The Commissioner may hold a hearing in the absence of a protest. The Commissioner shall cause notice of the time and location of the hearing to be published in 2 consecutive issues of the same newspapers within which the applicant published notice of the applicant’s application for the license. The Commissioner shall send notice of the time and location of the hearing to the applicant and to each of the persons who signed the protest and provided a legible name and address; provided, however, that it is sufficient for the Commissioner to send notice to the attorney of a person who is represented by legal counsel. Upon receipt of the appeal, the Commissioner shall cause the Chairperson of the Appeals Commission to be advised of the pending appeal and the Chairperson shall cause the Appeals Commission to be convened with at least 20 days’ notice to all parties. The Appeals Commission’s review of an appeal from the Commissioner’s final decision shall be on the record and in accordance with the Administrative Procedures Act, subchapter III of Chapter 101 of Title 29. A decision of the Commissioner shall be reversed only upon a finding of abuse of discretion.

(d) A party who is aggrieved by a final decision of the Appeals Commission may file a written appeal with the Superior Court within 30 days of the date that the Appeals Commission’s decision was mailed. (4) The applicant has been provided with funds by, or has any forbidden connection with, a manufacturer, supplier or importer of alcoholic liquors;
(5) The applicant has made false statements to the Commissioner;

(6) The applicant has been convicted of violating any of the liquor laws of this State, or has been convicted and imprisoned for a crime;

(7) The applicant or any of the applicant’s directors or officers, or any of the applicant’s shareholders who hold more than 10% of the outstanding issued shares has been convicted of violating any of the prohibited acts defined in Chapter 47 of Title 16, the Uniform Controlled Substances Act, or its functional equivalent under the laws of the United States, any state or territory or any other country, including, but not limited to, the illegal manufacture, delivery, trafficking, possession or consumption of any controlled or noncontrolled substance, or the delivery or possession of illegal drug paraphernalia or illegal hypodermic syringes or needles, or the conspiracy, solicitation or other attempt to engage in such illegal activities;

In reaching its decision, the Commissioner shall consider factors including, but not limited to, the number and sizes of bars in the establishment, the establishment’s floor plan, an approximate percentage of the projected revenue to be derived from the sale of alcoholic liquor as compared to the percentage of revenue to be derived from the sale of complete meals, the establishment’s seating capacity, storage and preparation area for food service, and the number of service employees employed, or to be employed, in the establishment and their functions.

(a) The Commissioner shall refuse to grant a license to be used in any county or subdivision thereof, if contrary to any prohibitory law then in force, in such county or subdivision thereof.

(b) The Commissioner may refuse to license an applicant if the Commissioner has substantial evidence that would reasonably support a belief that:

(1) Except for restaurants, there are sufficient licensed premises in the locality; or the granting of a license in the locality stated in the application is not otherwise demanded by public interest or convenience;

(2) The applicant is an importer of alcoholic liquors and has not furnished an acceptable bond for the purpose of assuring tax payments;

In reaching its decision, the Commissioner shall consider factors including, but not limited to, the number and sizes of bars in the establishment, the establishment’s floor plan, an approximate percentage of the projected revenue to be derived from the sale of alcoholic liquor as compared to the percentage of revenue to be derived from the sale of complete meals, the establishment’s seating capacity, storage and preparation area for food service, and the number of service employees employed, or to be employed, in the establishment and their functions.

§ 544 Finality of Commissioner’s decision refusing license.

If an application is not timely protested, but the Commissioner determines that the application should nevertheless be denied, the Commissioner shall render the decision promptly in writing. The Commissioner’s decision shall be final and conclusive unless, within 30 days after notice thereof has been mailed by the Commissioner’s office, the applicant files an appeal in the office of the Commissioner. The appeal shall follow the procedure outlined in § 541 of this title.

§ 545 Improvements to premises.

The Commissioner may not require an applicant to make improvements to the premises before the issuance of a license; however, the Commissioner may issue a license to sell alcoholic liquor upon the condition that certain improvements shall be made to the premises.

§ 546 Limit on number of retail licenses.

(a) The General Assembly finds that, in order for the Delaware Alcoholic Beverage Control Commissioner to maintain effective control of the importation, distribution and sale of alcoholic liquor into and within this State, and in order to prevent geographical price-fixing of alcoholic liquor at the retail level, there shall be a limitation placed on the number of retail licenses issued, held, controlled or acquired directly or indirectly by 1 person. The General Assembly further finds that a limitation on the number of retail licenses held by 1 person is necessary to ensure a stable system for the lawful distribution of alcoholic liquor, serve the public need and convenience and prevent the public harm associated with a monopoly of the retail alcoholic liquor trade by any person or group of persons, whether such licenses are held by a corporation, partnership, association, proprietorship, individual or other entity. The General Assembly further finds that a reasonable restriction on the number of retail licenses held by 1 person will further the State’s interest in maintaining a 3-tier system for the importation, distribution and sale of alcoholic liquor by minimizing or limiting absentee ownership and the domination of retail establishments by suppliers, manufacturers, importers or other economically powerful interests.

Therefore, it is declared to be the public policy of this State that limitations, as hereinafter specified, be placed on the number of retail licenses that any person may at 1 time hold, directly or indirectly, and that the Commissioner shall actively supervise and enforce these limitations.

(b) The Commissioner shall refuse to grant a license for the sale of alcoholic liquor by any restaurant, taproom, hotel, store or other establishment for consumption off the premises where sold if the Commissioner has substantial evidence that would reasonably support a belief that the applicant, or any of the applicant’s directors, officers or shareholders, or any of the applicant’s partners, corporations, proprietorships or other legal entities engaged in any undertaking, industry or business is singularly, or in combination with the applicant, the holder of 2 or more retail licenses, or has any financial, pecuniary, beneficial, management, supervisory or other interest whatsoever, direct or indirect, and however small, in 2 or more retail licenses; provided, however, that nothing herein shall require any person who, prior to April 1, 1992, acquired an interest in more than 2 retail licenses to surrender, dispose of, or release their interest in any such license; nor shall anything herein affect such person’s right to continue to hold, use and renew any such license.

(c) For the purposes of this section, a person shall be deemed to acquire a financial, pecuniary, beneficial, management, supervisory or other interest in a retail license to purchase and re-sell or dispense alcoholic liquor if such person or person’s spouse or child under
21 years of age has either (i) any interest whatsoever, direct or indirect, and however small, as a director, officer, shareholder, partner, associate, employee or member in any corporation, partnership, association, proprietorship or other entity engaged in any undertaking, industry or business which holds a retail license pursuant to this chapter, or (ii) any authority whatsoever to supervise, manage, control or direct the operation of the licensee’s business, or to hire, terminate or discipline its employees, or to issue any orders, policies or directives concerning its business; provided, however, that any person whose relationship with the licensee is, as determined by the Commissioner, merely that of a bona fide lender, lending institution, secured party or lienholder, or merely that of a bona fide landlord or lessor of real or personal property, shall not, for the purposes of this section, be deemed to acquire a financial, pecuniary, beneficial, management, supervisory or other interest in such license.

(d) The Commissioner may promulgate such rules and regulations with respect to the enforcement and furtherance of the objectives and provisions of this section as it may deem necessary, and all such rules and regulations that are not inconsistent with provisions of this title and the Delaware Code shall have the force and effect of law.

(68 Del. Laws, c. 376, § 1; 72 Del. Laws, c. 486, § 9.)

(b) Notice of the order of the cancellation or the acceptance of the surrender of the license may be served by an officer designated by the Commissioner by affixing a duplicate thereof to the outside of the entrance door of the licensed premises, or by leaving a duplicate with the holder of the license, or with any member of the family of the holder over the age of 18 years at the residence of the holder, or otherwise, as in the judgment of the Commissioner will give notice of such cancellation or acceptance of the surrender. All cancellations or acceptances of surrender shall take effect as soon as the order is served.

(c) The cancellation or acceptance of surrender of a license shall not in any wise prevent the institution of any criminal proceedings for any offense under this title by the person who was the holder of such license while it was in force. § 717 Transportation of alcohol.
No person shall transport alcohol in the State, except where it is expressly permitted by the Commissioner to transport such alcohol.

§ 718 Shipping and transporting alcoholic liquor.
(a) If alcoholic liquor is to be shipped to a point within the State by other than the manufacturer or importer thereof, the transportation thereof outside of the municipality in which the establishment of the seller is situated, shall be made only by a common carrier or, if not contrary to the rules of the Commissioner, by the purchaser on condition that it is transported in a vehicle owned or hired by the purchaser directly to the purchaser’s residence or, if the purchaser is the holder of a license to sell, to the purchaser’s establishment, but such transportation shall not be by the seller nor by any employee, agent or representative of the seller, nor by any other person interested in the sale.
(b) If alcoholic liquor is to be shipped to a point within or without this State by the manufacturer or importer thereof, the shipment shall only be made by common carrier, by vehicle owned or hired by the manufacturer or importer, or employee thereof, under the rules
of the Commissioner. “Shipped,” as used in this subsection, shall mean any movement of alcoholic beverage to any location other than the manufacturer’s or importer’s storage location.

(c) If the transportation of alcoholic liquor be effected by a common carrier, the individual transporting or in charge of the transportation of such alcoholic liquor shall have in his possession and produce upon request a waybill or other evidence of authorized shipment containing the name and address of the shipper and the name and address of the consignee.

§ 719 Distillery and wine manufacturer.

(a) No provision of this title shall prevent any distillery or brewery, duly licensed by the United States or by this State to manufacture alcohol or spirits in this State, or any wine manufacturer in this State from having or keeping for sale in his establishment in this State the alcoholic liquor so licensed to be manufactured by him, or from selling or delivering the same in accordance with the provisions of this title.

(b) If alcoholic liquor is to be shipped by a distillery or manufacturer to a place within this State, the distillery or manufacturer may sell it only to the Commissioner or under the published rules of the Commissioner and the distillery or manufacturer shall in every case comply with every other applicable provision of this title.

(c) The Commissioner may, upon the conditions it determines, grant to any distillery, duly licensed by the United States or by this State to manufacture alcohol or spirits in this State, a special license authorizing the distillery to purchase and to import, from such persons as are entitled to sell the same, wines or spirits to be used for the sole purpose of blending with and flavoring such products.

(d) No provision of this title shall prevent the Commissioner from agreeing to the sale and delivery of potable and non-potable alcohol from a distillery direct to a manufacturer of articles requiring such alcohol, if such sale and delivery be made subject to such conditions as the Commissioner publishes.

§ 720 Storage of alcoholic liquors.

All holders of licenses for the sale of alcoholic liquor in a tavern, restaurant or taproom, and as to the public sale portions of the premises covered by holders of a hotel or club license, shall store all alcoholic liquor in adequate storage facilities and the premises, or the part of the premises where such alcoholic liquor is stored if a hotel or club, must be locked before the last person leaves the licensed premises.

(59 Del. Laws, c. 590, § 3; 67 Del. Laws, c. 109, § 19.)

§ 721 Brewery.

No provision of this title shall prevent the Commissioner from authorizing any brewery to sell and to deliver beer to any person in this State who holds a license to receive and resell beer, if a duplicate bill of each sale is filed with or mailed to the Commissioner, provided that the Commissioner shall not authorize the resale and delivery of beer to licensees within this State by any brewery whose total domestic sales, when including all affiliated licenses whether in or out of this State, exceeds 6 million barrels of beer in a single calendar year.

§ 722 Physicians, dentists, veterinarians and pharmacists.

(a) No provision of this title shall prevent any individual who is licensed in this State to practice medicine, surgery or obstetrics, or dentistry, or veterinary medicine or surgery from purchasing alcoholic liquor in quantities larger than one bottle and keeping and using the same for purposes of solution or sterilization in his own practice, or in making a preparation for external application to be administered by himself, or from purchasing brandy, as defined in the United States Pharmacopoeia, or rum, for use in compounding his medicines.

(b) No owner, lessee or manager conducting a pharmacy or drugstore shall sell or dispense, on the premises conducted as a pharmacy or drugstore, alcoholic liquor for any other purpose than medicinal, scientific and industrial purposes. No provision of this title shall prevent any holder of a license for a pharmacy under § 517 of this title from:

(1) Purchasing alcoholic liquor in quantities larger than 1 bottle, for use in medicinal, official or pharmaceutical preparations, but no such person may sell such alcoholic liquor except when contained in such preparations or when filling a prescription, or an order of an individual holder of license under § 518 of this title; or

(2) Purchasing ethyl alcohol in quantities larger than 1 bottle, and selling the same for obstetrical or antiseptic purposes only, in quantities not exceeding 16 ounces, upon prescription of an individual practicing medicine, surgery or obstetrics and registered as such in this State, or upon the certificate of the latter if the sale be made to him or her personally.

§ 723 Disposition of stock of insolvent, deceased or former licensee.

(a) In the case of a seizure of alcoholic liquor under any judgment rendered against the holder of any license or in the case of insolvency of such person, the officer seizing such alcoholic liquor or the trustee in bankruptcy of such license holder shall provide the Commissioner
an inventory of the alcoholic liquor found in the possession of the judgment debtor or bankrupt. The Commissioner shall cause notice to be delivered to all importers who sell product on the inventory. All importers shall pick up all saleable products (as determined by the Commissioner in the event of a dispute) that they sell at that time.

(b) The importer shall determine the value of the saleable inventory by determining the cost to a retail licensee on the same day as the alcoholic liquor is picked up.

(c) The importer may retain up to 5% of the value of the saleable inventory as a handling or restocking fee.

(d) In the event the licensee from whom the alcoholic liquor was seized owes the Importer an amount equal to or greater than the net of subsections (b) and (c) of this section above, the importer shall advise the Commissioner, the debtor or bankrupt, and the seizing authority of its calculations and credit the debtor’s or bankrupt’s account appropriately.

(e) In the event the licensee from whom the alcoholic liquor was seized owes the importer less than the net of subsections (b) and (c) of this section above, the importer shall, within 10 days of seizure, pay the difference of the net of subsections (b) and (c) of this section above and the licensee’s obligation to the importer to the officer or the trustee, and shall advise the Commissioner, the debtor or bankrupt, and the seizing authority of its calculations and credit the debtor’s or bankrupt’s account appropriately.

(f) No payment shall be made for illegally acquired alcoholic liquor so delivered.

(g) Any dispute as to the value or saleable condition of the alcohol shall be determined by the Commissioner. Any dispute as to the amount of the obligations of the parties to each other shall be determined by the court or its designee.

§ 724 Retaliatory beer tax and regulations; violations by out-of-state manufacturers of beer; hearing, penalties and appeal.

(a) In addition to compliance with all other provisions of this title, the Commissioner shall require each person, not a licensee of this State, who desires to sell beer manufactured outside this State to licensees of this State, to pay to the Commissioner the same fee or fees as are required to be paid in the State, territory or country of origin of such beer by a person, not a licensee thereof, who desires to sell beer manufactured in this State to licensees of such State, territory or country of origin, and to observe and comply with the same regulations, prohibitions and restrictions as are required of or enforced against a person who desires to sell beer manufactured in this State to licensees in the said state, territory or country of origin. In all cases where the Commissioner has issued any reciprocal regulations or orders concerning beer manufactured in any state, territory or country other than this State no licensee of this State shall purchase any such beer if its importation has been prohibited or if not entirely prohibited, unless such regulations or orders have been observed and complied with by the licensee of this State and by the person from or through whom the licensee of this State desires to purchase. Any beer manufactured outside of this State which is sold, transported or possessed in this State contrary to any such regulations or orders of the Commissioner or without the payment of the fees required by this title shall be considered contraband and shall be confiscated by the Commissioner and disposed of in the same manner as any other illegal alcoholic liquors.

(b) Upon learning of the Commissioner by a manufacturer of beer whose principal place of business is outside this State or by any servant, agent, employee or representative of such manufacturer within or partly within and partly outside this State of any violation of this title or any laws of this State relating to alcoholic liquor, or of any regulation of the Commissioner adopted pursuant thereto, or of any violation of any laws of this State or of the United States of America relating to the tax payment of alcoholic liquors, the Commissioner shall cite such manufacturer to appear before him not less than 10 nor more than 15 days from the date of mailing to such manufacturer at his principal place of business wherever located by registered mail a notice to show cause why the importation into this State of beer manufactured by such manufacturer should not be prohibited. Any such hearing, whether or not an appearance was made by such outside manufacturer, if satisfied that any such violation has occurred, the Commissioner shall immediately issue an order prohibiting the importation into this State of beer manufactured by him.

§ 725 Preparations containing alcoholic liquors but not intended for use as a beverage.

(a) No provision of this title shall, by reason only of the fact that the product contains alcoholic liquor, prevent any of the following:

1. The sale of any perfume, lotion, tincture, varnish, dressing, fluid extract or essence, vinegar, cream, ointment, salve, distillate, cooking wine, or decoction.
(2) The sale of any preparation (official, medicinal, or pharmaceutical) or of any patent or proprietary medicine, intended solely for medicinal purposes, if the product does not contain alcohol in any greater quantity than the amount required as a solvent or preservative, or if the product be so compounded as to render it unsuitable for use as a beverage.

(b) If the Division of Alcohol and Tobacco Enforcement (DATE) is of the opinion that one of the products enumerated in this section contains alcoholic liquor and is used for beverage purposes, it may notify the manufacturer or seller to that effect and from and after the date of such notice this title shall apply to such product unless the manufacturer or seller requests a hearing before the Commissioner within 20 days of receipt of the notice. If the manufacturer or seller does not request a hearing within 20 days of the notice, or the Commissioner determines after the hearing that the product is used for beverage purposes, the manufacturer or seller so notified commits an offense under this title if he or she sells the product after such notice or determination, and is liable to the penalties provided in § 902 of this title.

(c) (1) In order to determine whether any particular preparation, proprietary or patented, contains alcohol in excess of the amount required as a solvent or preservative, or whether it is so compounded as to render it unsuitable for use as a beverage, DATE may purchase a sample of such preparation from any person and may have it analyzed by any individual DATE selects.

(2) If it appears from the analysis of the sample that the preparation contains alcohol in excess of the amount required as a solvent or preservative, or that it is not so compounded as to render it unsuitable for use as a beverage, DATE may notify the manufacturer or the agent in this State of the manufacturer of the preparation or the person who has acquired the preparation for purpose of resale, that the preparation is not an exempt product within the meaning of this section, but is an alcoholic liquor to which this title applies. After the service of such notice, this title shall apply to such preparation and the manufacturer or the agent in this State of the manufacturer or the person who has acquired same to resell, who has been so notified, commits an offense under this title unless a hearing is requested before the Commissioner within 20 days of receipt of the notice. If a hearing is not requested within 20 days of the notice, or the Commissioner determines after the hearing that the preparation is used for beverage purposes, the manufacturer or the agent in this State of the manufacturer of the preparation or the person who has acquired the preparation for purpose of resale commits an offense under this title if that person sells the preparation after the date of the service upon him or her of the notice or determination.

(3) The notice required by this section shall consist of a letter from the Director of DATE stating that the preparation specified in the letter is not an exempt product in the sense of this section, but is an alcoholic liquor to which this title applies. The notice must be served by hand delivery or by sending a copy by certified mail to the manufacturer, or to the agent in this State of the manufacturer, or to the person who has acquired the preparation to resell.

(d) This section applies to every product which is included within the definition of the word “preparation” set forth in § 101 of this title and to every product which is defined or described in subsection (a) of this section, other than one which is prepared by a druggist at the time of the prescription of a physician and in accordance with its tenor or which is prepared by a physician for the use only of a patient actually under his or her care.

§ 726 Liability for price of illegal sale of alcoholic liquors.

No action to recover the price of any alcoholic liquor sold in contravention of this title may be maintained.

(38 Del. Laws, c. 18, § 53; Code 1935, § 6181; 4 Del. C. 1953, § 733; 67 Del. Laws, c. 109, § 19.)

§ 727 Sale at last call/closing hour of an establishment.

No more than 1 alcoholic beverage may be sold to a person less than 15 minutes prior to closing each day that a license is open pursuant to this title. Any server who violates this section shall be guilty of a violation, and shall be fined $100 for a first offense, and $250 for a second or subsequent offense accruing within 1 year and shall be further required to take a course of instruction pursuant to Chapter 12 of this title (Delaware Responsible Alcoholic Beverage Server Training Program) within 90 days.

§ 912 Exemption of employees of Commissioner and/or Division.

No officer or inspector employed by the Commissioner and/or Division for the enforcement of this title, when acting in the officer’s or inspector’s official capacity, shall incur any of the penalties exacted by this chapter for the punishment of those who obtain alcoholic liquor either from a holder of a license granted under this title or from a person who is not the holder of a license.

§ 913 Licensees convicted of violations by the Commissioner may be assessed costs.

Any licensee found guilty by the Commissioner of a violation of the rules of the Commissioner or the provisions of the Liquor Control Act of this State, as amended, may be required by the Commissioner to pay costs incurred by the Commissioner for the hearing, whether there is a plea of guilty or not guilty entered by the licensee. If a licensee fails to pay the costs assessed under the provisions of this section, the Commissioner may suspend or revoke the license or licenses issued by the Commissioner to the licensee.

§ 914 Authority to suspend licenses and/or impose fines.

Whenever the Commissioner has found a licensee to be guilty of a violation of the rules of the Commissioner or the Delaware Liquor Control Act, in addition to the power and authority granted to the Commissioner by this title, the Commissioner shall have the power and authority to suspend a license and/or to impose a fine on the licensee and to require the licensee to pay a fine with regard to such violation. Prior to a license suspension and/or the imposition of any fine, the Commissioner may cause such investigation to be made as the Commissioner deems desirable and the suspension and/or fine shall only be imposed and required to be paid if the Commissioner is satisfied:

1. That the public welfare and morals would not be impaired by the suspension and/or imposition of the fine and that the payment of the sum of money will achieve the desired disciplinary purposes; and

2. That the books and records of the licensee are kept in such a manner that the average monthly gross sales of alcoholic beverages can be determined with reasonable accuracy therefrom.

Any fine imposed by the Commissioner, pursuant to this section, shall not exceed 10% of the estimated average gross monthly sales of alcoholic liquor for the operations of the licensee within the 12 months immediately preceding the date of the finding of guilt provided that such amount exceeds $250. In no case shall the fine imposed by the Commissioner upon a finding of guilt be less than $250. Each licensee shall maintain financial records that clearly demonstrate the licensee’s estimated average gross monthly sale of alcoholic liquor for the operations of the business within the 12 months immediately preceding the date of the licensee’s hearing before the Commissioner and, upon a finding of guilt, shall submit such documentation to the Commissioner.

§ 915 Licensees pleading guilty; voluntary fines; limitation.

The Commissioner is authorized to create a “voluntary fine assessment plan,” with fines not to exceed $5,000, available to any licensee who pleads guilty to any violation of the Commissioner rules. Where a licensee chooses to pay a voluntary fine under the plan, such licensee shall have waived the licensee’s right to and shall forego a formal hearing before the Commissioner, and shall be deemed to have waived any right to appeal relating to the offense(s). The plan shall be administered by the Executive Secretary or by such other persons as shall be designated by the Commissioner. The plan shall be published as a Commissioner rule.

§ 1101 Peddled or illegally transported liquor.
(a) Wherever alcoholic liquor is being peddled in this State, or whenever any alcoholic liquor is transported in this State, unaccompanied by a license to transport such alcoholic liquor, or unaccompanied by a waybill as provided in § 718(c) of this title, any police officer of the State or subdivision thereof or any inspector of the Division may seize such alcoholic liquor, as well as the receptacle or receptacles containing the same, and hand them over to the Division.

(b) This section shall not at any time or in any instance apply to an individual who is the holder of a license to purchase a stock of draft beer in half barrel or quarter barrel containers for personal use and is transporting for the individual’s own personal use from the individual’s home after delivery has been made thereto by an importer.

(c) This section does not apply to persons transporting alcoholic liquor under §§ 501 and 716 of this title.

§ 1102 Shipments to unauthorized portions of State; other illegal sales or shipments.
(a) Any officer or inspector of the Division so authorized, may seize, without a warrant, any alcoholic liquor, as well as any receptacle containing it, shipped into a municipality or part of this State in which a prohibitory law is in force, or whose competent authority has decided, in the manner set forth in § 102 of this title, that any license or any certain kind of license shall not be granted, unless each parcel containing such alcoholic liquor is clearly and visibly addressed to the bona fide purchaser. The fact that such parcel is so addressed shall not, however, prevent the seizure of the alcoholic liquor and of the receptacle containing it if such alcoholic liquor is shipped or sold contrary to any provision of this title.

(b) The alcoholic liquor seized as well as the receptacles containing it shall be handed over to the Division.

(c) This section shall not apply to an individual, the holder of a license to purchase a stock of draft beer in half barrel or quarter barrel containers for personal use, who having said license then with him or her, is personally transporting for his or her own personal use such draft beer.

§ 1103 Manufacture on unauthorized premises; seizure or destruction of liquor, apparatus and materials.
All alcoholic liquor, stills and other apparatus, tubs, barrels, containers and paraphernalia of any character, and all mash, wort or wash, used or useful in connection with the manufacture of alcoholic liquor which are upon the premises wherein or whereon are committed any offense defined in § 905 of this title, shall be seized by the officers apprehending the same and disposed of as provided in this section. The officers finding the same may forthwith destroy any or all mash, wort or wash upon the premises, and any or all stills or other apparatus, tubs, barrels, containers and paraphernalia so found. The officer or officers destroying any property shall forthwith report the same to the Commissioner and in such report shall itemize all property destroyed and the estimated value thereof and shall state the names of the persons in whose presence such act or acts of destruction were performed. The report shall be witnessed by at least 2 responsible persons other than the officer or officers performing such act or acts of destruction. The Commissioner may sell any property of value so seized to any person or persons desiring to purchase same, who in the opinion of the Commissioner will not utilize same in connection with any violation of this chapter. The proceeds from such sale shall be deposited in the General Fund of the State.

§ 1104 Property found in disorderly house or used in connection with offenses.
Every officer and inspector of the Commissioner and all other peace officers of this State, may, without a warrant, seize property, as hereinafter defined, kept, transported, possessed or sold in contravention of this title, when found in any disorderly house; and may also seize such property in like manner and for like violations when the said property is used in connection with any offense under this title to the knowledge of the Commissioner or any of its officers or inspectors or to the knowledge of any other peace officer of this State. Immediately upon seizure, such property shall be deemed to be confiscated and the Commissioner shall be vested with a special property therein, subject to this chapter. The word “property” as used in this chapter includes alcoholic liquor, stills and other apparatus designed for the manufacture of alcoholic liquor, receptacles and other paraphernalia used in connection with any violation of this title, and all vehicles used in connection with the unlawful transportation of alcoholic liquor. This chapter shall not apply to vehicles operated by common carriers over scheduled routes, or to such vehicles in which the sale of alcoholic liquor is licensed. Forthwith upon seizure, all property seized shall be delivered to and shall be retained and disposed of by the Commissioner under the provisions of this chapter, subject, however, to any right or power of immediate destruction otherwise conferred by this chapter. The word “Commissioner” as used in the immediately preceding sentence includes any officer or inspector thereof with respect to delivery to the Commissioner of seized property as defined in this section.

§ 1105 Retention of seized property; return to owner; disposition of alcoholic liquor.

All property seized and delivered into the possession of the Division shall be disposed of in the following manner:

(1) The enforcement officers of the Division or the peace officers who seized the property shall give written notice to the person whom they reasonably believe to be the owner of the property, and to the person from whom the property was seized, if they reasonably believe such person is not the owner, that such person may within 10 days of the date of notice and upon proof, satisfactory to the Commissioner that such property had not been used in connection with any violation of any of the provisions of this title, or of the rules of the Commissioner or both, if so used, that the use was without the knowledge, acquiescence or consent of the rightful owner, the owner’s agent, employee or servant, return said property to the rightful owner. Any dispute between the enforcement personnel of the Division and the person believed to be the rightful owner or the person from whom the property was seized, shall be resolved by a hearing before the Commissioner. The Commissioner’s decision shall be final and conclusive unless any party, having appeared before the Commissioner, appeals to the Superior Court of the State within 10 days of the date of the written decision.

(2) Any property seized pursuant to this chapter which consists of alcoholic liquor and its container may, after the provisions of paragraph (1) of this section have been complied with, be offered for sale to the licensed Delaware importers of alcoholic liquor at the prevailing price paid by the importers for like brands and quality. If the alcoholic liquor is distributed in this State by more than 1 licensed importer, then the Commissioner shall offer said seized alcoholic liquor to all importers who engage in the sale of such brand of alcoholic liquor. If the seized alcoholic liquor is purchased by a licensed Delaware importer, the importer shall issue to the Commissioner a voucher showing at least the following facts:

(a) The date of the purchase;
(b) The purchase price of each item purchased; and
(c) The quantity and nature of the item purchased.

At the subsequent direction of the Commissioner, the licensed Delaware importer which purchased the liquor shall:

1. If the owner of the alcoholic liquor or the person from whom the liquor was seized, if different from the person reasonably believed to be the owner, shall be found guilty of the offenses in violation of the Liquor Control Act or the rules of the Office of the Commissioner or both, issue its check payable to the Office of the Commissioner in the amount of the total purchase price shown on the voucher, which amount shall be applied by the Commissioner as provided in § 1110 of this title as proceeds of a sale authorized by order of court; or
2. If the owner of the alcoholic liquor and the person from whom the liquor was seized, if different from the person reasonably believed to be the owner, shall be acquitted of the offenses alleged to have been in violation of the Liquor Control Act or the rules of the Commissioner, or both, issue its check payable to such person, or, at such person’s election, deliver alcoholic liquor of the same or similar nature and quantity described in the voucher to such person.

3. The enforcement officers of the Division with the advice of other peace officers of this State and/or the Department of Justice may retain all or part of the alcoholic liquor and its containers seized for use as evidence for as long a period as they deem necessary. Thereafter it may be disposed of pursuant to this chapter.

4. All other such seized property shall be disposed of as is provided in this chapter.

§ 1106 Ascertainment of ownership and liens upon seized vehicles.

Before filing the report and petition required by § 1107 of this title, the Division shall examine or cause to be examined records of liens on motor vehicles at the titling department in Dover and records of conditional sales contracts recorded in the offices of the recorders of the counties to ascertain what liens, if any, had been entered against any motor vehicles seized under this chapter and all available information as to ownership of such vehicles and liens, if any, upon the same shall be incorporated in such report and petition.

§ 1107 Commission’s report and petition to Court.

The Division shall, from time to time in its discretion, file a report and petition in the Superior Court in any county of the State. The report and petition shall set forth (1) the date of the filing of the last preceding report, with term number thereof, (2) an itemized list of all property seized and delivered to the Division under this chapter with the date of seizure of each item, but the report may not include property previously disposed of under this chapter or involved in pending offenses either before the courts of the State or the Division, (3) a statement of the circumstances of each seizure with the names and addresses, so far as known, of any persons in possession of the property at the time of the seizure thereof, and the names and addresses of any persons believed by the enforcement officers of the Division or the peace officers who made the seizure to be the rightful owners of said property (and as to motor vehicles, the lienholders thereon), (4) whether or not any portion or part of the property listed in the report and petition was returned to others or other claimants, (5) a list of requests, if any, of state departments, agencies, institutions, hospitals or other institutions supported in whole or in part by state appropriations, for any property seized and herein described, (6) the disposition of any prosecutions in any court of any cases involving
§ 1109 Procedural provisions.

(a) The Superior Court may adopt rules to govern proceedings under this chapter.

(b) All proceedings under this chapter shall be in the nature of proceedings in rem for the forfeiture and disposition of property seized and not otherwise disposed of under this chapter.

(c) Nothing contained in this chapter shall be construed as depriving any owner or person holding a lien upon or conditional title to any property seized from pursuing any remedy otherwise available in any court for the recovery of said property, but no such other remedy shall be available and no other proceeding for the recovery of said property shall be brought after a petition, involving said property, has been filed in the Superior Court under the authority of § 1107 of this title, and in such case all remedies of persons claiming title to or liens upon such seized property shall be asserted and adjudicated in the cause presented by such petition in the Superior Court.

(d) In any action or proceeding brought by an alleged owner, lienor or claimant of the seized property, this State, acting on behalf of the Division, shall be permitted to intervene as a party defendant and justify the seizure under the authority of this chapter, and in such case, as well as in any case arising under this chapter, the Court may by order, judgment or decree require the payment to the Division of all proper costs and expenses of seizure, holding, storage or other acts or proceedings under the authority of this chapter.

(e) It shall be no objection to any report and petition filed by the Division under § 1107 of this title that it relates to and deals with the property of more than one person or property seized on more than one occasion, nor shall the Superior Court refuse to act upon any such petition because any criminal proceeding arising out of the seizure of such property remains undisposed of, has resulted in an acquittal or has been retired or nolle prossed by the Attorney General.

§ 1108 Rule to show cause and service thereof; hearing and order of disposal.

(a) Upon the filing with the Court of the Division’s report and petition in accordance with § 1107 of this title, the Court shall direct the issuance of a rule returnable on a day certain at the next succeeding term of the Court, directed to all known claimants, owners and lienors, and such rule shall be issued to and served by the sheriff of the county in which such claimant, owner or lienor shall reside or, if the Court shall so direct, may be mailed by the clerk of the peace to such claimants, owners or lienors at the addresses disclosed by the report and petition. In addition, the Court shall direct publication of a notice, in a form approved by the Court, in a newspaper of general circulation in the county or counties where the property or any part thereof was located at the time of seizure. The publication shall be made at least 1 time weekly during 2 successive weeks preceding the week during which the rule is returnable.

(b) Upon the return of the rule, the Court may order:

(1) The destruction of any of such property except legally distilled spirits with seals and containers so preserved and with labels and seals unbroken as to permit or be eligible for resale;

(2) The delivery of any thereof to any state department, agency or institution or to any hospital or other institution supported in whole or in part by state appropriations, for which such institution shall have use in the conduct of its authorized activities, which order and subsequent delivery shall vest title in and to all such property in the agency, department or institution receiving same;

(3) The sale of any thereof by the Division at public sale, except that such order may direct the Division in its discretion to offer privately for sale in regular trade channels to the licensed importers of alcoholic liquor such of the alcoholic liquor as are bottled for the trade and with labels and seals unbroken at the prevailing price paid by the importers for like brands and quality, and upon any other terms the Court decides should be imposed;

(4) In the case of order for sale of any motor vehicle seized in accordance with this chapter, the order shall also direct that after advertisement and public sale, the proceeds of such sale shall first be applied to the costs of the proceedings including storage, then to bona fide liens placed upon the vehicles prior to seizure, and then to the Division to be disposed of as otherwise provided in this chapter.

(c) The Division shall make return to the Court of its proceedings under the Court’s order.

(38 Del. Laws, c. 18, § 57; Code 1935, § 6184; 45 Del. Laws, c. 264, § 1; 4 Del. C. 1953, § 1108; 72 Del. Laws, c. 486, § 13.)

§ 1107 seizure of property under this chapter.

(a) In any action or proceeding brought by an alleged owner, lienor or claimant of the seized property, this State, acting on behalf of the Division, shall be permitted to intervene as a party defendant and justify the seizure under the authority of this chapter, and in such case, as well as in any case arising under this chapter, the Court may by order, judgment or decree require the payment to the Division of all proper costs and expenses of seizure, holding, storage or other acts or proceedings under the authority of this chapter.

(e) It shall be no objection to any report and petition filed by the Division under § 1107 of this title that it relates to and deals with the property of more than one person or property seized on more than one occasion, nor shall the Superior Court refuse to act upon any such petition because any criminal proceeding arising out of the seizure of such property remains undisposed of, has resulted in an acquittal or has been retired or nolle prossed by the Attorney General.

(38 Del. Laws, c. 18, § 57; Code 1935, § 6184; 45 Del. Laws, c. 264, § 1; 4 Del. C. 1953, § 1107; 72 Del. Laws, c. 486, § 13.)

§ 1106 Del. Laws, c. 486, § 13.)
(b) All taxable costs in any proceeding under this chapter in the Superior Court, including the costs of publication and sale, shall be paid by the Division from any of its available funds, but first out of the proceeds of sale to the extent such proceeds may be adequate for the purpose.

Chapter 12

Delaware Responsible Alcoholic Beverage Server Training Program

§ 1201 Findings and declaration of policy.

It is determined and declared as a matter of legislative findings that:

(1) The irresponsible service and consumption of alcoholic beverages has had a significant adverse impact on highway safety, personal health and individual welfare and is not in the best interests of the citizens of this State;

(2) Commercial servers of alcoholic beverages who are licensed by the State have a responsibility to ensure that their customers are served alcoholic beverages in a responsible and appropriate manner;

(3) Responsible server training programs have proven to be an effective means of addressing, in a positive and constructive manner, the irresponsible and inappropriate service of alcoholic beverages by commercial establishments;

(4) The voluntary responsible alcoholic beverage server training program which has been conducted by the Delaware Division of Alcohol and Tobacco Enforcement staff has been well received by those licensed commercial servers of alcoholic beverages who have undergone the training;

(5) A voluntary server training program cannot be as effective as a mandatory program which would reach all licensed commercial servers of alcoholic beverages;

(6) Such a mandatory training program should be provided to licensees and their employees at a reasonable cost so as to encourage their full support and participation while creating an incentive for the employees to take the program seriously; and

(7) The establishment of a mandatory responsible alcoholic beverage server training program will promote highway safety and the public health and welfare of the citizens of Delaware.

Therefore, it is declared to be the policy of this State to promote the safety, health and welfare of its citizens by the establishment and operation of a mandatory responsible alcoholic beverage server training program pursuant to the provisions of this chapter.
