(1) transportation provided using a taxicab, limousine, or other public carrier pursuant to Chapter 18 of this Title; or

(2) a shared expense carpool or vanpool arrangement; or

(3) a regional transportation provider.

§ 1902. Not other carriers.

TNCs or TNC Drivers are not public carriers, as defined in Chapter 18 of this title, nor do they provide taxicab or limousine service. A TNC Driver shall not be required to register with any state or local agency the
vehicle such TNC Driver uses to provide Prearranged Rides as a commercial or public carrier vehicle. A TNC Driver shall also not be required to obtain a Delaware business license from the Delaware Division of Revenue.

§ 1904. Agent and registration requirements.
(a) The TNC must maintain an agent for service of process in the State of Delaware.
(b) The TNC must file with the Delaware Secretary of State Articles of Incorporation or Foreign Articles of Incorporation and must meet all applicable business licensure requirements under the Delaware Code and Delaware Division of Revenue’s regulations.

§ 1905. Fare collected for services.
On behalf of a TNC Driver, a TNC may charge a fare for the services provided to riders; provided that, if a fare is collected from a rider, the TNC shall disclose to the rider the fare or fare calculation method on its website or within the online-enabled technology application service. The TNC shall also provide riders with the option to receive an estimated fare before the rider enters the TNC Driver’s vehicle.

§ 1906. Identification of TNC vehicles and TNC Drivers and customer service.
(a) The TNC’s online-enabled technology application service or website shall display a picture of the TNC Driver, and the license plate number of the motor vehicle utilized for providing the Prearranged Ride, before the rider enters the TNC Driver’s vehicle.
(b) A TNC Driver must display on their vehicle at all times while logged into a TNC’s digital platform, a sign, emblem, or logo that can sufficiently identify the vehicle as being associated with the TNC or its associated digital platform.
(c) A TNC must provide a customer support telephone number, email address, or hyperlink on its digital application or website.

§ 1907. Electronic receipt.
Within a reasonable period of time following the completion of a trip, a TNC shall transmit an electronic receipt to the rider on behalf of the TNC Driver that lists:
(a) The origin and destination of the trip;
(b) The total time and distance of the trip; and
(c) An itemization of the total fare paid, if any.

§ 1908. Financial responsibility of Transportation Network Companies.
On or before the effective date of this Act and thereafter, a Transportation Network Company Driver or Transportation Network Company on the TNC Driver’s behalf shall maintain primary automobile insurance that:
(a) Recognizes that the TNC Driver is a Transportation Network Company Driver or otherwise uses a vehicle to transport passengers for compensation and covers the TNC Driver in both of the following two circumstances:
   (1) while the TNC Driver is logged on to the Transportation Network Company’s Digital Network; and
   (2) while the TNC Driver is engaged in a Prearranged Ride.
(b) The following automobile insurance requirements shall apply while a participating Transportation Network Company Driver is logged on to the Transportation Network Company's Digital Network and is available to receive transportation requests but is not engaged in a Prearranged Ride:

e) Coverage under an automobile insurance policy maintained by the Transportation Network Company shall not be dependent on a personal automobile insurer first denying a claim nor shall a personal automobile insurance policy be required to first deny a claim.

(f) Insurance required by § 1908 may be placed with an insurer licensed under Delaware law or with a surplus lines insurer eligible under 18 Del. C. § 1912 that has a credit rating of no less than “A-” from A.M. Best or “A” from Demotech or similar rating from another rating agency recognized by the Department of Insurance.

(g) Insurance satisfying the requirements of § 1908 shall be deemed to satisfy the financial responsibility requirements of Chapter 29 of Title 21 of the Delaware Code.

(h) A Transportation Network Company Driver shall carry digital or physical proof of coverage satisfying § 1908(b) and § 1908 (c) with him or her at all times during his or her use of a vehicle in connection with a Transportation Network Company’s Digital Network. In the event of an accident, a Transportation Network Company Driver shall provide this insurance coverage information to the directly interested parties, automobile insurers and investigating police officers, upon request. Upon such request, a Transportation Network Company Driver shall also disclose to directly interested parties, automobile insurers, and investigating police officers, whether he or she was logged on to the Transportation Network Company’s Digital Network or on a Prearranged Ride at the time of an accident.

(i) As part of the permit application under Section 1903, a TNC shall file with the Division certificates of insurance showing that it maintains insurance that meets the requirements of subsection (d) of this Section.

§ 1909. Disclosures.

(a) The Transportation Network Company shall disclose in writing to Transportation Network Company Drivers the following before they are allowed to accept a request for a Prearranged Ride on the Transportation Network Company’s Digital Network:

(1) The insurance coverage, including the types of coverage and the limits for each coverage, that the Transportation Network Company provides while the Transportation Network Company Driver uses a Personal Vehicle in connection with a Transportation Network Company’s Digital Network; and

(2) That the Transportation Network Company Driver’s own automobile insurance policy might not provide any coverage while the TNC Driver is logged on to the Transportation Network Company's Digital Network and is available to receive transportation requests or is engaged in a Prearranged Ride, depending on its terms.

(b) A transportation network company shall make the following disclosure to a TNC Driver in the TNC Driver's terms of service: If the vehicle with which you provide transportation network company services has a lien
against it, you must notify the lienholder that you provide transportation network company services with such vehicle. Providing such transportation network company services may violate the terms of your contract with the lienholder.

§ 1910. Automobile insurance provisions.

(a) Insurers that write automobile insurance in Delaware may exclude any and all coverage afforded under the policy issued to an owner or operator of a Personal Vehicle for any loss or injury that occurs while a TNC Driver is logged on to a Transportation Network Company’s Digital Network or while a TNC Driver provides a Prearranged Ride. This right to exclude all coverage may apply to any coverage included in an automobile insurance policy including, but not limited to:

(1) Liability coverage for bodily injury and property damage;

(2) Personal injury protection benefits as required by §2118 of Title 21 of the Delaware Code and §3902 of Title 18 of the Delaware Code;

(3) Uninsured and underinsured motorist;

(4) Medical payments coverage;

(5) Comprehensive physical damage coverage; and

(6) Collision physical damage coverage.

Such exclusions shall apply notwithstanding any requirement under Chapters 21 and 29 of Title 21 of the Delaware Code.

Nothing in this section implies or requires that a personal automobile insurance policy provide coverage while the TNC Driver is logged on to the Transportation Network Company’s Digital Network, while the TNC Driver is engaged in a Prearranged Ride or while the TNC Driver otherwise uses a vehicle to transport passengers for compensation.

Nothing in this Chapter shall be construed as to require an insurer to use any particular policy language or reference to this Section in order to exclude any and all coverage for any loss or injury that occurs while a TNC Driver is logged on to a Transportation Network Company’s Digital Network or while a TNC Driver provides a Prearranged Ride.

Nothing shall be deemed to preclude an insurer from providing primary or excess coverage for the Transportation Network Company Driver’s vehicle, if it so chose to do so by contract or endorsement.

(b) Automobile insurers that exclude the coverage described in § 1908 shall have no duty to defend or indemnify any claim expressly excluded thereunder. Nothing in this Chapter shall be deemed to invalidate or limit an exclusion contained in a policy including any policy in use or approved for use in Delaware prior to the enactment of this Chapter that excludes coverage for vehicles used to carry persons or property for a charge or available for hire by the public.

An automobile insurer that defends or indemnifies a claim against a TNC Driver that is excluded under the terms of its policy, shall have a right of contribution against other insurers that provide automobile insurance to the same TNC Driver in satisfaction of the coverage requirements of § 1908 at the time of loss.

(c) In a claims coverage investigation, Transportation Network Companies shall immediately provide upon request by directly involved parties or any insurer of the Transportation Network Company Driver if applicable, the precise times that a Transportation Network Company Driver logged on and off of the Transportation Network Company’s Digital Network in the twelve hour period immediately preceding and in the twelve hour period immediately following the accident. Insurers providing coverage set forth under § 1908 shall disclose upon request by any other such insurer involved in the particular claim, the applicable coverages, exclusions and limits provided under any automobile insurance maintained under § 1908 in order to satisfy the requirements.

(d) If a lender or a secured party has a secured interest in a TNC Driver's vehicle and a transportation network company's insurer makes a payment for a claim for damage to the TNC Driver's vehicle that is covered under comprehensive or collision damage coverage held by the transportation network company, the insurer shall issue the payment directly to the vehicle repair shop or jointly to the owner of the vehicle and the primary lender or secured party on the covered vehicle.
(e) Nothing in this section shall limit the right of a lender or secured party of a TNC Driver's vehicle to require a TNC Driver to maintain comprehensive, collision damage coverage, or both for a TNC Driver's vehicle, or to show evidence of such coverage to the lender or secured party, that would cover the period when the TNC Driver is logged on to the transportation network company's digital network but is not engaged in a prearranged ride or when the TNC Driver is engaged in a prearranged ride. If the TNC Driver fails to maintain the required comprehensive or collision damage coverage, or to show evidence to the lender or secured party of the coverage upon reasonable request by the lender or secured party, the lender or secured party may obtain the coverage at the expense of the TNC Driver.

§ 1911. Limitation on TNCs.
Notwithstanding any other provision of law, TNC Drivers shall be independent contractors and not employees of the TNC if all of the following conditions are met:
(a) The TNC does not prescribe specific hours during which a TNC Driver must be logged into the TNC’s digital platform;
(b) The TNC imposes no restrictions on the TNC Driver's ability to utilize digital platforms from other TNCs;
(c) The TNC does not assign a TNC Driver a particular territory in which to operate;
(d) The TNC does not restrict a TNC Driver from engaging in any other occupation or business; and
(e) The TNC and TNC Driver agree in writing that the TNC Driver is an independent contractor of the TNC.

§ 1912. Zero tolerance for drug or alcohol use.
(a) The TNC shall implement a zero tolerance policy regarding a TNC Driver’s activities while accessing the TNC’s digital platform. The zero tolerance policy shall address the use of drugs or alcohol while a TNC Driver is providing Prearranged Rides or is logged into the TNC’s Digital Network but is not providing Prearranged Rides, and the TNC shall provide notice of this policy on its website, as well as procedures to report a complaint about a TNC Driver with whom a rider was matched and whom the rider reasonably suspects was under the influence of drugs or alcohol during the course of the trip.
(b) Upon receipt of such rider complaint alleging a violation of the zero tolerance policy, the TNC shall immediately suspend such TNC Driver’s access to the TNC’s digital platform, and shall conduct an investigation into the reported incident. The suspension shall last, at a minimum, the duration of the investigation.
(c) The TNC shall maintain records relevant to the enforcement of this requirement for a period of at least two (2) years from the date that a rider complaint is received by the TNC.

§ 1913. TNC Driver requirements.
(a) Before allowing an individual to accept trip requests through a TNC’s digital platform:
   (1) The individual shall submit to the TNC information or documents from which a TNC can verify that the individual satisfies the requirements set forth in paragraphs (b)(5)-(8) of this section.
   (2) The TNC shall conduct, or have a third party conduct, a local and national criminal background check for each applicant that shall include:

(c) A TNC or a third party must check, at least annually, the driving record of every TNC Driver operating on the TNC’s platform in order to verify that the TNC Driver has not accrued any moving violations that would require disqualification under subsection (b)(1) of this section.

§ 1914. Vehicle safety.
The TNC shall verify on an annual basis that:
   a. each TNC Vehicle registered in Delaware that is required to pass a safety inspection for registration has a valid vehicle registration, which serves as proof that the vehicle passed its most recent safety inspection; and
   b. each TNC Vehicle with over 10,000 miles that is registered in another state has passed a motor vehicle safety inspection authorized or approved by a state government agency for personal vehicles; provided that, the initial safety inspection for a vehicle used by a new TNC Driver may be conducted within 90 days of beginning service.

§ 1915. No street hails.
A TNC Driver shall not solicit or accept street hails.
§ 1916. No cash trips.
The TNC shall adopt a policy prohibiting solicitation or acceptance of cash payments from riders and notify TNC Drivers of such policy. Any payment for Prearranged Rides shall be made only electronically using the TNC’s Digital Network or online-enabled technology application service.

§ 1917. No discrimination; accessibility.

To determine the amount of the fine, the Division shall consider all relevant mitigating factors, including without
limitation (1) the severity of the violation, and (2) the good faith of the person or entity charged with the violation in attempting to achieve compliance. A TNC will not be subject to financial penalties under this subsection if, upon notice of the violation, the TNC takes corrective steps to remedy the violation within a reasonable time period, as determined by the Division.
