alcohol treatment program for a period of not less than 3 months. Such treatment and counseling may be completed while an offender is serving a Level V or Level IV sentence.

c. Any other terms or provisions deemed appropriate by the sentencing court or the Department of Correction.

(10) In addition to the penalties otherwise authorized by this subsection, any person convicted of a violation of subsection (a) of this section, committed while a person who has not yet reached the person's seventeenth birthday is on or within the vehicle shall:

a. For the first offense, be fined an additional minimum of \$500 and not more than an additional \$1,500 and sentenced to perform a minimum of 40 hours of community service in a program benefiting children.

b. For each subsequent like offense, be fined an additional minimum of \$750 and not more than an additional \$2,500 and sentenced to perform a minimum of 80 hours of community service in a program benefiting children.

c. Violation of this paragraph shall be considered as an aggravating circumstance for sentencing purposes for a person convicted of a violation of subsection (a) of this section. Nothing in this paragraph shall prevent conviction for a violation of both subsection (a) of this section and any offense as defined elsewhere by the laws of this State.

d. Violation of or sentencing pursuant to this paragraph shall not be considered as evidence of either comparative or contributory negligence in any civil suit or insurance claim, nor shall a violation of or sentencing pursuant to this paragraph be admissible as evidence in the trial of any civil action.

(11) A person who has been convicted of prior or previous offenses of this section, as defined in § 4177B(e) of this title, need not be charged as a subsequent offender in the complaint, information or indictment against the person in order to render the person liable for the punishment imposed by this section on a person with prior or previous offenses under this section. However, if at any time after conviction and before sentence, it shall appear to the Attorney General or to the sentencing court that by reason of such conviction and prior or previous convictions, a person should be subjected to paragraph (d)(3), (d)(4), (d)(5), (d)(6) or (d)(7) of this section, the Attorney General shall file a motion to have the defendant sentenced pursuant to those provisions. If it shall appear to the satisfaction of the court at a hearing on the motion that the defendant falls within paragraph (d)(3), (d)(4),

(d)(5), (d)(6) or (d)(7) of this section, the court shall enter an order declaring the offense for which the defendant is being sentenced to be a felony and shall impose a sentence accordingly.

(12) If a person enters a guilty plea in a court of competent jurisdiction to a violation of subsection (a) of this section, such action shall constitute a waiver of the right to an administrative hearing as provided for in §2742 of this title and shall act to withdraw any request previously made therefor.

(e) In addition to any penalty for a violation of subsection (a) of this section, the court shall prohibit the person convicted from operating any motor vehicle unless such motor vehicle is equipped with a functioning ignition interlock device; the terms of installation of the device and licensing of the individual to drive shall be as set forth in § 4177C and § 4177E of this title. A person who is prohibited from operating any motor vehicle unless such motor vehicle is equipped with a functioning ignition interlock device under this title at the time of an offense under subsection (a) of this section shall, in addition to any other penalties provided under law, pay a fine of \$2,000 and be imprisoned for 60 days.

§ 4177A. Revocation of license for violation of § 4177.

(a) The Secretary shall forthwith revoke the driver's license and/or driving privileges of any person convicted of a violation of § 4177 of this title or any offense under the laws of any state or of the United States or local jurisdiction or the District of Columbia which prohibits driving under the influence of alcohol or drugs. Such revocation shall be for a period of:

(1) First offense -- 12 months; except that if the offender's blood alcohol concentration was between .15 -- .19 the revocation period shall be 18 months, or if the offender's blood alcohol concentration was .20 or greater or the offender refused a chemical test, the period of revocation shall be 24 months.

(2) Second offense -- 18 months; except that if the offender's blood alcohol concentration was between .15-.19 the revocation period shall be 24 months, or if the offender's blood alcohol concentration was .20 or greater, or the offender has refused a chemical test, the revocation period shall be 30 months.

(3) Third offense -- 24 months; except that if the offender's blood alcohol concentration was between .15-.19 the revocation period shall be 30 months, or if the offender's blood alcohol concentration was .20 or greater, or the offender has refused a chemical test, the revocation period shall be 36 months.

(4) Fourth or further subsequent offenses -- 60 months regardless of the blood alcohol concentration.

(b) Any person sentenced under subsection (d) of § 4177 of this title shall have the person's driver's license and/or driving privileges revoked by the Secretary until the person has satisfactorily completed a program established pursuant to § 4177D of this title and complied with the ignition interlock device requirements set forth in §§ 4177C and 4177E of this title.

(c) The Secretary shall have power and authority to refuse to issue a driver's license to any individual whose driver's license or driving privilege was revoked pursuant to this section until such person has satisfied the Secretary that the person has been of good behavior for the entire period of the revocation and until the person has complied with all applicable provisions of this section. If the Secretary refuses to issue a driver's license after the period of revocation has ended and after all fines and/or fees are paid, the applicant may appeal to the Superior Court of the county of residence.

§ 4177B. First offenders; election in lieu of trial.

(a) Any person who:

(1) Has never had a previous or prior conviction or offense as defined in paragraph (e)(1) of this section;

(2) Had not accumulated 3 or more moving violations within 2 years of the date of the offense in question on the person's driving record according to the records of the Division of Motor Vehicles of the person's state of residence; and

(3) Was not, with respect to the offense in question, involved in an accident resulting in injury to any person other than the person's own self; and

(4) Did not have an alleged alcohol concentration of .15 or more at the time of driving or within 4 hours of driving;

(5) Was not driving without a valid license or under a suspended or revoked license at the time of the offense in question; and

(6) Is not subject to the enhanced penalties of § 4177(d)(10) of this title for carrying a child on or within that person's vehicle while driving under the influence;

may qualify for the first offense election at the time of arraignment. The court, without entering a judgment of guilt and with the consent of the accused, may defer further proceedings and shall place the accused on probation upon terms and conditions, including enrollment in a course of instruction or program of rehabilitation established pursuant to § 4177D of this title. If the accused elects to apply, the application shall constitute a waiver of the right to speedy trial. If the person elects not to apply, or if is not accepted, the person shall promptly be arraigned for a violation of § 4177 of this title. If a person applies for or accepts the first offense election under this section, such act shall constitute agreement to pay the costs of prosecution for the case, and the court shall assess such costs and impose them as a condition of probation. If a person accepts the first offense election under this section, such action shall constitute a waiver of the right to an administrative hearing as provided for in § 2742 of this title and shall act to withdraw any request previously made therefor. For the purposes of this section, costs of prosecution shall be \$250 and any additional costs as established by the appropriate court schedules; and

(b) If a term or condition of probation is violated, including failure to appear for evaluation at an assigned evaluating agency, the person shall be brought before the court, or if the person fails to appear before the court, in either case, upon a determination by the court that the terms have been violated, the court shall enter an adjudication of guilt and proceed as otherwise provided under § 4177 of this title.

(c) Upon fulfillment of the terms and conditions of probation, including satisfactory completion of the course of instruction and/or program of rehabilitation, and payment of all fees, the court shall discharge the person and the proceedings against the person and shall simultaneously with said discharge and dismissal submit to the Division of Motor Vehicles a written report specifying the name of the person and the nature of the proceedings against the person which report shall be retained by the Division of Motor Vehicles for further proceedings, if required.

(d) The driver's license and/or driving privileges of a person applying for enrollment in an education or rehabilitation program pursuant to subsection (a) of this section shall forthwith be revoked by the Secretary for a period of 1 year. If the person is accepted into the education or rehabilitation program the period of revocation shall be for 1 year from the date of the initial revocation. If the person is not accepted for enrollment, or if the person is found by the court to be in violation of the terms of enrollment, the revocation under this section shall continue until sentence is imposed. This revocation shall not be concurrent with or part of any period of revocation established under any other provisions of this subchapter and shall be effective as of the date of sentencing for a period of 1 year.

(e) (1) Prior or previous conviction or offense. -- For purposes of §§ 2742, 4177 and 4177B of this title the provisions of § 4215A of Title 11 shall not be applicable but instead the following shall constitute a prior or previous conviction or offense:

a. A conviction or other adjudication of guilt or delinquency pursuant to § 4175(b) or § 4177 of this title, or a similar statute of any state or local jurisdiction, any federal or military reservation or the District of Columbia;

b. A conviction or other adjudication of guilt or delinquency under a criminal statute encompassing death or injury caused to another person by the person's driving where driving under the influence or with a prohibited alcohol concentration was an element of the offense, whether such conviction was pursuant to a provision of this Code or the law of any state, local jurisdiction, any federal or military reservation or the District of Columbia;

c. Participation in a course of instruction or program of rehabilitation or education pursuant to § 4175(b), § 4177 or § 4177B of this title, or a similar statute of any state, local jurisdiction, any federal or military

reservation or the District of Columbia, regardless of the existence or validity of any accompanying attendant plea or adjudication of guilt;

d. A conditional adjudication of guilt, any court order, or any agreement sanctioned by a court requiring or permitting a person to apply for, enroll in or otherwise accept first offender treatment or any other diversionary program under this section or a similar statute of any state, local jurisdiction, any federal or military reservation or the District of Columbia.

(2) Time limitations. -- For the purpose of determining the applicability of enhanced penalties pursuant to § 4177 of this title, the time limitations on use of prior or previous convictions or offenses as defined by this subsection shall be:

a. For sentencing pursuant to § 4177(d)(2) of this title, the second offense must have occurred within 10 years of a prior offense;

b. For sentencing pursuant to § 4177(d)(3), (d)(4), (d)(5), (d)(6), (d)(7), (d)(8) or (d)(9) of this title there shall be no time limitation and all prior or previous convictions or offenses as defined in paragraph (e)(1) of this section shall be considered for sentencing.

c. For any subsection that does not have a time limitation prescribed, all prior or previous convictions or offenses as defined in paragraph (e)(1) of this section shall be considered.

(3) Computation of time limitations. -- For the purpose of computing the periods of time set out in § 2742, § 4177 or § 4177B of this title, the period shall run from the date of the commission of the prior or previous offense to the date of the commission of the charged offense. However, in any case in which the prior offense is defined in subparagraph (1)c. or (1)d. of this subsection, the date of the driving incident which caused the adjudication or program participation shall be the date of the prior or previous offense.

(4) Separate and distinct offenses. -- For the purpose of determining the applicability of enhanced penalties pursuant to § 4177 of this title, prior or previous convictions or offenses used to determine eligibility for such enhanced penalties must be separate and distinct offenses; that is, each must be successive to the other with some period of time having elapsed between sentencing or adjudication for an earlier offense or conviction and the commission of the offense resulting in a subsequent conviction.

(5) Challenges to use of prior offenses. -- In any proceeding under § 2742, § 4177 or § 4177B of this title, a person may not challenge the validity of any prior or previous conviction, unless that person first successfully challenges the prior or previous conviction in the court in which the conviction arose and provides written notice of the specific nature of the challenge in the present proceeding to the prosecution at least 20 days before trial.

(f) The Attorney General may move the sentencing court to apply this section to any person who would otherwise be disqualified from consideration under this section because of the applicability of:

(1) Paragraph (a)(1) of this section, if any prior offense as defined in subsection (e) of this section is not within 10 years of the offense for which the person is being sentenced; or

(2) Paragraphs (a)(2), (a)(3), (a)(4), (a)(5) and (a)(6) of this section.

In the event of such a motion by the Attorney General, the court may in its discretion apply the terms of this section to that person.

§ 4177C. Ignition interlock licenses; reinstatement of license.
